BORNOON BRN-Shoe Cabinet

BORNOON 3-Drawer with Mirror Slim Shoe Cabinet Instruction Manual

Brand: BORNOON | Model: BRN-Shoe Cabinet

1. PRODUCT OVERVIEW

The BORNOON 3-Drawer with Mirror Slim Shoe Cabinet is a freestanding shoe rack organizer designed for space-saving storage in entryways, hallways, bedrooms, or living rooms. It features three flip-down drawers with mirrored fronts, offering both practical storage and a stylish aesthetic. This cabinet is crafted from engineered wood with a smooth laminated finish, ensuring durability and ease of maintenance.

Key Features:

- **Integrated Mirror:** A spacious full-length mirror on the drawer fronts allows for convenient outfit checks.
- **Large Capacity:** Measures 9.45" D x 31.5" W x 47.24" H, providing storage for 18-24 pairs of shoes, depending on size.
- **Space-Saving Design:** Slim profile and hidden flip-drawer mechanism are ideal for narrow spaces.
- **Dual Safety Enhancements:** Includes an anti-tipping device and a drawer-catch mechanism for enhanced stability.
- **Adjustable Shelves:** Internal shelves within each flip-drawer can be adjusted or removed to accommodate various shoe types and sizes, including boots.

2. SAFETY INFORMATION

For optimal safety and stability, especially in households with children or pets, it is highly recommended to secure the shoe cabinet to a wall using the provided anti-tipping device. The cabinet also features a drawer-catch mechanism to prevent accidental opening or tipping when drawers are extended.

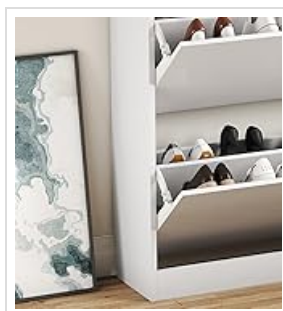

Image: Anti-Tipping Device. This image shows a close-up of the anti-tipping mechanism, highlighting its secure attachment to the wall and the top of the cabinet for enhanced stability.

3. COMPONENTS AND PACKAGING

The BORNOON shoe cabinet is delivered with all necessary parts and hardware for assembly. Each component is clearly labeled to facilitate a smooth and straightforward setup process. Please ensure all parts are present before beginning assembly.

4. ASSEMBLY INSTRUCTIONS

Assembly of the BORNOON shoe cabinet is designed to be effortless. All parts are clearly labeled, and easy-to-follow instructions are included in the package. An Allen wrench is provided for assembly. It is recommended to have a power drill for screws, though not strictly necessary. Estimated assembly time is approximately 45 minutes to 1.5 hours for one person.

General Steps:

1. Unpack all components and verify against the parts list.
2. Follow the step-by-step diagrams in the provided manual to connect the main frame pieces.
3. Assemble the flip-down drawer mechanisms.
4. Install the adjustable shelves within each drawer.
5. Attach the mirrored drawer fronts.
6. Secure the anti-tipping device to a wall stud for stability.

For detailed, step-by-step instructions, please refer to the assembly manual included in your product packaging.

5. OPERATING INSTRUCTIONS

The BORNOON shoe cabinet features a user-friendly design for accessing and storing your footwear.

Using the Flip-Down Drawers:

- To open a drawer, gently pull the hidden handle located at the top edge of each drawer front. The drawer will flip down, revealing two tiers for shoe storage.
- To close, push the drawer back up until it clicks securely into place. The drawer-catch mechanism ensures it remains closed.

Adjusting Internal Shelves:

- Each flip-drawer contains internal shelves that can be adjusted to different heights or removed entirely.
- To adjust, carefully unclip the shelf from its current position and re-insert it into the desired slot. This allows accommodation for taller footwear like boots or high heels.

Perfect for all kinds of shoes

Image: Open Drawers with Shoes. This image shows the shoe cabinet with all three flip-down drawers open, displaying multiple pairs of shoes neatly organized on the internal shelves.

6. MAINTENANCE

To maintain the appearance and longevity of your BORNOON shoe cabinet, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the laminated finish.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth to prevent dust buildup, especially on the mirrored surfaces.
- **Spills:** Promptly clean any spills to prevent staining or damage to the engineered wood.

7. TROUBLESHOOTING

Uneven Cabinet:

- If the cabinet appears wobbly or uneven, check the adjustable feet at the bottom. Rotate each foot to raise or lower the corner until the cabinet is level and stable on your floor surface.

8. PRODUCT SPECIFICATIONS

Specification	Detail
Brand	BORNOON
Model Name	BRN-Shoe Cabinet
Color	Grey
Material	Engineered Wood
Product Dimensions	9.45"D x 31.5"W x 47.2"H
