

Aivituvin AIR54

Aivituvin Large Catio Cat Enclosure Instruction Manual

Model: **AIR54** | Brand: **Aivituvin**

1. INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your Aivituvin Large Catio Cat Enclosure, Model AIR54. This spacious outdoor enclosure is designed to offer a safe and stimulating environment for your cats, allowing them to enjoy fresh air and outdoor views while remaining protected.

2. SAFETY INFORMATION

- Ensure all components are securely fastened during assembly to prevent instability.
- Place the catio on a level, stable surface to avoid tipping.
- Regularly inspect the enclosure for any signs of wear, damage, or loose parts. Tighten screws and repair any damage promptly.
- Keep small children away from the assembly area.
- Do not allow children to climb on or play inside the catio unsupervised.
- This product is intended for animal use only.

3. PACKAGE CONTENTS

The Aivituvin Large Catio Cat Enclosure ships in two separate boxes. Please ensure you have received both packages before beginning assembly. All necessary hardware and components are included. Refer to the detailed [Installation Manual \(PDF\)](#) for a complete list of parts and diagrams.

4. SETUP AND ASSEMBLY

Assembly of the Aivituvin Catio requires careful attention to the provided instructions. Pre-drilled holes and clear, step-by-step guidance are designed to facilitate the process. It is recommended to have two people for assembly due to the size of the components.

4.1 General Assembly Steps

1. Unpack all components from both boxes and verify against the parts list in the PDF manual.
2. Identify all wooden panels, wire mesh sections, and hardware. Components are typically labeled.
3. Follow the sequential steps in the [Installation Manual \(PDF\)](#) to connect the panels and construct the frame.
4. Attach the wire mesh sections and secure all platforms.
5. Install the weatherproof roof, ensuring it is properly aligned for rain protection.
6. For indoor-outdoor access, a section of the wire mesh can be removed to align with a window or pet door.

4.2 Assembly Video Guide

For a visual guide on the assembly process, please refer to the official installation video:

5. OPERATING INSTRUCTIONS

The Aivituvin Catio is designed for ease of use and to provide a stimulating environment for your cats.

5.1 Cat Access and Movement

- **Indoor-Outdoor Connection:** Utilize the removable mesh section to connect the catio directly to a window or pet door, allowing your cats free access between your home and the enclosure.
- **Multi-Level Platforms:** The catio features multiple sturdy platforms for climbing, jumping, and resting, encouraging natural feline behaviors and exercise.
- **Visualization Windows:** Two clear acrylic windows allow you to observe your cats without disturbing them.

6. MAINTENANCE

Regular maintenance will extend the lifespan of your Aivituvin Catio and ensure a safe environment for your pets.

- **Cleaning:** Clean the wooden surfaces and wire mesh periodically with a pet-safe cleaner and water. Avoid harsh chemicals that could harm your pets or damage the wood.

- **Inspection:** Routinely check all screws, bolts, and latches to ensure they are tight and secure. Inspect the wire mesh for any damage or sharp edges.
- **Roof Care:** The weatherproof roof is designed to protect against sun and rain. Periodically check for any debris accumulation or damage to maintain its effectiveness.

7. TROUBLESHOOTING

- **Instability:** If the catio feels wobbly after assembly, re-check all connections and ensure screws are fully tightened. Verify that the catio is placed on a flat, even surface.
- **Missing or Damaged Parts:** If you discover any missing or damaged parts upon unpacking, please contact Aivituvn customer support immediately for assistance.
- **Difficulty with Assembly:** Refer back to the [Installation Manual \(PDF\)](#) and the assembly video for detailed visual guidance. Ensure all parts are oriented correctly as per the diagrams.

8. SPECIFICATIONS

Feature	Detail
