Tribesigns J0364X3

Tribesigns 71-Inch Tall Shoe Cabinet Instruction Manual

Model: J0364X3 | Brand: Tribesigns

1. SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Weight Limit:** Do not exceed the maximum weight capacity of 300 pounds for the entire unit. Distribute weight evenly across shelves.
- **Anti-Tip Device:** Always install the included anti-tip hardware to secure the cabinet to a wall. This prevents accidental tipping, especially in households with children or pets.
- **Stable Surface:** Place the cabinet on a flat, level, and stable surface to ensure proper balance and prevent wobbling.
- **Assembly:** Assemble the unit according to the instructions provided. Do not use power tools for assembly unless specifically instructed, as this may damage components.
- **Children:** Do not allow children to climb on or play with the cabinet.
- **Ventilation:** Ensure adequate ventilation if storing items that may emit odors.

Image 1: Anti-tip safety strap installation. This strap secures the cabinet to the wall, preventing accidental tipping.

2. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present and undamaged. Refer to the detailed parts list

included in your product packaging for specific component identification.

Expected Components:

- Cabinet panels (top, bottom, sides, back)
- Adjustable shelves
- Doors with acrylic panels
- Door hinges
- Handles
- Assembly hardware (screws, dowels, cam locks, etc.)
- Anti-tip kit
- Instruction manual

3. ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults. Ensure you have a clear, spacious area for assembly. A Phillips head screwdriver and a hammer (for dowels) may be required.

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a soft, clean surface to prevent scratches. Compare them against the parts list in your included manual.
2. **Assemble the Main Frame:** Attach the side panels to the bottom panel using the provided hardware (dowels, cam locks, screws). Ensure all connections are secure.
3. **Install Back Panels:** Slide or fasten the back panels into the designated grooves or attach them to the rear of the frame.
4. **Attach Top Panel:** Secure the top panel to the assembled frame.
5. **Install Door Hinges:** Attach the hinges to the cabinet doors and then to the main cabinet frame. Adjust as necessary for proper door alignment.
6. **Attach Handles:** Secure the golden metal handles to the doors.
7. **Insert Shelves:** Place the adjustable shelves into the desired positions. The cabinet features adjustable panels to accommodate various shoe sizes, including boots.
8. **Install Anti-Tip Kit:** Secure the anti-tip device to the top rear of the cabinet and to a wall stud using the provided hardware. This is a critical safety step.

Product Dimensions

Fits Various Sizes of Shoes

70.87"

62.99"

The orange board is
movable and can be
taken off freely

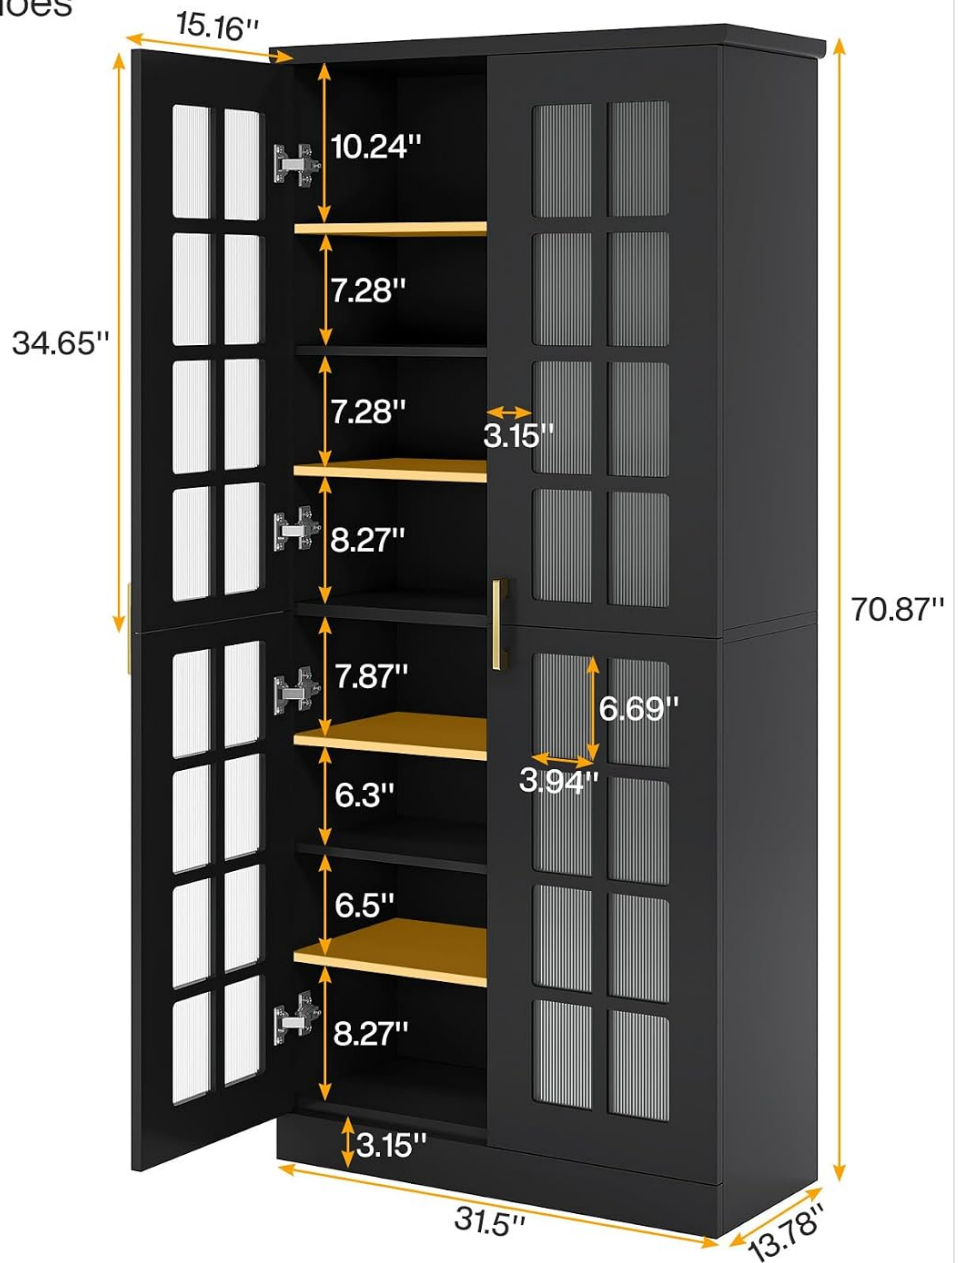

Image 2: Product dimensions and adjustable shelf details. The orange boards indicate movable shelves that can be removed to create taller compartments.

REMOVE THE BOARD FOR TALL BOOTS

Image 3: Example of removing shelves for tall boots. The highlighted areas show how shelves can be reconfigured for larger items.

4. OPERATING INSTRUCTIONS

The Tribesigns Shoe Cabinet is designed for convenient and organized shoe storage.

- **Opening/Closing Doors:** Use the golden metal handles to gently open and close the cabinet doors. The acrylic panels allow for visibility of contents while providing dust protection.
- **Adjusting Shelves:** The cabinet features adjustable shelves. To reposition a shelf, carefully remove all items, lift the shelf, and place it onto the desired shelf pins. Ensure the shelf is level and securely seated before placing items back.
- **Storing Boots:** For taller items like boots, remove one or more shelves to create larger compartments as shown in Image 3.
- **Capacity:** The 8-tier design can accommodate up to 32 pairs of shoes, depending on shoe size and configuration.

5. MAINTENANCE

Proper care will ensure the longevity and appearance of your shoe cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish or acrylic panels.
- **Dusting:** Regularly dust the cabinet to prevent buildup.
- **Spills:** Clean up spills immediately to prevent staining or moisture damage.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Odor Management:** If shoe odors accumulate, consider using shoe deodorizers or placing activated charcoal packets inside the cabinet.

6. TROUBLESHOOTING

Issue	Possible Cause	Solution
Cabinet wobbles or is unstable	Uneven floor; loose connections; anti-tip kit not installed	Ensure cabinet is on a level surface. Check and tighten all assembly hardware. Install the anti-tip kit securely to a wall stud.
Doors do not align or close properly	Hinges incorrectly installed or adjusted; frame not square	Review hinge installation and adjust hinge screws for proper alignment. Ensure the main cabinet frame is assembled squarely.
Missing parts or damaged components	Packaging error; shipping damage	Contact Tribesigns customer support immediately for replacement parts.
Strong odor inside cabinet	New product smell; shoe odors	Ventilate the cabinet by leaving doors open for a period. Use shoe deodorizers or activated charcoal.
