## 4ever2buy SALON STATION

# 4ever2buy Salon Station for Hair Stylist Instruction Manual

Model: SALON STATION

## 1. INTRODUCTION

Thank you for choosing the 4ever2buy Salon Station. This manual provides essential information for the safe assembly, operation, and maintenance of your new salon station. Please read these instructions carefully before use and retain them for future reference.

This salon station is designed with a modern minimalist style, offering an elegant and functional workspace for hair stylists, beauty professionals, and tattoo artists. It features ample storage with drawers, a cabinet, open shelves, and dedicated tool holders to keep your workspace organized.

## 2. SAFETY INFORMATION

### Important Safety Instructions:

- Always use caution when handling heavy equipment and sharp tools around this station.
- Keep children and pets away from the work area during assembly and use.
- Be aware of sharp edges and corners to prevent injury.
- Do not exceed the weight limit of 55 pounds for the entire station or its individual components.
- Always follow proper assembly and usage instructions to ensure safety.
- Ensure the station is placed on a stable, level surface to prevent tipping.
- Avoid placing hot tools directly on the station's surface without a heat-resistant mat.

## 3. SETUP AND ASSEMBLY

This salon station requires assembly. Please follow the detailed instructions provided in the packaging. All parts are clearly labeled to facilitate a simple and quick assembly process. It is recommended to have a second person assist with assembly due to the size and weight of some components.

### 3.1. Package Contents

Verify all components are present before beginning assembly. Refer to the parts list in your instruction manual.

### 3.2. Assembly Steps

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part using the provided labels and diagrams.
3. Begin by assembling the base cabinet, ensuring all connections are secure.
4. Attach the drawers using the smooth glide rails.
5. Mount the upper shelving unit to the main body.
6. Install the tool holders on the side extensions.
7. Ensure all screws and fasteners are tightened, but do not overtighten.

**Figure 3.2.1:** Overall dimensions of the salon station. The station measures approximately 26 inches (L) x 13 inches (W) x 70 inches (H).

## 4. OPERATING INSTRUCTIONS

The 4ever2buy Salon Station is designed for efficient organization and accessibility of your styling tools and products.

## 4.1. Storage Features

- **Open Display Shelves:** Utilize the three open shelves at the top for frequently accessed products or decorative items.
- **Storage Drawers:** The two smooth-gliding drawers are ideal for storing smaller tools, accessories, or personal items.
- **Bottom Storage Cabinet:** The cabinet with an adjustable shelf provides versatile storage for larger items, towels, or supplies.
- **Tool Holders:** The six integrated holders are designed to securely store hair dryers, curling irons, and other hot styling tools. Always ensure tools have cooled before storing, or use heat-resistant sleeves if storing while warm.

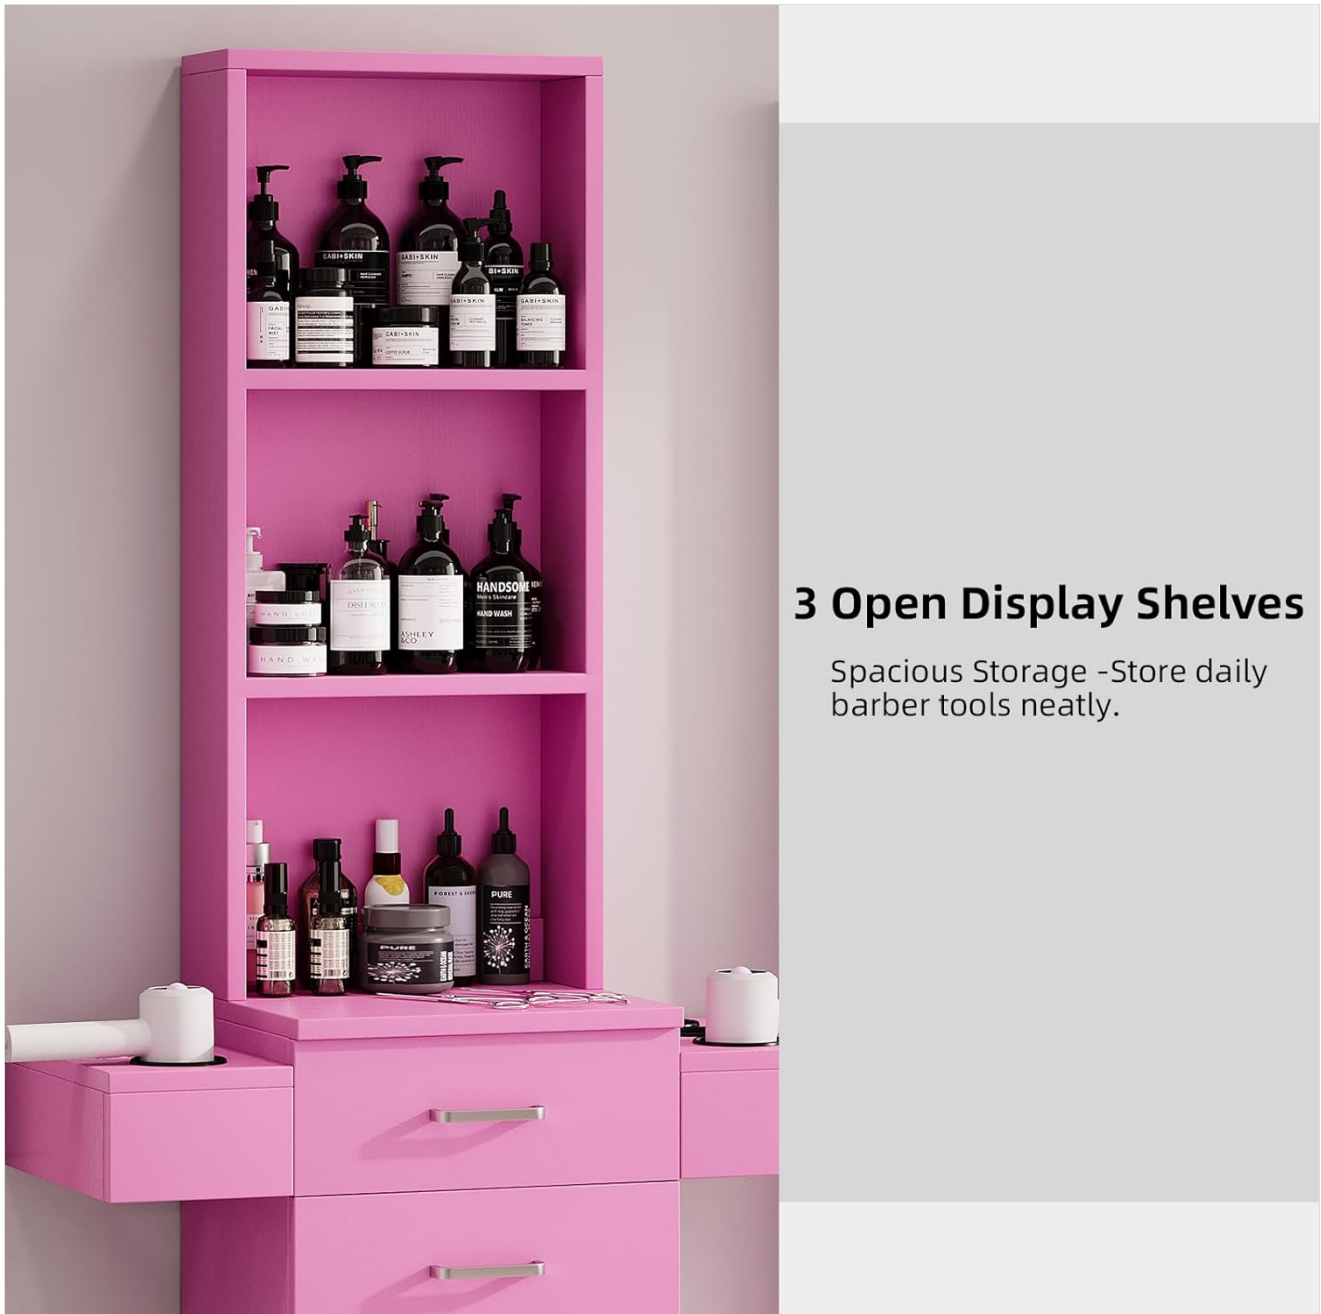

Figure 4.1.1: The three open display shelves provide spacious storage for daily barber tools and products.

**6 Tool Holders**

Figure 4.1.2: The station features two storage drawers and six tool holders for organizing various salon equipment.

Adjustable shelves for versatile storage options.

Figure 4.1.3: The bottom cabinet includes adjustable shelves for versatile storage options, accommodating various item sizes.

## 5. MAINTENANCE AND CARE

Proper maintenance will ensure the longevity and appearance of your salon station.

- **Cleaning:** Wipe surfaces regularly with a soft, damp cloth. For stubborn stains, use a mild, non-abrasive cleaner. Avoid harsh chemicals or abrasive materials that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood material.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary, but do not overtighten.
- **Heat Protection:** Always use heat-resistant mats or sleeves for hot styling tools to protect the station's surface and tool holders.

## 6. TROUBLESHOOTING

If you encounter any issues with your salon station, refer to the following common problems and solutions:

- **Station feels wobbly:**

- Ensure the station is on a flat, level surface.
- Check all assembly screws and bolts to ensure they are securely tightened.

- **Drawers do not slide smoothly:**

- Verify that the drawer slides are correctly installed and aligned.
- Ensure no objects are obstructing the drawer's movement.
- Clean the drawer rails of any dust or debris.

- **Door does not close properly:**

- Check the alignment of the hinges. Adjust if necessary.
- Ensure no items inside the cabinet are preventing the door from closing.

If problems persist, please contact customer support for assistance.
