

OURPIC Bed Frame

OURPIC Queen Size Upholstered Platform Bed Frame

Model: Bed Frame | Brand: OURPIC

PRODUCT OVERVIEW

The OURPIC Queen Size Upholstered Platform Bed Frame is designed for comfort and convenience, integrating modern features such as RGB LED lighting and a built-in charging station. This bed frame offers a sturdy foundation for your mattress without the need for a box spring, thanks to its durable metal and solid wood slat construction. The upholstered headboard provides adjustable height and a two-tier storage shelf, enhancing both functionality and aesthetic appeal.

- **RGB LED Lighting:** Integrated light strip controllable via remote or mobile app, offering over 60,000 colors, dynamic modes, music sync, and a timer function.
- **Fast Charging Station:** Headboard includes 2 USB ports and 1 Type-C port for convenient device charging.
- **Adjustable Upholstered Headboard:** Height can be adjusted to accommodate various mattress thicknesses and preferences.
- **Integrated Storage:** A 2-tier shelf on the headboard provides easy access to essentials, and ample under-bed space is available for storage.
- **Noise-free Design:** Features soft plastic spacers to prevent metal-on-metal contact, ensuring quiet operation.
- **Sturdy Construction:** Combines premium metal and solid wood slats, supporting up to 1200 lbs.

SETUP INSTRUCTIONS

Assembly of the OURPIC Queen Size Bed Frame is designed to be straightforward, with all parts clearly labeled and packed in a single box. It typically takes under 45 minutes to assemble without requiring additional tools.

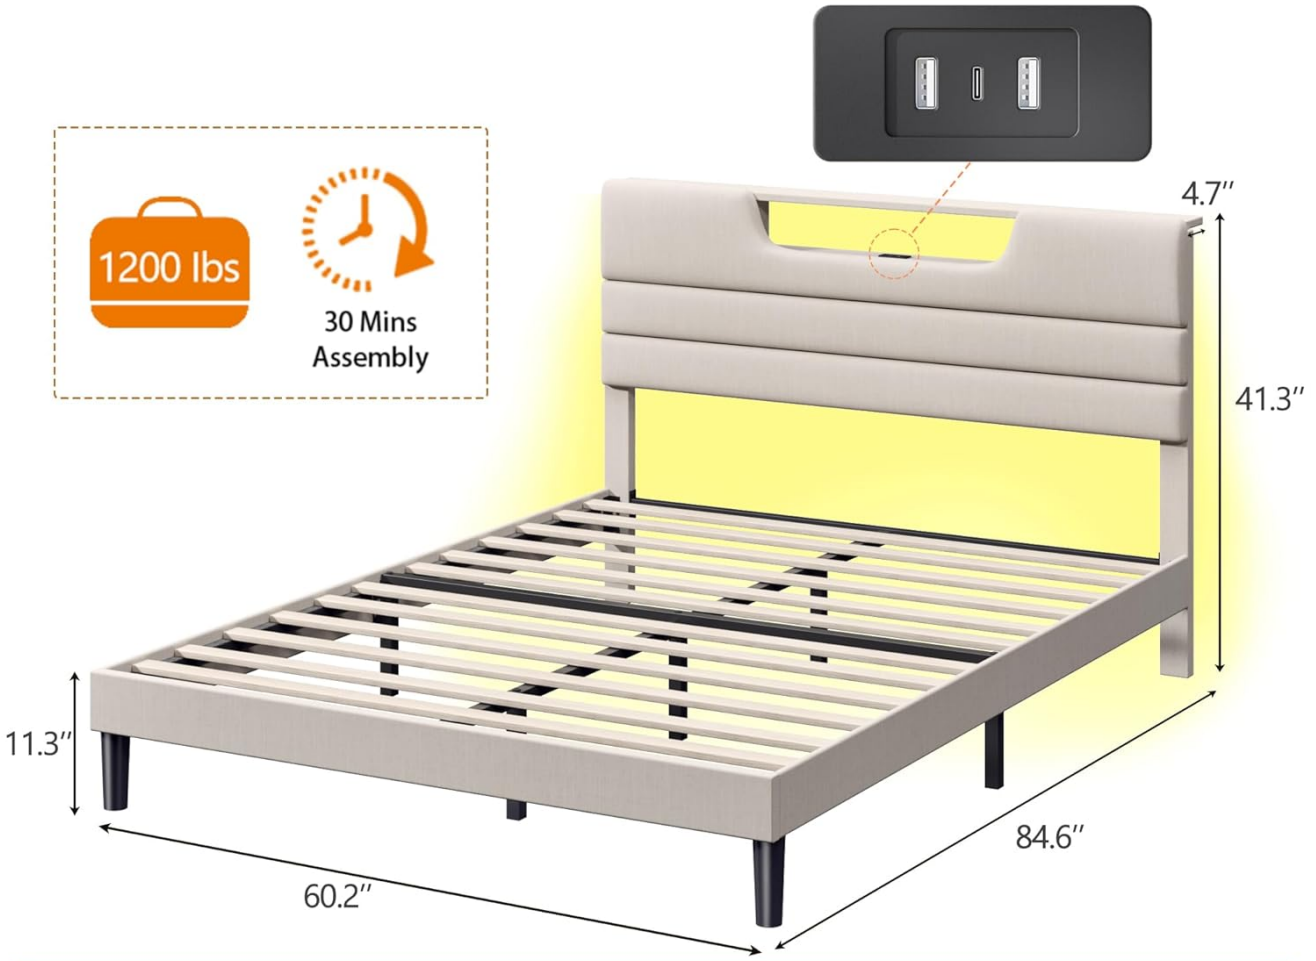

Unboxing and Parts Identification

Carefully unpack all components from the box. Verify that all parts listed in the instruction manual are present and undamaged. The package includes the bed frame components, wooden slats, and a toolkit with necessary screws and an Allen wrench.

OPERATING INSTRUCTIONS

LED Lighting Control

The integrated RGB LED light strip can be controlled using the included remote or a mobile application. Use the remote to select from over 60,000 colors, adjust brightness, and choose from various dynamic modes including Style Mode for custom scenes, Music Mode that syncs with audio, and a Timer Function for automated shutoff.

MAINTENANCE

Cleaning

For the upholstered headboard, gently spot clean with a damp cloth and mild detergent as needed. Avoid harsh chemicals that may damage the fabric. The metal frame can be wiped down with a soft, dry cloth. The under-bed clearance of 6.3 inches allows for easy cleaning with most robot vacuums.

Noise Reduction

The bed frame is designed with soft plastic spacers between connecting rods and the frame to minimize metal-on-metal contact, ensuring a quiet and squeak-free experience. Regularly check that all connections are secure to maintain this noise-free operation.

TROUBLESHOOTING

- **Misaligned Screw Holes:** If screw holes do not align perfectly during assembly, re-check the orientation of the parts. Sometimes, loosening adjacent screws slightly can provide enough flexibility to align the problematic holes. Avoid forcing screws, as this can damage the frame.
- **Mattress Thickness:** The adjustable headboard is designed to accommodate mattress thicknesses. If your mattress is too thin or too thick, adjust the headboard height accordingly.
- **Squeaking Noises:** Although designed to be noise-free, if squeaking occurs, inspect all connections and tighten any loose screws. Ensure the plastic spacers are correctly positioned between metal parts.

SPECIFICATIONS

Feature	Detail
Size	Queen
Product Dimensions	86"L x 76"W x 42"H
Special Features	LED Lights, Industrial Storage Headboard with Charging Station, USB Port
Color	Beige
Material	Metal, Wood, Fabric/Padding over Metal
Weight Capacity	Up to 1200 lbs
Assembly Required	Yes (Approx. 45 minutes)

IMPORTANT SAFETY INFORMATION

Always ensure that the mattress and bedding used with this bed frame comply with safety standards to prevent entrapment risks. Do not cover the USB ports or LED lights to prevent electrical hazards. Always follow the assembly instructions carefully to ensure the bed frame is stable and secure. Keep the bed frame away from heat sources and do not place heavy objects on the headboard to prevent it from tipping over.
