

Monster W39

Monster N-Lite 211 Wireless Earbuds User Manual

Model: W39 / MH22229

INTRODUCTION

This manual provides detailed instructions for the Monster N-Lite 211 Wireless Earbuds. Please read this manual carefully before using the product to ensure proper operation and to maximize your listening experience.

1. SETUP

1.1 Package Contents

Verify that all items are present in the package:

- Monster N-Lite 211 Wireless Earbuds
- Charging Case
- USB Charging Cable
- User Manual

1.2 Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case.

1. Place the earbuds into the charging case. Ensure they are correctly seated.
2. Connect the USB charging cable to the charging port on the case and to a power source.
3. The LED power display on the charging case will show the battery percentage. It will flash from 1-100 during charging.
4. Once fully charged, the display will show 100.

Image: Monster N-Lite 211 Earbuds in their charging case, displaying the digital battery percentage on the front LED screen. The earbuds are black with gold accents.

A full charge provides approximately 6-7 hours of listening time for the earbuds, with the charging case extending total battery life up to 36 hours.

1.3 Pairing with a Device

To pair your earbuds with a Bluetooth-enabled device:

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, computer), enable Bluetooth.
3. Search for available Bluetooth devices and select "Monster N-Lite 211" from the list.
4. Once connected, a voice prompt will confirm successful pairing.
5. The earbuds will automatically reconnect to the last paired device when removed from the case, if Bluetooth is enabled on the device.

Bluetooth 6.0 for Fast & Stable Connection

The upgraded Bluetooth 6.0 chip offers faster connections, lower power consumption, and quicker data transmission.

2.2 Touch Controls

The Monster N-Lite 211 earbuds feature intuitive touch controls on each earbud. The following table outlines the functions:

Action	Function
Single Tap (Left/Right)	Play/Pause Music, Answer/End Call
Double Tap (Right)	Next Track
Double Tap (Left)	Previous Track
Triple Tap (Left/Right)	Activate Voice Assistant
Long Press (2 seconds)	Reject Call

2.3 Noise Cancellation (ENC)

The earbuds are equipped with an Environmental Noise Cancellation (ENC) chip to reduce background noise during calls, ensuring clear communication.

Built-in ENC Noise Reduction Chip

Effectively reduce environmental issues and ensure clear call quality. Minimize environmental noise for crisp, clear call quality.

3. MAINTENANCE

3.1 Cleaning

- Use a soft, dry, lint-free cloth to clean the earbuds and charging case.
- Do not use harsh chemicals, cleaning solvents, or strong detergents.
- Gently remove any earwax or debris from the eartips and speaker mesh using a small, soft brush or cotton swab.

3.2 Water Resistance

The Monster N-Lite 211 earbuds feature IPX5 water resistance, protecting them from sweat and splashes. They are

not designed for submersion in water.

- Avoid exposing the charging case to water.
- Do not wear the earbuds while swimming or showering.
- If the earbuds get wet, wipe them dry before placing them back in the charging case.
