TG BLOCKS 30002

TG BLOCKS Micro Brick Car Transporter Building Set Instruction Manual

Model: 30002

Introduction

This manual provides detailed instructions for assembling, operating, and maintaining your TG BLOCKS Micro Brick Car Transporter with 3 Sports Cars Building Set. Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience.

Safety Information

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.
This building set contains small parts which may pose a choking hazard. Adult supervision is recommended, especially for younger builders. Keep all parts out of reach of small children.

Package Contents

Your TG BLOCKS Micro Brick Car Transporter Building Set includes:

- 1736 Micro Brick pieces for the car transporter and three sports cars.
- Detailed instruction booklet for assembly (physical copy included in box).

The complete TG BLOCKS Car Transporter set, featuring the red truck and three distinct sports cars (green, blue, and yellow).

Setup and Assembly

Assembly of the Micro Brick Car Transporter and sports cars requires careful attention to the included physical instruction booklet. Follow the step-by-step diagrams provided in the booklet.

1. **Unpack all components:** Carefully open the packaging and lay out all brick bags.
2. **Organize pieces:** Sort pieces by color and type to facilitate easier assembly.
3. **Follow the instruction booklet:** Refer to the detailed, step-by-step diagrams in the physical instruction booklet to construct the car transporter and the three sports cars.
4. **Verify piece count:** Before starting, ensure all 1736 pieces are present. If any pieces are missing, refer to the Troubleshooting section.

This diagram illustrates the dimensions of the assembled car transporter and the three sports cars, along with a comparison of micro block sizes.

Operating Instructions

Once assembled, the Car Transporter offers interactive features for play.

- **Loading Sports Cars:** Utilize the adjustable loading ramp at the rear of the transporter to drive or place the sports cars onto the lower deck.
- **Securing Cars:** Position the sports cars securely on both the upper and lower decks of the transporter.
- **Cabin Access:** The truck's cabin doors can be opened to reveal a detailed interior, allowing for imaginative play with the driver's seat and controls.
- **Engine Hood:** The engine hood can be opened to simulate maintenance or inspection.

Detailed views of the car transporter's functional features, including the realistic engine hood, opening cabin doors, and the adjustable loading ramp for vehicle transport.

Children engaging in play, demonstrating the loading of a sports car onto the transporter's ramp.

Maintenance

To ensure the longevity and appearance of your building set:

- **Cleaning:** Gently wipe the bricks with a soft, dry cloth to remove dust. For stubborn dirt, use a slightly damp cloth and mild soap, then dry thoroughly. Avoid harsh chemicals.
- **Storage:** Store the assembled model or individual bricks in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- **Disassembly:** If disassembling, keep all pieces organized to prevent loss and facilitate future reassembly.

Troubleshooting

Problem	Solution

Problem	Solution
Missing pieces	Carefully check all packaging and surrounding areas. If pieces are still missing, contact TG BLOCKS customer support for assistance.
Difficulty connecting pieces	Ensure pieces are correctly oriented according to the instruction booklet. Apply firm, even pressure. Micro bricks can sometimes require more force than larger blocks.
Model does not hold together	Double-check previous steps in the instruction booklet to ensure all connections are made correctly and securely. Incorrectly placed pieces can affect structural integrity.

Specifications

Feature	Detail
Product Name	Micro Brick Car Transporter with 3 Sports Cars Building Set
Brand	TG BLOCKS
Model Number	30002
