LEVELEVE Heavy Duty Folding Wagon

2-in-1 Collapsible Cart Instruction Manual

Model: Folding Wagon | UPC: 782751670403

Introduction Safety Overview Setup Operation Maintenance Troubleshooting Specifications Support

1. Introduction

Thank you for choosing the LEVELEVE Heavy Duty Folding Wagon. This versatile 2-in-1 collapsible cart is designed for convenience and durability, transforming effortlessly from a heavy-duty utility cart to a comfortable beach chair. It is ideal for various outdoor activities, camping trips, grocery runs, or relaxing by the pool. Please read this manual carefully before use to ensure proper assembly, operation, and maintenance.

2. Safety Information

- Do not exceed the maximum weight capacity of 650 lbs (295 kg). Overloading can cause damage to the wagon and potential injury.
- Ensure all locking mechanisms are securely engaged before loading or using the wagon, especially when transforming into chair mode.
- Keep hands and fingers clear of moving parts during folding and unfolding to prevent pinching.
- Do not allow children to play on or around the wagon unsupervised.
- Always use the brakes when parking the wagon on an incline or when loading/unloading.
- Distribute weight evenly within the cart to maintain stability.
- Avoid using the wagon on extremely rough or unstable terrain that could cause it to tip over.

3. Product Overview and Components

The LEVELEVE Folding Wagon is constructed with a reinforced high-strength alloy steel frame and double-layered 600D Oxford fabric, offering durability and resistance to wear and water. It features all-terrain 360° swivel wheels for easy maneuverability.

Key Components:

- **Adjustable Handle:** For comfortable pulling and steering.
- **Steel Frame:** Provides structural integrity and supports heavy loads.
- **600D Oxford Fabric:** Durable, waterproof, and abrasion-resistant material for the cart bed.
- **All-Terrain Wheels:** 7.5-inch wheels with built-in bearings for smooth movement on various surfaces, including sand, gravel, and grass.
- **Brakes:** Located on the wheels for secure parking.
- **Side Pockets:** For additional storage of smaller items.
- **Elastic Cords:** Two included for securing cargo.

4. Setup and Assembly

The LEVELEVE Folding Wagon is designed for quick and easy setup. It can be assembled in approximately one minute.

4.1 Unfolding the Wagon:

1. Place the folded wagon on a flat, stable surface.
2. Grasp the top edges of the wagon and pull them apart gently. The wagon frame will begin to expand.
3. Push down on the center of the wagon's base until it lies flat and the frame is fully extended and locked into place.
4. Adjust the handle to your desired height by pressing the retractable button and extending it.
5. Ensure all wheels are unlocked if they were previously braked.

4.2 Transforming to Chair Mode:

1. Ensure the wagon is empty and on a stable, level surface.
2. Locate the red locking levers on the side of the wagon frame.
3. Release the locking levers to allow the side panels to extend outwards.
4. Gently push down the front and back sections of the wagon bed to flatten it into a lounge chair configuration.
5. Ensure all sections are securely locked in their extended positions before use as a chair.

5. Operating Instructions

5.1 Using as a Utility Cart:

1. Ensure the wagon is fully unfolded and locked in cart mode.
2. Load items into the cart, distributing weight evenly to maintain balance. Use the included elastic cords to secure taller or unstable items.
3. Adjust the handle to a comfortable height for pulling.
4. Release the wheel brakes (if engaged) and pull or push the wagon to your destination. The 360° swivel wheels allow for easy steering.
5. When stopped, engage the wheel brakes to prevent unintended movement.

5.2 Using as a Lounge Chair:

1. Ensure the wagon is fully transformed into chair mode and all sections are securely locked.
2. Place the chair on a stable, level surface.
3. Carefully sit on the chair. The design provides a comfortable lounging experience.
4. To adjust the backrest, gently lift and reposition it to your desired angle, ensuring it locks into place.

6. Maintenance

- **Cleaning:** Wipe down the fabric and frame with a damp cloth and mild soap as needed. Avoid harsh chemicals that could damage the material. Allow to air dry completely before folding and storing.
- **Storage:** When not in use, fold the wagon for compact storage. Store in a dry, cool place away from direct sunlight to prolong the lifespan of the fabric and frame.
- **Wheel Care:** Periodically check the wheels for debris and ensure they spin freely. Lubricate axles if necessary.
- **Frame Inspection:** Regularly inspect the steel frame for any signs of damage, bends, or loose connections. Tighten any loose screws or bolts.

7. Troubleshooting

Problem	Possible Cause	Solution
Wagon does not fold/unfold smoothly.	Mechanism obstructed or stiff.	Check for debris in hinges. Apply a silicone-based lubricant to moving parts if stiff. Ensure no items are blocking the folding path.
Wheels are difficult to turn or squeak.	Debris in axles or lack of lubrication.	Remove any debris from the wheels and axles. Apply a small amount of lubricant to the wheel bearings.
Wagon feels unstable when loaded.	Uneven weight distribution or overloaded.	Redistribute items evenly within the cart. Ensure the total weight does not exceed 650 lbs.
Chair mode does not lock securely.	Locking levers not fully engaged.	Ensure the red locking levers are fully pushed into their locked position after transforming to chair mode.
