roomfitters RF-N709GX001513AAE

roomfitters Twin Upholstered Daybed with Trundle and Hidden Side Storage Compartments

Model: RF-N709GX001513AAE

1. INTRODUCTION

Thank you for choosing the roomfitters Twin Upholstered Daybed with Trundle and Hidden Side Storage Compartments. This manual provides essential information for the safe assembly, operation, and maintenance of your new daybed. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. SAFETY INFORMATION

To ensure safe use of this product, please observe the following guidelines:

- **Read all instructions:** Before assembly and use, carefully read and understand all instructions provided in this manual.
- **Adult assembly required:** This product requires adult assembly. Keep small parts away from children during assembly.
- **Check all fasteners:** Ensure all bolts, screws, and connectors are securely tightened before use. Periodically check and re-tighten as necessary.
- **Weight limits:** Do not exceed the recommended weight limits for the daybed and trundle. Refer to the Specifications section for details.
- **Proper placement:** Place the daybed on a flat, level surface. Avoid placing it near heat sources or in direct sunlight for prolonged periods.
- **Avoid climbing:** Do not allow children to climb on the daybed frame or trundle mechanism.

- **No jumping:** Do not jump on the daybed or trundle.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components and hardware are present. The package includes:

- Daybed Frame (Upholstered sections, side rails, backrest)
- Pull-out Trundle Frame
- Three Storage Drawers
- Slats for Daybed and Trundle
- Installation Manual
- Installation Tool (Hex key, wrench, etc.)
- Hardware Pack (Bolts, screws, washers, nuts)

If any parts are missing or damaged, please contact customer support immediately.

4. SETUP AND ASSEMBLY

Follow these steps to assemble your roomfitters daybed. It is recommended to have two adults for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches.
2. **Assemble Daybed Frame:** Attach the side rails to the headboard and footboard sections using the provided hardware. Ensure all connections are secure.
3. **Install Slats:** Place the wooden slats across the daybed frame and secure them according to the instructions in the included installation manual. This provides mattress support.
4. **Assemble Trundle Frame:** Construct the pull-out trundle frame. Attach the wheels to the bottom of the trundle for easy movement.
5. **Install Trundle Slats:** Secure the slats onto the trundle frame.
6. **Assemble Storage Drawers:** Put together the three storage drawers. These are designed to fit beneath the trundle or daybed when the trundle is not in use.
7. **Final Check:** Once assembled, double-check all connections to ensure they are tight and stable.

5. OPERATING INSTRUCTIONS

5.1 Using the Daybed

The main daybed frame accommodates a standard twin-size mattress (not included). Its two-sided rail design allows it to function as a comfortable sofa or lounge during the day and a bed at night.

5.2 Extending the Trundle

To use the pull-out trundle for an additional sleeping surface:

1. Gently pull the trundle frame from underneath the main daybed. The wheels will allow it to slide out smoothly.
2. Position the trundle in the desired location. It also accommodates a twin-size mattress (not included).

Image 3: The daybed with its pull-out trundle fully extended, ready for use.

5.3 Utilizing Storage Drawers

The three spacious drawers are designed to fit beneath the trundle or main daybed. They provide convenient storage for bedding, clothing, or other items.

1. Slide the drawers into the designated spaces under the daybed or trundle.
2. Ensure items stored do not obstruct the trundle's movement.

Image 4: Front view of the daybed, showcasing the pull-out trundle and three integrated storage drawers.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your daybed:

- **Cleaning Upholstery:** For general cleaning, vacuum the upholstered surfaces regularly with a soft brush attachment. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner or use a mild fabric cleaner according to its instructions, testing on an inconspicuous area first.
- **Frame Care:** Wipe the wooden and MDF components with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as needed to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading of the upholstery.
- **Avoid Moisture:** Keep the daybed away from excessive moisture to prevent damage to the wood and upholstery.

7. TROUBLESHOOTING

If you encounter issues with your daybed, refer to the following common problems and solutions:

- **Squeaking Noises:**
Solution: Check all assembly bolts and screws. Tighten any loose connections. Ensure the slats are properly seated and secured.
- **Trundle Not Sliding Smoothly:**
Solution: Check the wheels for any obstructions (e.g., carpet fibers, debris). Ensure the floor surface is clear.

Verify that the trundle frame is assembled correctly and not warped.

- **Drawers Not Closing Properly:**
Solution: Ensure the drawers are not overloaded. Check for any items obstructing the drawer slides. Verify that the drawer slides are properly aligned and free of debris.
- **Instability/Wobbling:**
Solution: Re-check all connections and tighten any loose hardware. Ensure the daybed is placed on a flat, level surface.

If problems persist, please contact roomfitters customer support.

8. SPECIFICATIONS

Model Number	RF-N709GX001513AAE
Brand	roomfitters
Product Dimensions (L x W x H)	81" x 40.8" x 35.5"
Item Weight	150 pounds
Size	Twin (Daybed and Trundle)
