# knowworld 55" Black Buffet Sideboard with Power Outlets & LED Light

MODEL: 1131 - INSTRUCTION MANUAL

## Introduction

---

Thank you for choosing the knowworld 55" Black Buffet Sideboard. This versatile furniture piece is designed to enhance your living space with ample storage, integrated power outlets, and customizable LED lighting. This manual provides essential information for safe assembly, operation, and maintenance to ensure long-lasting enjoyment of your new sideboard.

## Safety Information

---

- Always unplug the power cord before cleaning or performing any maintenance.
- Do not overload the shelves.
- Use appropriate safety gear when assembling the cabinet.
- Keep the cabinet away from heat sources and moisture to prevent damage.
- Always follow the manufacturer's instructions for assembly, use, and maintenance.

## Package Contents

---

Before beginning assembly, ensure all parts are present and undamaged. Refer to the included parts list in your assembly instructions. Typical contents include:

- Wooden panels (top, bottom, sides, shelves, doors)
- Hardware kit (screws, dowels, cam locks, hinges, handles)
- Power outlet unit with LED light strip
- Assembly instruction manual

## Setup and Assembly

---

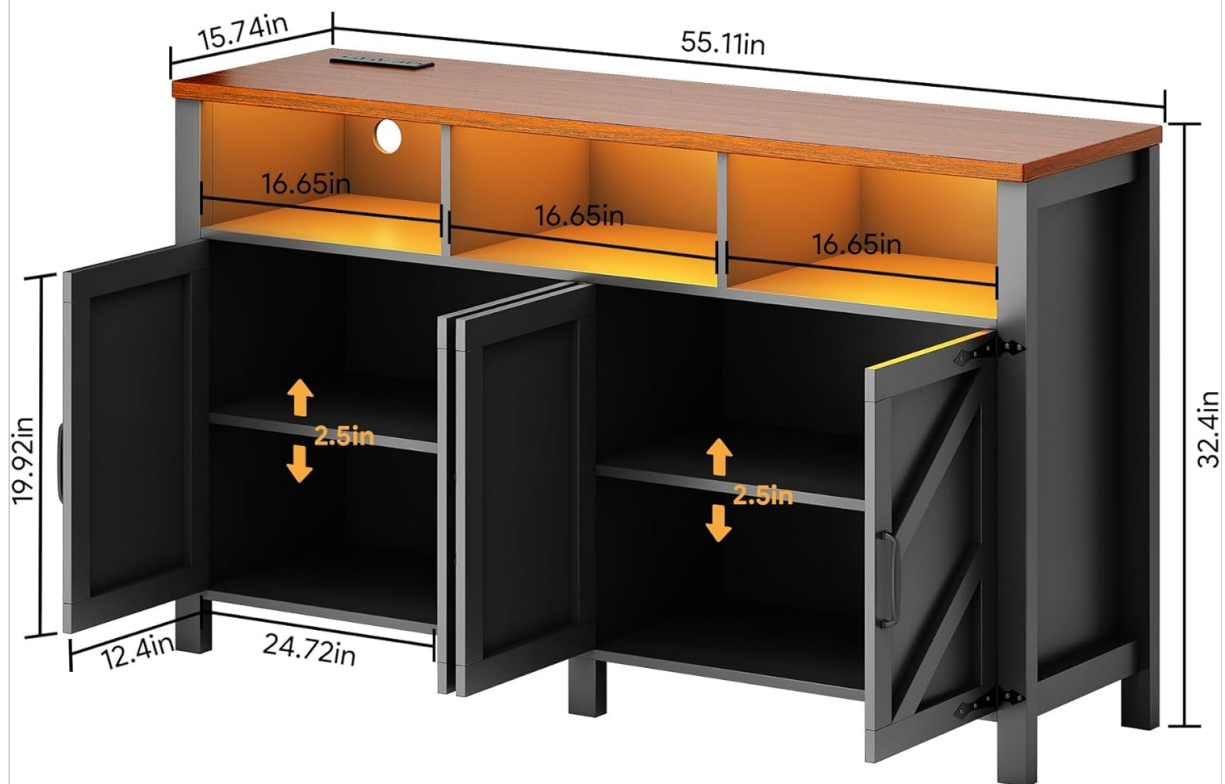

Assembly of the knowworld Buffet Sideboard is designed to be straightforward. Follow the detailed

instructions and numbered parts provided in the included assembly manual. It is recommended to have a second person assist with certain steps for ease and safety.

The fully assembled knowworld Buffet Sideboard, ready for use in a dining room.

# PRODUCT SPECIFICATIONS

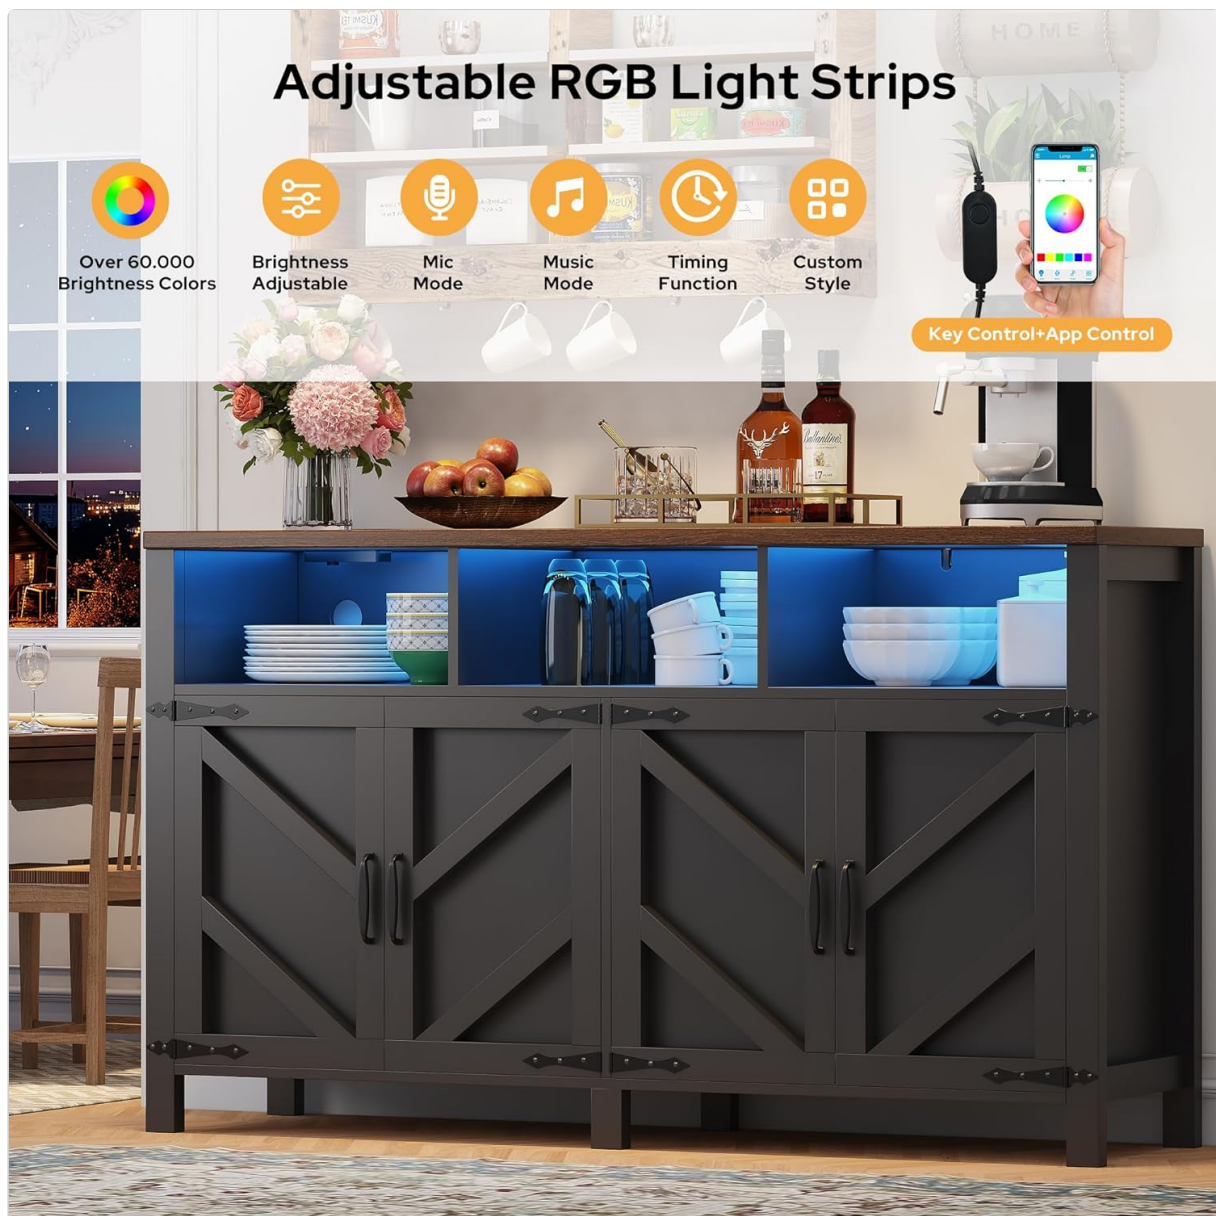

Refer to this diagram for detailed product dimensions during assembly and placement.

## Operating Instructions

### LED Lighting System

The integrated RGB lighting strips can be controlled via a smartphone app. This allows you to choose from 16 million colors, adjust brightness, and set dynamic lighting effects to create a desired ambiance in your room.

The adjustable RGB light strips can be controlled via a smartphone app for customized lighting.

### Integrated Power Outlets

The sideboard features a built-in charging station with 2 AC outlets (125V/12A 60Hz 1500W) and 2 USB ports (5V/12A Max). This provides convenient power for small appliances like coffee makers, microwaves, bread machines, or for charging mobile devices directly on the tabletop.

# BUILT-IN CHARGING STATION

 **2 AC Outlets**  
125V/12A 60Hz 1500W

 **2 USB Ports**  
5V12A MaX

 **Power Cord**  
6.6 Feet

The built-in charging station offers convenient power for various devices.

## Adjustable Shelves

The interior shelves are 3-level adjustable, allowing you to customize the storage space to accommodate items of various sizes, from small dishes to larger kitchen appliances or pantry overflow.

## Quality and Style in Details

### Adjustable Shelves

Three open storage spaces for utensils and other dining essentials. Easy access to the items you need

### Vintage Arrowhead Styled Hinges

Arrowhead hinges add a touch of vintage to a sideboard

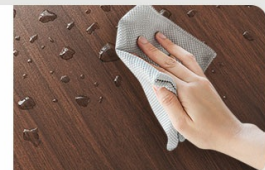

### Anti-Tip Kit

The anti-tip kit can be easily attached to the wall, creating a safer living space

### Easy to clean

The panel can be quickly cleaned by simply wiping it with a soft cloth

The adjustable shelves provide flexible storage options for items of different heights.

## Maintenance

---

To maintain the appearance and longevity of your sideboard, regularly wipe down all surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish. Promptly clean up any spills to prevent staining.

## Troubleshooting

---

- **Wobbly Cabinet:** Ensure all screws and cam locks are tightened securely. Check that the cabinet is placed on a level surface.
- **Doors Not Aligning:** Adjust the hinges as needed. Small adjustments can often correct door alignment issues.
- **LED Lights Not Working:** Check the power connection to the LED strip and ensure the smartphone app is correctly paired and functioning.
- **Power Outlets Not Functioning:** Verify the power cord is securely plugged into a working wall outlet. Check for any tripped circuit breakers.

If you encounter issues not covered here, please contact customer support.
