SENMO XY-611

SENMO XY-611 14-in-1 Steam Mop and Handheld Cleaner User Manual

Model: XY-611 | Brand: SENMO

1. IMPORTANT SAFETY INSTRUCTIONS

Please read and understand all safety instructions before using the SENMO Steam Mop. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- Ensure hands and the power outlet are dry before connecting the power supply.
- Fill the water tank with clean water only. Do not add chemicals, detergents, or other liquids.
- Do not direct steam at people, pets, or plants. Use steam only on surfaces being cleaned.
- Do not touch hot parts of the appliance. Unplug the unit and allow it to cool completely before handling attachments or performing maintenance.
- Always attach the mop pad before use. Do not operate the steam mop without a pad.
- When cleaning carpets, ensure the carpet glider is attached to the mop head.
- Do not leave the unit unattended while it is plugged in or operating. Always cut off power when not in use.

2. PRODUCT OVERVIEW

The SENMO XY-611 is a versatile 14-in-1 steam mop and detachable handheld cleaner designed for deep cleaning various surfaces using high-temperature steam without chemicals.

Key Features:

- **14-in-1 Versatility:** Functions as a steam mop for floors and a handheld steam cleaner for multiple surfaces.
- **Powerful Steam:** 1300W heating element generates steam up to 228°F (109°C) for effective cleaning.
- **Fast Heat-Up:** Ready to use in 20-30 seconds.
- **Chemical-Free Cleaning:** Uses only water, safe for homes with children and pets.

- **Dual Steam Modes:** Low steam for delicate surfaces, High steam for tough grime.
- **Large Water Tank:** 400ml capacity provides up to 26 minutes of continuous steam.
- **Long Power Cord:** 16ft cable for extended reach.
- **Flexible Mop Head:** 90° rotating head for easy maneuverability.

3. ASSEMBLY

1. **Attach Handle:** Press the side button on the handle and insert it into the extension tube. Ensure the tube direction is correct for easy cord wrapping.
2. **Connect to Body:** Insert the assembled handle and extension tube into the main body of the steam cleaner.
3. **Attach Mop Head:** Align the mop head with the main body and push down until it clicks securely into

place.

4. **Attach Cloth Pad:** Press the microfiber cloth pad firmly onto the bottom of the mop head to secure it.
5. **Fill Water Tank:** Open the water tank cap and fill with clean water using the provided measuring cup. Close the cap securely.
6. **Plug In:** Plug the power cord into a suitable electrical outlet. The unit will begin preheating automatically.

4. OPERATION

4.1 Power On and Steam Selection

- After plugging in, the unit will preheat for approximately 20-30 seconds. The indicator light will flash red during preheating and turn solid red when ready.
- To start steaming, press and hold the steam button for 3 seconds.
- Short press the steam button to switch between Low steam (for delicate surfaces) and High steam (for stubborn stains).

4.2 Floor Cleaning

The steam mop is suitable for various floor types including hardwood, tile, vinyl, marble, laminate, and stone. For carpet cleaning, attach the carpet glider.

5. USING AS A HANDHELD STEAM CLEANER

The main unit detaches from the mop handle to become a versatile handheld steam cleaner. Attach the appropriate nozzle or brush for specific cleaning tasks.

Common Handheld Applications:

- **Kitchen:** Clean stovetops, ovens, countertops, and sinks using the stainless steel brush or scoop nozzle.
- **Bathroom:** Sanitize tiles, grout, faucets, and toilets with the grout brush or angle nozzle.
- **Windows & Glass:** Use the window scraper and cleaning cloth for streak-free windows.
- **Upholstery & Fabrics:** Freshen up sofas, curtains, and pet areas with the ironing brush and cloth cover.
- **Detail Cleaning:** Utilize various nylon brushes and nozzles for intricate areas or tough spots.

Safe for Whole Family
