- **Durability:** IP68 Waterproof rating.
- **Battery Life:** Up to 30 days standby time.
- **Learning Aids:** Learning Cards, Storybook, 20 Languages.
- **User-Friendly:** HD Touch Screen, DIY Dial, Rewards System.

3. SETUP

3.1 Initial Charging

Before first use, fully charge the smartwatch using the provided USB charging cable. Connect the magnetic end of the cable to the charging points on the back of the watch and the USB-A end to a compatible power adapter (not included).

3.2 Power On/Off

To power on the watch, press and hold the power button located on the side until the screen illuminates. To power off, press and hold the power button and select 'Power Off' on the screen.

3.3 App Connection

To unlock full features and parental controls, download the companion app on a smartphone. Scan the QR code provided in the quick start guide or on the watch packaging to find the correct app. Follow the in-app instructions to pair the watch via Bluetooth.

Your browser does not support the video tag.

Video: Demonstrates the smartwatch features and app connection process.

3.4 SIM Card Installation (Optional)

If mobile data and direct calling features are desired, install a compatible SIM card (not included) into the designated slot on the watch. Refer to the quick start guide for detailed instructions on SIM card insertion.

3.5 Parental Controls

The companion app allows parents to set various controls, including time limits for games, disabling functions during class mode, and managing contacts for calls. Navigate to the 'Parental Control' section within the app to configure these settings.

Your browser does not support the video tag.

Video: Shows how to access and configure parental control settings on the smartwatch.

4. OPERATING INSTRUCTIONS

4.1 Navigating the Interface

The smartwatch features an HD touch screen. Swipe left or right to browse through different applications and functions. Tap on an icon to open an application. Use the side button to return to the home screen or previous menu.

Ai Kids smart watch–Kids can enjoy more fun and Learn a lot

Ai generates the watch face. Your watch, your story.

Just say, my lovely dog, then the dial with the dog will be on your watch.

Ai Question & Answer
Ask anything, get everything.

4.2 AI Functions

- **AI Customized Watch Face:** Personalize the watch face using voice commands via the companion app.
- **AI Question and Answer:** Ask questions to the watch and receive instant responses, fostering curiosity.
- **AI Image Recognition:** Use the camera to identify objects, animals, and places.

Image: Visual representation of the AI-integrated features, including custom watch faces, image recognition, and question-and-answer functionality.

4.3 Health Monitoring

- **Heart Rate Monitor:** Track heart rate throughout the day.
- **Sleep Tracking:** Monitors deep sleep, light sleep, and wake-up times.
- **Blood Oxygen & Stress Monitor:** Provides additional health insights.

Habit Tracking

15 alarm modes, let the children develop good living habits

4.6 Utility Tools

- **Flashlight:** Activate the built-in torch for illumination.
- **Calculator:** Perform basic arithmetic calculations.
- **Calendar, Alarm Clock, Stopwatch, Timer:** Manage time and schedules.
- **Recorder:** Record voice notes.
- **Bluetooth Phone:** Make and receive calls when connected to a smartphone or with a SIM card.

Ai Kids smart watch—Combine the Play and Learn

Image: Multiple children using the smartwatch for different functions, including calculator, flashlight, and voice recorder.

4.7 Habit Tracking & Rewards

Set up daily tasks and habits (e.g., wake up, brush teeth, go to school) with reminders. A reward system encourages children to complete tasks, earning virtual coins for motivation.

4.8 SOS Emergency Call

In case of an emergency, the watch can be configured to make an SOS call to pre-set contacts. Refer to the app settings for configuring SOS numbers.

4.9 Class Mode

Activate Class Mode via the companion app to disable distracting features during school hours, helping children focus on learning.

5. MAINTENANCE

5.1 Cleaning

Wipe the watch screen and band with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used. Avoid harsh chemicals or abrasive materials.

5.2 Water Resistance (IP68)

The watch is IP68 waterproof, meaning it can withstand splashes and accidental submersion. However, it is not recommended for prolonged swimming or hot water activities. Ensure the charging port is dry before charging.

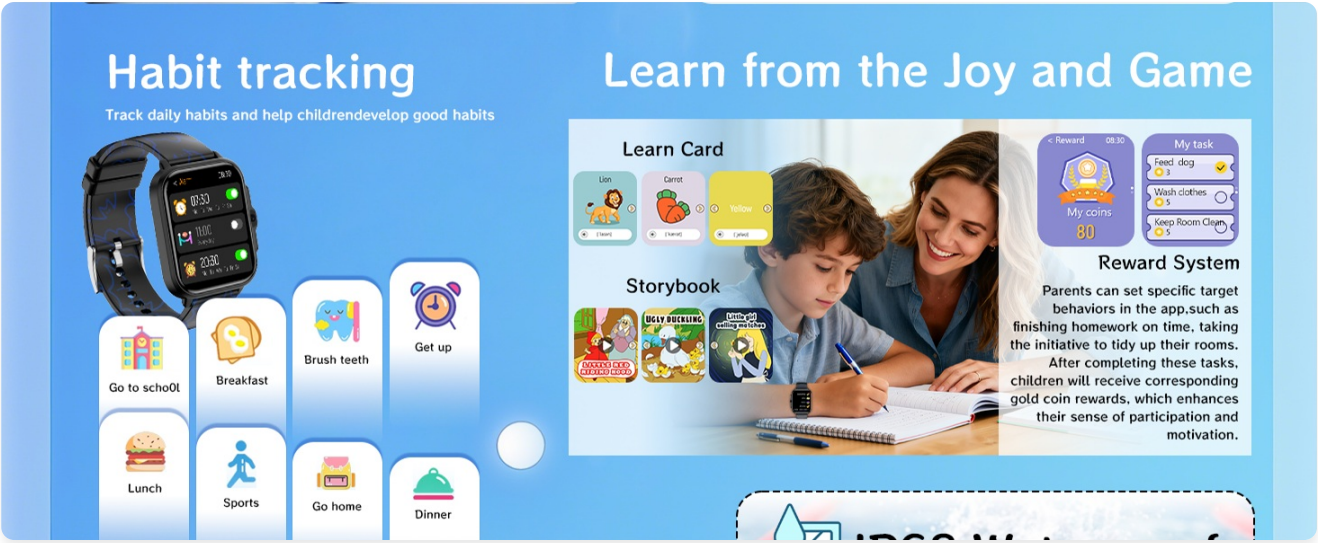

Image: The smartwatch submerged in water, illustrating its IP68 waterproof capability for active children.

5.3 Battery Care

To prolong battery life, avoid extreme temperatures and fully discharging the battery frequently. Charge the watch regularly, especially if it will not be used for an extended period.

6. TROUBLESHOOTING

6.1 Watch Not Powering On

- Ensure the watch is fully charged.
- Press and hold the power button for at least 10-15 seconds.

6.2 Connectivity Issues

- Check if Bluetooth is enabled on the connected smartphone.
- Ensure the watch and phone are within Bluetooth range.
- Restart both the watch and the smartphone.

6.3 Inaccurate Health Data

- Ensure the watch is worn snugly on the wrist, but not too tight.
- Clean the sensor on the back of the watch.

7. SPECIFICATIONS

Feature	Detail
Model Number	P72
Brand	WZWNEER
Screen Size	1.8 Inches
Operating System	Android and IOS compatible
Connectivity Technology	Bluetooth

Water Resistance	IP68
Battery Type	Nonstandard Battery (Lithium Polymer)
Item Weight	2.5 Ounces
Package Dimensions	7.28 x 2.99 x 0.71 inches

8. WARRANTY AND SUPPORT

For warranty information and technical support, please refer to the documentation included in your product packaging or contact the manufacturer directly. Keep your purchase receipt for any warranty claims.
