## FACBOTALL FPB-11

# FACBOTALL 73" Tall Pantry Cabinet with Microwave Stand (Model FPB-11) User Manual

Comprehensive instructions for assembly, operation, and maintenance.

## 1. INTRODUCTION

---

Thank you for choosing the FACBOTALL 73" Tall Pantry Cabinet with Microwave Stand, Model FPB-11. This manual provides essential information for the safe assembly, proper use, and effective maintenance of your new cabinet. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

This versatile storage solution is designed to enhance your kitchen, dining room, or living area with its functional design, including adjustable shelves, smooth-gliding drawers, a spacious countertop, and integrated hooks.

## 2. SAFETY INFORMATION

---

- **Read all instructions:** Ensure you understand all assembly steps and safety warnings before proceeding.
- **Two-person assembly:** Assembly is recommended with two adults to prevent injury and ensure proper construction.
- **Use correct tools:** Ensure you have the necessary tools as specified in the assembly section.
- **Secure anti-tip devices:** Always install the provided anti-tip devices to prevent the cabinet from tipping over, especially in households with children or pets.
- **Weight limits:** Do not exceed the specified weight limits for shelves and drawers. Refer to the Specifications section for details.
- **Placement:** Place the cabinet on a flat, stable, and level surface.
- **Electrical appliances:** When placing electrical appliances on the countertop, ensure proper ventilation and use the provided wiring holes to manage cords safely.

### 3. PACKAGE CONTENTS

---

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Pantry Cabinet Panels (various sizes)
- Wooden Boards (shelves, back panels)
- Hardware Pack (screws, dowels, cam locks, hinges, drawer slides, handles, anti-tip kit)
- Detachable Hooks (11 pieces)
- Instruction Manual

### 4. ASSEMBLY INSTRUCTIONS

---

Follow these steps carefully. All parts are numbered, and pre-drilled holes are provided for ease of assembly. A Phillips head screwdriver and a hammer (not included) may be required.

#### 4.1. Prepare Your Workspace

Clear a spacious area. Lay out all components on a soft, clean surface (e.g., a blanket or cardboard) to prevent scratches.

#### 4.2. Assemble the Base Cabinet

1. Attach the side panels to the bottom panel using the provided dowels and cam locks.
2. Insert the fixed shelf into the designated slots.
3. Secure the back panel to the assembled frame.

#### 4.3. Install Drawers

Assemble the two drawers according to the diagram. Attach the drawer slides to both the drawer sides and the cabinet frame.

**Figure 4.3.1:** Assembled drawer. The cabinet includes two such drawers for storage.

1. Slide the assembled drawers into their respective tracks.

#### 4.4. Attach Doors

Mount the hinges to the cabinet doors and then attach the doors to the base cabinet. Adjust hinges as needed for proper alignment.

**Figure 4.4.1:** Example of a hinge mechanism for cabinet doors.

#### **4.5. Assemble the Top Hutch**

1. Connect the hutch side panels to the top and bottom hutch panels.
2. Insert the adjustable shelves into the desired positions.
3. Attach the back panel of the hutch.

**Figure 4.5.1:** Adjustable shelf pin holes for customizable storage.

#### **4.6. Combine Base and Hutch**

1. Carefully place the assembled hutch onto the base cabinet, aligning the pre-drilled holes.
2. Secure the hutch to the base using the designated fasteners.

#### **4.7. Install Hooks and Anti-Tip Devices**

1. Insert the detachable hooks into the pre-drilled holes beneath the microwave stand area.
2. Attach the anti-tip devices to the top rear of the cabinet and secure them to a wall stud according to the instructions provided with the anti-tip kit. This step is crucial for safety.

## 5. OPERATING INSTRUCTIONS

This cabinet offers various storage options. Utilize them according to your needs.

### 5.1. Adjustable Shelves

The shelves in the lower cabinet and upper hutch are adjustable. To change a shelf's height, remove all items from the shelf, lift the shelf, remove the shelf pins from their current holes, reposition them to the desired height, and then place the shelf back onto the pins. Ensure all four pins are securely in place before loading the shelf.

### 5.2. Drawers

The two drawers are designed for smooth operation. Pull the handles gently to open and push to close. Avoid forcing the drawers, especially when heavily loaded, to prevent damage to the slides.

### 5.3. Microwave Stand / Countertop Area

The spacious countertop is suitable for placing small appliances such as a microwave, coffee maker, or toaster. Utilize the cable holes on the back panel to route power cords, keeping the area tidy and organized. Ensure appliances have adequate ventilation as per their own instruction manuals.

Figure 5.3.1: Microwave stand area with cable management hole.

### 5.4. Detachable Hooks

The 11 detachable hooks can be used to hang mugs, utensils, or other small items. Ensure items hung do not exceed the weight capacity of the hooks and do not obstruct the operation of the drawers or doors.

## 6. MAINTENANCE AND CARE

---

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish. Dry immediately with a clean cloth.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten as necessary.
- **Sunlight and Heat:** Avoid prolonged exposure to direct sunlight or extreme heat, which can cause fading or warping.

## 7. TROUBLESHOOTING

---

- **Cabinet is wobbly:**
  - Ensure all fasteners are securely tightened.
  - Verify the cabinet is on a level surface. Use shims if necessary.
  - Confirm anti-tip devices are properly installed and secured to the wall.
- **Drawers do not slide smoothly:**
  - Check that the drawer slides are correctly installed and aligned.
  - Ensure drawers are not overloaded.
  - Clean the drawer tracks of any debris.
- **Doors are misaligned:**
  - Adjust the hinges using a screwdriver. Most hinges allow for minor adjustments in multiple directions.

## 8. SPECIFICATIONS

---

Feature	Detail
Brand	FACBOTALL
Model Number	FPB-11
Color	White
Product Dimensions (D x W x H)	15.7"D x 41.3"W x 73"H
