DWVO MADWVx9kuK

DWVO Full Size Bed Frame with Storage, LED Lights, and Charging Station

Model: MADWVx9kuK

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Weight Capacity:** Do not load more than 1000 pounds on the bed frame. Exceeding this limit may cause structural damage or injury.
- **Sharp Edges:** Exercise caution around sharp edges during assembly and when operating the sliding storage drawers to prevent injury.
- **Assembly:** Assembly should be performed by two people. Ensure all parts are correctly aligned and securely fastened before use.
- **Electrical Safety:** Ensure the charging station is properly connected to a suitable power outlet. Do not overload the AC sockets or USB ports. Keep liquids away from electrical components.
- **Children and Pets:** Keep small parts and packaging materials away from children and pets to prevent choking hazards.
- **Mattress Compatibility:** An 8-12 inch mattress is recommended for optimal fit and comfort.

2. PACKAGE CONTENTS

Verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

Component	Quantity
Headboard with Charging Station	1
Footboard	1
Side Rails	2
Center Support Beams	Various
Slats	Various
Storage Drawers	4
Hardware Pack (screws, bolts, tools)	1
RGB LED Light Strip & Remote	1
Installation Manual	1

Note: All parts are numbered for easy identification during assembly.

3. ASSEMBLY INSTRUCTIONS

This bed frame is designed for easy assembly, typically completed by two people in approximately 30 minutes. Please follow the detailed steps provided in the included installation manual. For a visual guide, refer to the assembly video below.

Assembly Video Guide

This video demonstrates the assembly process for the DWVO Velvet Upholstered Bed Frame with Charging Station. It provides a step-by-step visual guide to help you set up your bed frame correctly.

Key Assembly Steps & Features

- Headboard Assembly:** Assemble the headboard components, including the 2-tier storage shelf and charging station. Ensure all connections are secure.
- Frame Construction:** Connect the side rails to the headboard and footboard. Install the center support beams and legs for stability.
- Slat Installation:** Place the wooden slats across the frame. These slats eliminate the need for a box spring.
- Drawer Assembly:** Assemble the four under-bed storage drawers. Attach the rollers for smooth operation.
- LED Light Installation:** Install the RGB LED light strip into the designated area on the headboard.

4. OPERATING INSTRUCTIONS

4.1 RGB LED Lights

The bed frame features RGB LED lights integrated into the headboard, offering a variety of colors and modes to enhance your bedroom ambiance. Control the lights using the included 20-key remote control or a smart APP.

- **Power On/Off:** Use the power button on the remote or app to turn the lights on or off.
- **Color Selection:** Choose from over 60,000 RGB colors to match your mood or decor.
- **Brightness Adjustment:** Adjust the brightness level to your preference.
- **Multiple Modes:** Explore various lighting modes, including static colors, dynamic transitions, and flashing effects.
- **Music Synchronization:** Activate music mode to synchronize the lights with your audio.
- **Timing Function:** Set a timer for the lights to automatically turn off.

LED Lights Demonstration Video

4.2 Charging Station

The headboard includes a built-in charging station for convenient access to power for your electronic devices.

- **AC Outlets:** Two 125V/12A AC sockets are available for standard plugs.
- **USB Ports:** Two 5V/2A USB ports are provided for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** The charging station is powered by a 5-foot power cord. Ensure it is plugged into a functional wall outlet.

2-TIER SHELF STORAGE HEADBOARD & CHARGING STATION

Image 4.2: A detailed view of the integrated charging station, showing the two AC outlets and two USB ports for convenient device charging.

4.3 Storage Drawers

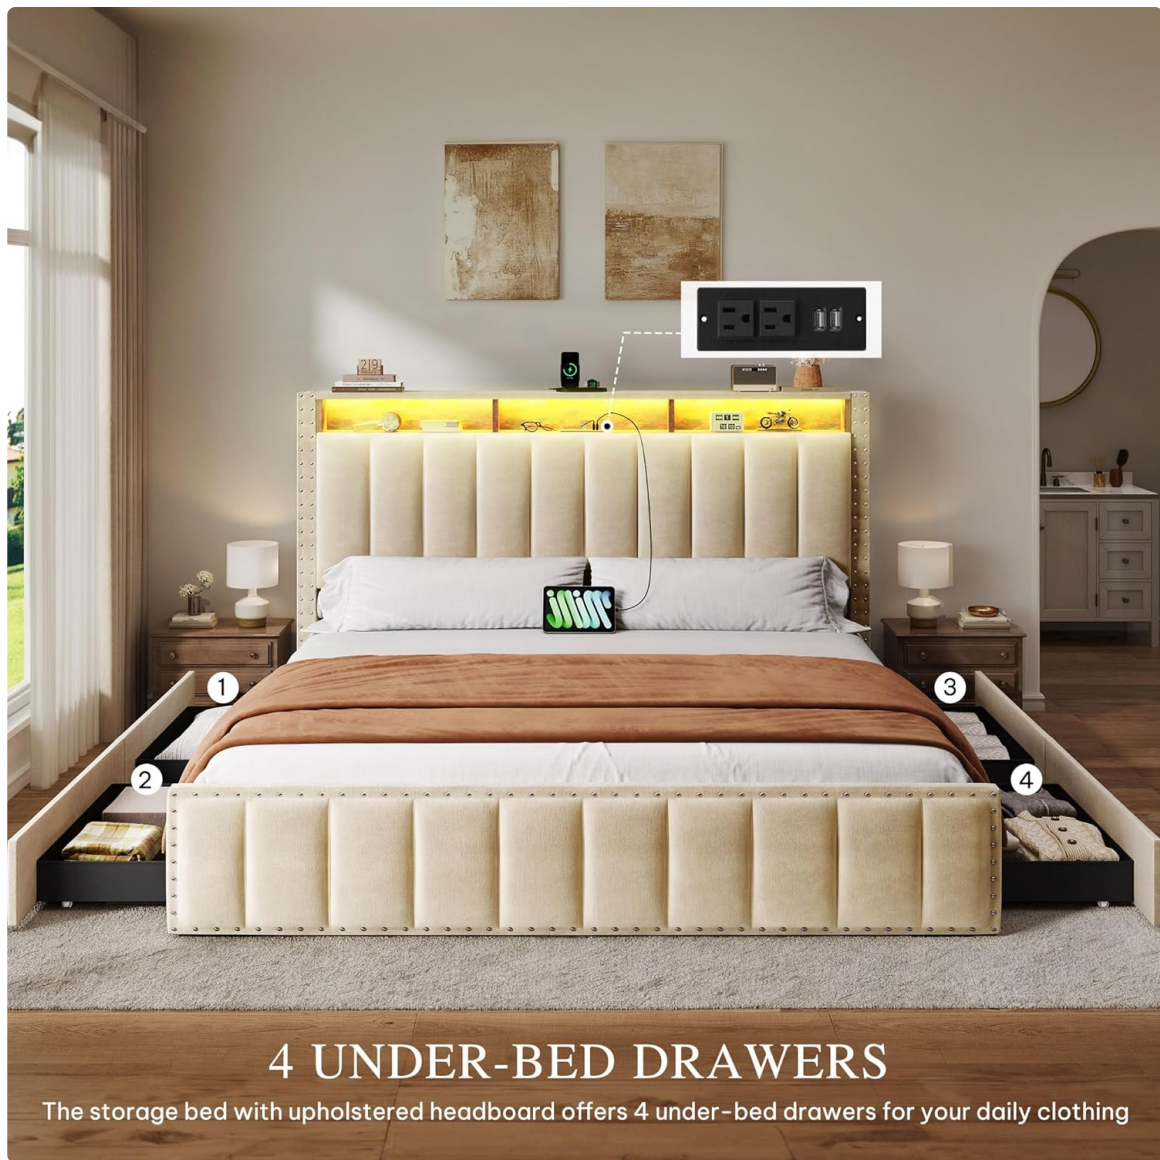

The bed frame is equipped with four under-bed storage drawers, designed to help keep your living space tidy.

- **Smooth Operation:** Each drawer is fitted with rollers for easy pulling out and pushing in.
- **Secure Placement:** A screw clamp holds each drawer in place, preventing accidental slipping.
- **Storage Capacity:** Ideal for storing extra bedding, clothing, or other personal items.

4 UNDER-BED DRAWERS WITH WHEELS

4 UNDER-BED DRAWERS

The storage bed with upholstered headboard offers 4 under-bed drawers for your daily clothing

Image 4.4: The complete bed frame with all four under-bed drawers extended, demonstrating the full storage capability.

5. MAINTENANCE

Proper maintenance will ensure the longevity and appearance of your DWVO bed frame.

- **Cleaning Upholstery:** For velvet upholstery, gently vacuum regularly to remove dust. For spills, blot immediately with a clean, dry cloth. Avoid harsh chemicals.
- **Cleaning Wood Surfaces:** Wipe wooden surfaces with a soft, damp cloth. Avoid abrasive cleaners.
- **LED Lights:** The LED lights are low maintenance. If dust accumulates, gently wipe the light strip with a dry cloth. Do not use liquid cleaners directly on the lights.
- **Charging Station:** Keep the charging ports free of dust and debris. Do not insert foreign objects into the outlets or ports.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary to maintain stability and prevent squeaking.

6. TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to the following common troubleshooting tips:

- **Squeaking Noises:**

- Ensure all bolts and screws are tightened.
- Check that the mute sponge strip on the middle beam is correctly positioned to prevent metal-on-metal friction.
- Verify that slats are properly seated in their holders.

- **LED Lights Not Working:**

- Check if the power cord for the LED lights is securely plugged into the charging station and a wall outlet.
- Ensure the remote control has working batteries and is pointed directly at the receiver.
- Try resetting the lights by unplugging and re-plugging the power cord.

- **Charging Station Not Functioning:**

- Verify that the bed frame's main power cord is securely plugged into a live wall outlet.
- Test the wall outlet with another device to ensure it is working.
- Ensure devices are properly connected to the AC sockets or USB ports.

- **Drawers Sticking or Not Sliding Smoothly:**

- Check for any obstructions under the bed or in the drawer tracks.
- Ensure the drawer rollers are clean and free of debris.
- Verify that the drawers are correctly aligned within their designated spaces.

If these steps do not resolve the issue, please contact DWVO customer support for further assistance.
