

## Tribesigns YS0270

# Tribesigns 180 cm Large Computer Desk (Model YS0270)

Instruction Manual

## 1. INTRODUCTION

---

Thank you for choosing the Tribesigns 180 cm Large Computer Desk, Model YS0270. This desk is designed to provide a spacious and durable workstation for various environments, including home offices, studies, and professional workplaces. Its industrial design, featuring a black wood grain finish and a robust metal frame, offers both style and stability. This manual provides essential information for assembly, usage, maintenance, and troubleshooting to ensure a long-lasting and satisfactory experience with your new desk.

## 2. SAFETY INFORMATION

---

- Read all instructions carefully before assembly and use.
- Ensure all components are securely fastened before placing items on the desk.
- Do not exceed the maximum weight recommendation of 200 pounds (approximately 90 kg).
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Assemble the desk on a soft, clean surface to prevent scratches.
- If any parts are missing or damaged, do not proceed with assembly. Contact customer service immediately.

## 3. PACKAGE CONTENTS

---

Please verify that all components listed below are present before beginning assembly. All necessary tools are included in the package.

- Desk Top Panels (2 spliced panels)
- Metal Frame Legs (2 units)
- Support Beams/Crossbars
- Assembly Hardware (screws, bolts, washers, Allen wrench)
- Instruction Manual

## 4. SETUP AND ASSEMBLY INSTRUCTIONS

The Tribesigns 180 cm Large Computer Desk is designed for easy assembly. Follow these steps carefully to ensure proper construction.

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent damage. Verify all parts are present against the package contents list.
2. **Attach Support Beams to Legs:** Connect the support beams to the metal frame legs using the provided hardware. Ensure all screws are finger-tight at this stage.
3. **Assemble Desk Top:** If the desk top consists of two spliced panels, align them carefully and secure them together using the designated connectors or hardware.
4. **Attach Desk Top to Frame:** Carefully place the assembled desk top onto the metal frame. Align the pre-drilled holes on the desk top with the holes on the frame. Secure the desk top to the frame using the remaining hardware.
5. **Tighten All Fasteners:** Once all components are in place, systematically tighten all screws and bolts using the included Allen wrench. Do not overtighten.
6. **Final Check:** Gently shake the desk to ensure it is stable. If any wobbling occurs, re-check all connections and tighten as necessary.

For visual guidance, refer to the detailed assembly diagrams provided in the separate assembly guide included with your product.

## 5. OPERATING AND USAGE

This desk is designed for versatile use in various settings. Its generous dimensions (180 cm W x 60 cm D x 76 cm H) provide ample space for multiple applications.

- **Workstation:** Accommodates multiple monitors, laptops, keyboards, and other office essentials comfortably.
- **Dual Workstation:** The extra-long design allows two individuals to work side-by-side with sufficient personal space.
- **Conference Table:** Can serve as a compact conference or meeting table, seating up to 6-8 people depending on chair size.
- **Gaming Setup:** Provides a stable and spacious surface for gaming monitors, consoles, and accessories.

Image 5.2: The desk configured as a meeting or conference table, demonstrating its capacity for collaborative use.

## 6. MAINTENANCE

---

To maintain the appearance and longevity of your Tribesigns desk, follow these simple care instructions:

- **Cleaning:** Wipe the desk surface and frame with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood material.
- **Heat Protection:** Use coasters or protective pads under hot items to prevent heat marks.
- **Regular Checks:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain stability.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your desk, refer to the following common troubleshooting tips:

- **Desk is Wobbly:** Ensure all screws and bolts are fully tightened. Check that the desk is on a level surface.

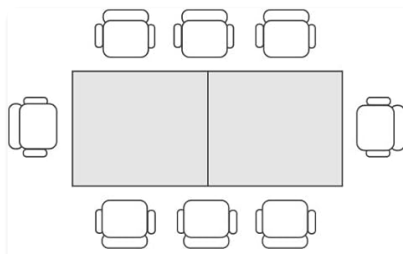

If not, consider using furniture pads to stabilize.

- **Missing Parts:** If any parts were missing upon arrival, do not attempt to substitute. Contact Tribesigns customer service for replacement parts.
- **Scratches/Damage:** For minor scratches, furniture repair markers or wood fillers may be used. For significant damage, contact customer service.
- **Assembly Difficulties:** Review the assembly instructions carefully. If you are still having trouble, contact customer service for assistance.
