4. SETUP AND INSTALLATION

Important: Professional installation is highly recommended for this product to ensure correct wiring and avoid damage to your vehicle or the device.

4.1. Wiring Diagram

Refer to the following diagram for proper connection of all cables. Ensure all connections are secure before powering on the device.

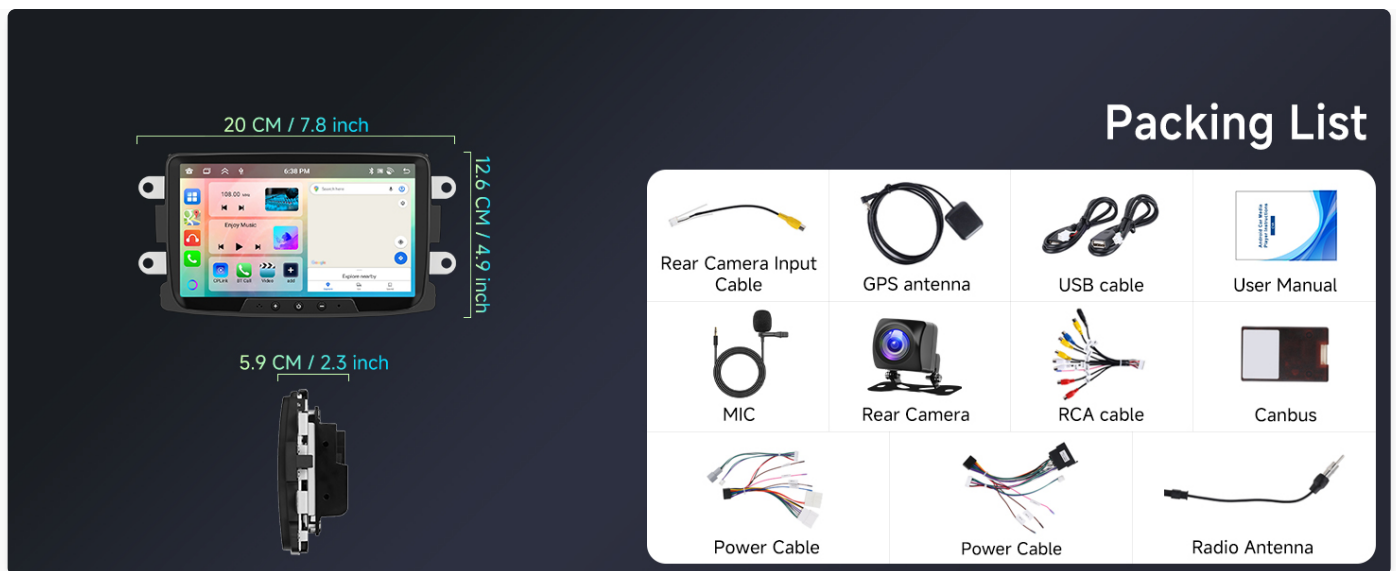

Image: Cable description and wiring connections.

1. **Power Cable:** Connects to the vehicle's power supply.
2. **RCA Cable:** For audio/video input/output.
3. **3.8Pin Canbus Plug:** Connects to the Canbus decoder for vehicle data communication.
4. **USB Cable (1):** For connecting USB devices.
5. **USB Cable (2):** For connecting additional USB devices.
6. **Rear Camera Input Cable:** Connects to the rear view camera.
7. **Radio Antenna:** Connects to the vehicle's radio antenna.
8. **GPS Antenna:** Connects for GPS signal reception.
9. **Canbus:** The Canbus decoder unit.
10. **MIC:** External microphone input.
11. **CVBS IN 1:** Composite video input.
12. **VIDEO OUT:** Video output.
13. **SUB WOOFER:** Subwoofer audio output.
14. **VIDEO IN:** Video input.
15. **AUX R IN / AUX L IN:** Auxiliary audio inputs (Right/Left).
16. **AUDIO OUT R / AUDIO OUT L:** Audio outputs (Right/Left).
17. **AMP CONT:** Amplifier control wire.

4.2. Physical Installation

After connecting all necessary cables, carefully mount the head unit into your vehicle's dashboard. Ensure it is securely fastened and does not obstruct any vehicle controls or airbags. Test all functions before fully reassembling the dashboard.

5. OPERATING INSTRUCTIONS

5.1. Android Operating System

Your Hodozzy radio runs on the latest Android 15 system, powered by an 8-core processor with 6GB RAM and 128GB internal storage. This configuration ensures a smooth and responsive user experience for all applications and features.

Image: High-speed processor and memory configuration.

5.2. Wireless CarPlay, Android Auto, and Mirror Link

Connect your smartphone wirelessly for seamless integration. Enjoy navigation, music, calls, and more directly from your car's display.

- **Wireless CarPlay:** For iPhone users, access Apple CarPlay features.
- **Wireless Android Auto:** For Android users, access Android Auto features.
- **Mirror Link:** Mirror your phone's screen directly onto the radio display.

5.3. Bluetooth Connectivity

Pair your phone via Bluetooth for hands-free calling and audio streaming. Access your contacts and call history directly from the radio.

Image: Bluetooth calling and music streaming features.

5.4. GPS Navigation and WiFi

Utilize the built-in GPS for accurate navigation. Connect to WiFi to download maps, stream online content, and access various internet applications.

Image: WiFi connectivity and GPS navigation in use.

5.5. FM/RDS Radio

Tune into your favorite FM radio stations. The RDS (Radio Data System) feature provides additional information like station name and song titles where available.

5.6. Digital Sound Processor (DSP)

The integrated DSP with 32 EQ adjustments allows you to customize the audio output to your preference, providing a premium sound experience.

5.7. Display Features

- **IPS Touch Screen:** Enjoy high-definition visuals with a responsive 8-inch IPS touch screen (1280x720 resolution).
- **Split Screen Function:** Run two applications simultaneously on the screen.
- **Customizable UI Themes:** Choose from 59 unique desktop themes and 19 wallpaper options to personalize your interface.

6. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the screen and unit. Avoid abrasive cleaners or solvents.
- **Software Updates:** Periodically check for software updates to ensure optimal performance and access to new features. Updates can usually be found on the Hodozzy official website or through the device's settings if connected to Wi-Fi.
- **Temperature:** Avoid exposing the unit to extreme temperatures, direct sunlight for prolonged periods, or high humidity.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Unit does not power on.	Loose power connection, blown fuse, vehicle battery issue.	Check power cables and fuse. Ensure vehicle battery is charged. Consult a professional installer.
No sound.	Volume too low, incorrect audio settings, loose speaker connections.	Increase volume. Check audio output settings (e.g., balance, fader, DSP). Verify speaker wiring.
GPS signal lost or inaccurate.	GPS antenna obstructed or improperly connected, poor satellite reception.	Ensure GPS antenna has a clear view of the sky. Check antenna connection. Move to an open area.
Bluetooth/CarPlay/Android Auto not connecting.	Bluetooth/WiFi off on phone/radio, incorrect pairing, software glitch.	Ensure Bluetooth/WiFi is enabled on both devices. Delete previous pairings and re-pair. Restart both devices.
Touch screen unresponsive.	Temporary software issue, screen protector interference.	Restart the unit. Remove any thick screen protectors. If issue persists, contact support.

9. WARRANTY AND SUPPORT

9.1. Product Warranty

This Hodozzy product comes with a **2-year warranty** from the date of purchase. This warranty covers manufacturing defects and malfunctions under normal use. Please retain your proof of purchase for warranty claims. The warranty does not cover damage caused by improper installation, misuse, accidents, unauthorized repairs, or normal wear and tear.

9.2. Customer Support

If you encounter any issues or have questions regarding your Hodozzy Android Radio, please contact Hodozzy customer support. You can typically find contact information on the official Hodozzy website or through your retailer's support channels.

When contacting support, please provide your product model number (B0FM1TPRR4) and a detailed description of the issue.

ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
