YITAHOME MAYIHf71GB

YITAHOME Floating Bed Frame Queen Size User Manual

Brand: YITAHOME | Model: MAYIHf71GB

1. INTRODUCTION

Thank you for choosing the YITAHOME Floating Bed Frame. This Queen size bed frame is designed to provide a modern aesthetic with its unique floating appearance, achieved by cleverly hidden support legs. It integrates convenient features such as adjustable LED lighting and a built-in charging station, enhancing both the ambiance and functionality of your bedroom. Constructed with durable steel, this frame offers robust support and is engineered for straightforward assembly.

2. SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Ensure all components are present and undamaged before beginning assembly.
- Assemble the bed frame on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly, as this may damage the threads or components.
- Verify all connections are secure before placing a mattress on the frame.
- The bed frame has a maximum weight capacity of **1100 lbs**. Do not exceed this limit.
- Keep children and pets away from the assembly area.
- Do not stand or jump on the bed frame.
- Ensure power cords for the LED lights and charging station are routed safely to prevent tripping hazards.

3. PACKAGE CONTENTS

Before assembly, please ensure all parts listed in the installation manual are present. The package typically includes:

- Headboard and Footboard sections
- Side Rails
- Reinforced Steel Slats (10 pieces)
- Adjustable Support Legs (9 pieces)
- Hardware Kit (screws, bolts, washers, Allen wrench)
- LED Light Strip with power adapter and remote control
- Built-in Charging Station unit with power cord
- Mattress Anti-Slip Brackets (4 pieces)
- Installation Manual (PDF available online)

Queen Size

4. SETUP AND ASSEMBLY

For detailed, step-by-step assembly instructions, please refer to the official Installation Manual. A digital version is available for download via the product page or by clicking [here](#).

General assembly steps include:

1. **Unpack and Identify Parts:** Lay out all components and hardware. Refer to the parts list in the manual to ensure everything is present.
2. **Assemble Frame Sections:** Connect the headboard, footboard, and side rails using the provided hardware. Ensure all bolts are finger-tight initially.
3. **Install Support Legs:** Attach the 9 adjustable support legs to the designated points on the frame. Adjust them to ensure even contact with the floor.

4. **Insert Steel Slats:** Securely place the 10 reinforced steel slats into the frame. Some slats may require a rubber mallet for a snug fit.
5. **Install Charging Station:** Mount the charging station unit into its designated slot on the side rail.
6. **Attach LED Light Strip:** Adhere the LED light strip along the inner perimeter of the bed frame, ensuring proper placement for the floating effect.
7. **Secure Mattress Brackets:** Install the 4 corner brackets to prevent mattress shifting.
8. **Final Tightening:** Once all components are in place, systematically tighten all bolts and screws using the provided Allen wrench. Do not overtighten.

5. OPERATING INSTRUCTIONS

5.1. LED Lighting System

The integrated LED lighting system offers customizable ambiance for your bedroom. It features **20 static color options** and **22 dynamic lighting modes**. Brightness and speed are fully adjustable.

- **Power On/Off:** Use the power button on the remote control to turn the LED lights on or off.
- **Change Colors:** Select from the 20 static color options using the color buttons on the remote.
- **Select Modes:** Cycle through the 22 dynamic lighting modes (e.g., flash, fade, strobe) using the mode selection buttons.
- **Adjust Brightness/Speed:** Use the dedicated brightness and speed control buttons to fine-tune the lighting effect.

5.2. Built-in Charging Station

The bed frame includes a convenient built-in charging station to keep your electronic devices powered and organized.

- **AC Outlets:** The station provides **2 standard AC outlets (125V/12A)** for plugging in laptops, lamps, or other small appliances.
- **USB Ports:** It also features **2 USB ports (5V/2A)** for charging smartphones, tablets, and other USB-powered devices.
- **Power Connection:** Ensure the charging station's power cord is securely plugged into a wall outlet.

6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your bed frame.

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Dusting:** Regularly dust the frame and LED strip to maintain optimal light output.
- **Check Connections:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary to prevent squeaking or instability.
- **Cable Management:** Ensure all power cables for the LED lights and charging station are neatly tucked away and not pinched or damaged.

7. TROUBLESHOOTING

If you encounter any issues with your YITAHOME Floating Bed Frame, please refer to the following common problems

and solutions:

Problem	Possible Cause	Solution
Bed frame is wobbly or squeaks.	Loose bolts or uneven support legs.	Ensure all bolts are securely tightened. Adjust the height of the adjustable support legs to ensure even contact with the floor.
LED lights are not working.	Power adapter unplugged, remote battery dead, or LED strip connection loose.	Check if the power adapter is securely plugged into a wall outlet and the LED strip. Replace the remote control battery if needed. Ensure the LED strip is properly connected to the controller.
Charging station is not providing power.	Charging station power cord unplugged or wall outlet issue.	Verify the charging station's power cord is fully plugged into a functional wall outlet. Test the wall outlet with another device.
Mattress slides on the frame.	Anti-slip brackets not installed or loose.	Ensure the 4 corner anti-slip brackets are correctly installed and tightened.
Difficulty during assembly.	Incorrect part orientation or missing steps.	Refer to the detailed Installation Manual. Double-check part labels and diagrams. Do not force parts together.

8. SPECIFICATIONS

Feature	Detail
Size	Queen
Product Dimensions	79.9"L x 60.2"W x 7.7"H
