ACCOHOHO LM093-527DOAK-1

ACCOHOHO Modern 7 Drawer Dresser Instruction Manual

Model: LM093-527DOAK-1

Brand: ACCOHOHO

Introduction

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your ACCOHOHO Modern 7 Drawer Dresser. Please read all instructions carefully before beginning assembly and retain this manual for future reference. This dresser features a spacious 52-inch wide tabletop, seven handleless push-to-open drawers, and a durable engineered wood construction with a curved profile.

Safety Information

- Always assemble the dresser on a soft, clean surface to prevent scratches.
- It is recommended that two adults assemble this product.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten as necessary.
- To prevent tipping, always use the included anti-tipping device to secure the dresser to a wall. This is crucial for household safety, especially in homes with children.
- Do not overload drawers. The maximum load capacity for each drawer is 30 lbs. The tabletop can support up to 100 lbs.

Package Contents

Before assembly, verify that all components and hardware are present. If any parts are missing or damaged, please contact customer support.

- Dresser Panels (Top, Side, Back, Base)
- Drawer Panels (Front, Side, Back, Bottom)
- Drawer Slides (Metal Rails)
- Push-to-Open Mechanisms
- Assembly Hardware (Screws, dowels, cam locks, etc.)
- Anti-Tipping Device
- Assembly Guide

Setup and Assembly

The ACCOHOHO 7-Drawer Dresser comes with step-by-step assembly instructions and all necessary hardware. Each part is clearly labeled, and the detailed manual makes it easy to follow along. No special tools are required; a standard screwdriver is sufficient. For best results, we recommend assembling the dresser on a flat surface with two adults. Using a power drill with a low-torque setting can make the process faster and easier. Once fully assembled, the dresser will be sturdy, stable, and ready for everyday use.

Operating Instructions

Drawer Operation (Push-to-Open)

The dresser features handleless drawers with a push-to-open mechanism. To open a drawer, gently press the center of the drawer front. The spring latch will release, allowing the drawer to slide out smoothly. To close, push the drawer back until it clicks into place, engaging the latch.

Tabletop Use

The 52-inch wide tabletop provides ample space for displaying decorative items, photo frames, or even a flat-screen TV

up to 65 inches. The surface is waterproof and stain-resistant for easy cleaning.

Maintenance

To maintain the appearance and longevity of your dresser, wipe it down with a dry or damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish. Promptly clean any spills to prevent staining.

Troubleshooting

Drawer Not Opening/Closing Smoothly

If a drawer is not opening or closing smoothly, or if the push-to-open mechanism is not engaging correctly, try the following:

- **Check for Obstructions:** Ensure nothing is blocking the drawer slides or the push-to-open mechanism.
- **Reset Drawer Alignment:** If a drawer appears uneven or misaligned, gently press the felt uneven drawer back to its original shape. Sometimes, a slight adjustment to the side panel can resolve the issue.
- **Verify Installation:** Confirm that the drawer slides and push-to-open mechanisms were installed correctly according to the assembly guide. Ensure all screws are tightened.
