TYCOLE T1078A

TYCOLE Super Sports Car Building Block Set Instruction Manual

Model: T1078A

Introduction

Thank you for choosing the TYCOLE Super Sports Car Building Block Set, Model T1078A. This set allows you to construct a detailed sports car model using 316 interlocking pieces, complete with a transparent display case. This manual provides comprehensive instructions for assembly, safety information, and product specifications to ensure a successful building experience.

Safety Information

Warning: Toy contains small parts. Not for children under 3 years. Adult supervision is recommended for younger builders.
Ensure all pieces are kept away from small children to prevent choking hazards. Always follow the assembly instructions carefully.

Package Contents

Before beginning assembly, please verify that all components are present:

- Building Blocks (316 pieces)
- Instruction Manual
- Acrylic Display Case
- Decoration Stickers (optional application)

Assembly Instructions

The TYCOLE Super Sports Car Building Block Set is designed for straightforward assembly. Follow the included color-printed instruction booklet step-by-step. The blocks are packaged in sequential bags to simplify the process.

1. **Preparation:** Unpack all components and organize the building blocks by type or color as suggested by the instruction booklet.
2. **Follow the Manual:** Refer to the color-printed instruction manual for detailed, step-by-step visual guides. Each step illustrates which pieces to use and where to place them.
3. **Component Assembly:** Begin by assembling the chassis, then proceed to the body, interior details, and exterior features such as the tail wing and wheels.
4. **Sticker Application (Optional):** Apply the provided decoration stickers according to the manual or your preference. Handle stickers carefully to avoid stress marks if repositioning is needed.

Figure 2: Clear Instructions. The image shows the color-printed instruction booklet, which guides the assembly process.

Figure 3: Detailed Features. This image highlights key features such as the exquisite interior, transparent windshield, rotatable tires, and the car's spoiler, which are assembled during the building process.

Video 1: TYCOLE Sports Car Building Set Overview. This video provides a brief overview of the assembled TYCOLE sports car, showcasing its design and features. It demonstrates the completed model from various angles, including the detailed interior and exterior components.

Display Case Usage

The included acrylic display case is designed to protect and showcase your assembled sports car model. It features high transparency for clear viewing and is stackable with other TYCOLE display cases.

1. **Placement:** Carefully place the assembled sports car model onto the base of the display case.
2. **Cover:** Position the transparent acrylic cover over the model, ensuring it fits securely onto the base.
3. **Stacking:** If you have multiple TYCOLE display cases, they can be stacked on top of each other for efficient display.

Figure 5: Product Size and Display. The image provides dimensions for the assembled car model and its display case, highlighting its suitability for display.

Care and Maintenance

- **Cleaning:** To clean the assembled model and display case, gently wipe with a soft, dry cloth. Avoid abrasive cleaners or harsh chemicals.
- **Storage:** Store the model in its display case in a cool, dry place away from direct sunlight to prevent discoloration or damage to the plastic.
- **Handling:** Handle the assembled model carefully to prevent pieces from detaching.

Troubleshooting

- **Missing Pieces:** If you encounter any missing pieces during assembly, please refer to the "Warranty and Support" section for assistance.
- **Difficulty with Instructions:** If any step in the instruction manual is unclear, review the previous steps and accompanying images. Sometimes, rotating the model as shown in the diagrams can clarify piece placement.
- **Loose Connections:** Ensure pieces are firmly pressed together. Some connections may require more pressure than others.

Specifications

Brand:	TYCOLE
Model Number:	T1078A
Number of Pieces:	316
Material Type:	Plastic (ABS raw materials)
Item Dimensions (Assembled):	6.98 x 3.19 x 1.89 inches
Recommended Age:	6 Years and Up
Included Components:	Building Blocks, Instruction Manual, Display Case
