GarveeHome 3YCdk7E2uXn

GarveeHome 6-Drawer Dresser Instruction Manual

Model: 3YCdk7E2uXn

IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Anti-Tipping Device:** It is crucial to install the included anti-tipping device to prevent serious injury from furniture tip-over. Securely attach the device to the wall according to the instructions.
- **Assembly:** Assembly should ideally be performed by two adults to ensure safety and efficiency. Follow all steps in the correct order.
- **Weight Capacity:** Do not overload drawers or the top surface. Distribute weight evenly.
- **Placement:** Place the dresser on a flat, stable surface.

Image Description: This image illustrates the importance of the anti-tipping device. The top diagram shows a dresser tipping over without the device, while the bottom diagram shows a stable dresser with the device properly installed. A close-up inset shows the anti-tipping strap and bracket attached to the back of the dresser and the wall.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or

damaged, please contact customer support.

- Dresser Panels (Top, Bottom, Sides, Back)
- Drawer Fronts, Sides, and Bottoms
- Drawer Handles
- Drawer Slides
- Support Legs and Brackets
- Hardware Pack (Screws, Dowels, Cam Locks, etc.)
- Anti-Tipping Device
- Assembly Instructions

SETUP AND ASSEMBLY

Follow these steps carefully to assemble your GarveeHome 6-Drawer Dresser. All parts are labeled for easier identification.

1. **Prepare Workspace:** Clear a spacious area and lay out all components on a soft, clean surface to prevent scratches.
2. **Assemble Frame:** Attach the side panels to the bottom panel using the provided hardware. Ensure all connections are secure.
3. **Install Back Panel:** Secure the back panel to the assembled frame.
4. **Attach Top Panel:** Fasten the top panel to the main frame.
5. **Assemble Drawers:** For each of the six drawers, attach the front, side, and back panels to the bottom panel. Install the drawer handles.
6. **Install Drawer Slides:** Attach the drawer slides to both the dresser frame and the assembled drawers. Ensure smooth operation.
7. **Attach Support Legs:** Secure the metal support legs to the base of the dresser.
8. **Install Anti-Tipping Device:** Following the separate instructions for the anti-tipping device, securely attach it to the back of the dresser and to a wall stud. This step is critical for safety.

Image Description: A fully assembled GarveeHome 6-Drawer Dresser, featuring a natural oak finish on the drawer fronts and a dark, distressed wood finish on the top and sides, with black metal legs. The dresser is shown in a room with a mirror and various decorative items on its surface.

Image Description: The GarveeHome 6-Drawer Dresser positioned in an entryway, demonstrating its versatile style. The dresser features six drawers with black handles, a dark top surface, and sturdy black metal legs. Decorative elements like a lamp and framed pictures are visible.

OPERATING INSTRUCTIONS

Your GarveeHome dresser is designed for convenient storage and organization.

- **Drawer Use:** Gently pull and push the drawers using the handles. Avoid forcing drawers open or closed.
- **Storage Capacity:** The six ultra-deep drawers provide ample space for clothing, linens, and other personal items. Organize contents to maximize space and prevent damage to items or drawers.
- **Top Surface:** The spacious tabletop can be used to display lamps, books, decorative items, or personal accessories. Ensure items placed on top do not exceed the dresser's weight capacity.

Image Description: An aerial view of the GarveeHome 6-Drawer Dresser with all six drawers pulled open, showcasing their depth and capacity. The drawers are filled with neatly folded clothing and various accessories, demonstrating effective storage organization.

Image Description: This image provides a visual guide to the storage capacity of the dresser drawers. It shows the dresser with drawers open, filled with various items, and includes icons and text indicating the approximate number of hats (5-18), scarves (10-12), socks (20-30), diapers (15-18), pants (15-20), blouses (15-18), sleeves (9-11), and tissue boxes that can be stored.

MAINTENANCE AND CARE

Proper care will help maintain the appearance and longevity of your dresser.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Promptly wipe up any spills to prevent staining, especially on the waterproof tabletop.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- **Robot Vacuums:** The design allows most robot vacuums to pass underneath for convenient floor cleaning.

Heavy and Sturdy, Solid Final Product!

Wooden drawer

Sturdy and stable

Strong load bearing

Fabric drawer

Flimsy drawer

Easily deformed

Image Description: This image compares the construction of a wooden drawer (left) with a fabric drawer (right). The wooden drawer is described as sturdy, stable, and having strong load-bearing capacity, emphasizing the quality of the dresser's drawers.

TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common solutions:

- **Wobbly Dresser:** Ensure all screws and fasteners are tightened. Verify that the dresser is placed on a level surface. Re-check assembly steps for any missed connections.
- **Drawers Not Sliding Smoothly:** Check that drawer slides are correctly installed and aligned. Ensure no objects are obstructing the slides.
- **Missing Parts:** If any parts were missing upon delivery, contact customer support with your purchase information.
