Duraflame 23MM4469-PB01S

Duraflame Electric Fireplace TV Stand

MODEL: 23MM4469-PB01S

Brand: Duraflame

Introduction

Thank you for choosing the Duraflame Electric Fireplace TV Stand. This manual provides essential information for the safe and efficient operation of your new appliance. This TV stand combines an elegant design with the warmth and ambiance of an electric fireplace, featuring modern LED accent lighting and patented safety technology. Please read all instructions carefully before assembly and use.

Important Safety Information

Your safety and the safety of others are paramount. Please adhere to the following safety guidelines:

- **Safer Plug Technology:** This product is equipped with patented Safer Plug® fire prevention technology. This system continuously monitors the temperature of the plug to prevent overheating, reducing the risk of electrical fire, circuit damage, or product damage.
- Ensure the unit is placed on a firm, level surface.
- Do not block air vents on the fireplace insert.
- Keep combustible materials at least 3 feet (0.9 meters) away from the front of the fireplace.
- Always unplug the unit before cleaning or performing maintenance.
- Do not operate the fireplace with a damaged cord or plug.

Package Contents

Verify that all components are present before beginning assembly:

- Duraflame Electric Fireplace TV Stand Unit
- Electric Fireplace Insert
- Remote Control (with 1 CR2025 Battery)
- Assembly Hardware
- User Manual (this document)

Assembly

Assembly of the Duraflame Electric Fireplace TV Stand is designed to be straightforward. It typically involves connecting pre-drilled panels using camlock screws and other provided hardware. An instruction manual with detailed diagrams is included to guide you through each step.

Estimated Assembly Time: Approximately 1-2 hours for one person.

Tools Required: Phillips head screwdriver (not included).

Operating Instructions

The Duraflame Electric Fireplace TV Stand offers various features for comfort and ambiance.

Fireplace Operation

- **Power On/Off:** Use the power button on the control panel or remote to turn the fireplace on or off.
- **3D Flame Effect:** Enjoy a realistic flame effect with adjustable settings for speed and brightness. The 3D Flame Effect can be operated independently, with or without heat, allowing for year-round ambiance.
- **Heat Settings:** The infrared fireplace warms up to 1,000 square feet. Adjust the heat output using the digital thermostat.
- **Adjustable Digital Thermostat:** Set your desired room temperature. The unit will automatically maintain this temperature.
- **Timed Heat Function:** Utilize the timer feature to set the fireplace to turn off automatically after a set period.

LED Accent Lighting

- The TV stand features modern LED accent lighting.
- Multiple LED color options are available to customize the ambiance of your space.

Figure 5: The TV stand illuminated with purple LED accent lighting.

Remote Control

- A remote control is included for convenient adjustment of all settings from your couch.
- Functions include power, flame settings, heat control, and timer.

Figure 6: The included remote control for convenient operation.

Maintenance

To ensure the longevity and optimal performance of your TV stand and fireplace, follow these simple maintenance steps:

- **Cleaning:** Dust the exterior surfaces regularly with a soft, dry cloth. For the glass doors and fireplace screen, use a glass cleaner applied to a cloth, not directly to the unit.
- **Ventilation:** Periodically check that the air intake and exhaust vents of the fireplace insert are free from dust and obstructions.
- **Power Cord:** Inspect the power cord and plug for any signs of damage. If damaged, discontinue use and contact customer support.

Troubleshooting

If you experience issues with your Duraflame Electric Fireplace TV Stand, please refer to the following common solutions:

- **No Power:** Ensure the power cord is securely plugged into a working 120V grounded outlet. Check your household circuit breaker.
- **No Heat:** Verify that the heat function is activated and the thermostat is set to a temperature higher than the current room temperature.
- **Flame Effect Not Working:** Check if the flame effect is turned on. If the unit has power but no flame, contact customer support.
- **Remote Not Working:** Replace the CR2025 battery in the remote control. Ensure there are no obstructions between the remote and the fireplace unit.

If problems persist, please contact Duraflame Customer Support.

Specifications

Feature	Detail
Brand	Duraflame
Model Name	duraflame® Electric Fireplace TV Stand with Modern LED Accent Lighting and Remote
Item Model Number	23MM4469-PB01S
Color	Black
Material	MDF, PB, Glass, Hardware Iron, Plastic
Product Dimensions	15.5"D x 59.5"W x 30.13"H
Item Weight	110 Pounds
