First Ride On 24V RAM 1500 2-Seater Ride-On Car Instruction Manual

Model: 24RAM1500 | Brand: First Ride On

INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your First Ride On 24V RAM 1500 2-Seater Ride-On Car. Please read all instructions carefully before use and retain this manual for future reference.

SAFETY INFORMATION

Your First Ride On RAM 1500 is designed with safety in mind, featuring lockable doors, a seatbelt, and tall side panels. It is certified by CPSC, ASTM, and FCC standards. Adult supervision is required at all times. Recommended for ages 3 years and up, with a maximum weight capacity of 132 lbs.

- Always ensure children wear seatbelts.
- Do not operate near streets, motor vehicles, or steep inclines.
- Never allow more than two children in the vehicle.
- Do not use in traffic.

SETUP INSTRUCTIONS

The RAM 1500 truck arrives over 60% pre-assembled. Please follow these steps for final assembly.

What's in the Box:

- Car Body
- Instruction Manual
- Charger
- Remote Control

Assembly Steps:

1. Carefully unbox all components and verify against the parts list in the included manual.
2. Install the wheels onto the axles, ensuring all washers and nuts are securely fastened.
3. Connect the battery terminals as indicated in the manual.
4. Attach the steering wheel and dashboard components.
5. Secure the seats and any remaining body panels.
6. Perform an initial charge of the battery for the recommended duration before first use.

OPERATING INSTRUCTIONS

The First Ride On RAM 1500 offers dual driving modes for varied control and interaction.

Driving Modes:

- **Kids Manual Driving Mode:** Children can operate the vehicle using the steering wheel and foot pedal.
- **Parental Remote Control Mode:** Parents can override manual control using the remote to steer, stop, and adjust between 3 speeds up to 98 feet away.

Features and Controls:

- **Manual Gear Shifter:** Allows children to control 2 speeds manually.
- **Speeds:** Two speed modes for manual driving, three speeds via remote control (up to 4.3 mph).
- **LED Lights:** Working headlights and additional lights for enhanced visibility and fun.
- **Audio System:** Built-in Bluetooth, USB port, and AUX input for playing music.
- **Horn:** Functional horn on the steering wheel.
- **Trunk:** Spacious rear truck bed for carrying toys.

MAINTENANCE

Regular maintenance ensures the longevity and safe operation of your ride-on car.

- **Battery Charging:** Charge the 24V battery for 60 to 120 minutes for optimal playtime. Always use the provided charger.
- **Cleaning:** Wipe the vehicle with a damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the vehicle in a dry, covered area away from direct sunlight and moisture. Ensure the battery is fully charged before storing for extended periods.
- **Inspection:** Periodically check all screws, nuts, and connections to ensure they are secure. Inspect tires

for wear and tear.

TROUBLESHOOTING

If you encounter any issues, please refer to the following common solutions:

- **Vehicle Not Turning On:** Check battery connections. Ensure the battery is fully charged.
- **Vehicle Not Moving:** Verify the gear shifter is in the correct position (forward/reverse). Check remote control battery and pairing.
- **Reduced Power/Speed:** Recharge the battery. Ensure the vehicle is not overloaded (max 132 lbs).
- **Remote Control Not Working:** Replace batteries in the remote. Re-pair the remote control with the vehicle (refer to assembly video).
