2. SAFETY INFORMATION

- Always assemble the product on a clean, flat, and soft surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum weight capacity specified for each shelf. Overloading can lead to instability and damage.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Avoid placing hot items directly on the wooden surfaces without protection.
- Use caution when moving the bar cart, especially when loaded, to prevent items from falling. Ensure wheels are locked when stationary.

3. PACKAGE CONTENTS

Please verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, contact customer support.

4. SETUP AND ASSEMBLY

Assembly typically requires two adults. Follow the numbered steps carefully. Do not overtighten screws until all components are loosely fitted.

4.1. Bar Cart Assembly

1. Unpack all components and lay them out on a protective surface.
2. Attach the caster wheels to the bottom frame sections. Ensure two of the wheels are lockable and positioned at the front for easy access.
3. Assemble the main metal frame structure using the provided screws and Allen wrench.
4. Insert the mesh shelves into their designated slots within the frame.
5. Secure the wine rack inserts and glass holders to the appropriate frame sections.
6. Place the wooden top shelf onto the uppermost frame.
7. Once all parts are in place, fully tighten all screws.

5. OPERATING INSTRUCTIONS

5.1. Bar Cart Usage

- **Storage:** Utilize the wine rack for up to 6 bottles and the hanging glass holders for up to 6 goblets. The shelves provide additional space for beverages, ice buckets, and serving accessories.
- **Mobility:** The bar cart is equipped with 360-degree rotating caster wheels for easy movement. When the cart is in its desired location, engage the locks on the two front wheels to secure it in place.

6. MAINTENANCE AND CARE

- **Cleaning:** Wipe down metal and wooden surfaces with a soft, damp cloth. For stubborn stains, use a mild soap solution and dry immediately. Avoid abrasive cleaners or harsh chemicals.
- **Spills:** Clean up spills promptly to prevent damage to the wooden surfaces.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as needed to maintain stability.
- **Adjustable Feet:** Ensure the adjustable feet on the bakers rack are properly leveled to prevent wobbling and protect your floor from scratches.
- **Fabric Pockets:** The Oxford fabric pockets can be spot cleaned with a damp cloth and mild detergent. Allow to air dry completely.

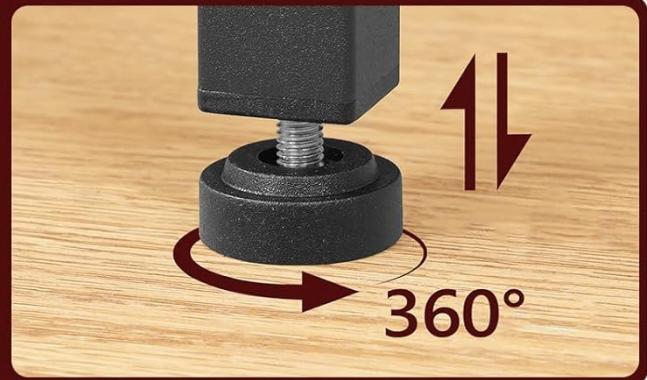

Upper Shelves

Hold condiment bottles, syrup jars, and more.

Adjustable Feet

Keep the rack steady and prevent floor scratches.

High-Quality Panels

Premium particleboard is sturdy and easy to clean.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Unit is wobbly or unstable.	Loose fasteners; uneven floor.	Ensure all screws and bolts are tightened. For the bakers rack, adjust the leveling feet. For the bar cart, ensure wheels are locked on a flat surface.
Caster wheels not rolling smoothly.	Debris in wheels; wheel lock engaged.	Check for and remove any debris from the wheels. Ensure wheel locks are disengaged for movement.
Items falling off shelves.	Overloading; sudden movement.	Do not exceed the specified weight capacity per shelf. Move the bar cart slowly and carefully.
Difficulty assembling a part.	Incorrect orientation; missing hardware.	Refer to the assembly diagrams and ensure parts are oriented correctly. Verify all hardware is present. Contact customer support if parts are missing or damaged.
