ZOMBIES CAT X2202+TYEJPS03

ZOMBIES CAT Mgall X22 Clip-On Wireless Headphones User Manual

Model: X2202+TYEJPS03 | Brand: ZOMBIES CAT

1. INTRODUCTION

Welcome to your ZOMBIES CAT Mgall X22 Clip-On Wireless Headphones. This manual provides detailed instructions for the proper setup, operation, and maintenance of your new device. Please read this manual thoroughly before use to ensure optimal performance and longevity.

What's in the Box

- Mgall X22 Clip-On Wireless Headphones (with charging case)
- Charging Cable
- Earrings (removable accessory)
- Eartips (if applicable, for comfort/fit)
- User Manual (this document)

Image 1.1: Overview of Mgall X22 features and design, including the handbag-style charging case and clip-on earbuds.

2. PRODUCT OVERVIEW

The Mgall X22 headphones combine a unique handbag-style charging case with open-ear clip-on earbuds, offering both fashion and functionality. They feature advanced Bluetooth 6.0 connectivity for stable audio and dual AI noise-canceling microphones for clear calls.

Key Features

- **Open-Ear Clip-On Design:** Provides comfort and situational awareness without blocking the ear canal.
- **Bluetooth 6.0:** Ensures fast pairing, seamless audio, and ultra-low latency.
- **Dual AI Noise-Canceling Microphones:** Enhances voice clarity by suppressing ambient noise during calls.
- **Immersive Stereo Sound:** Delivers crisp highs and rich bass with advanced digital audio tuning.
- **LED HD Digital Display:** Shows real-time battery levels for the charging case and earbuds.
- **Extended Battery Life:** Up to 6 hours of playtime per charge, with a total of 40 hours using the charging case.
- **Luxury Leather Texture:** The charging case features a stylish, handbag-inspired design.

High-definition calls

Dual microphone array + AI algorithm work together to accurately capture human voice and suppress ambient noise and optimize wind noise processing

3. SETUP

3.1 Charging the Device

Before first use, fully charge your Mgall X22 headphones and charging case. The charging case has an LED HD digital display that indicates the battery percentage. The earbuds also show their charging status on the display when placed inside the case.

- Connect the provided charging cable to the charging port on the case and a suitable USB power source.
- The LED display will show the charging progress.
- A full charge for the case and earbuds typically takes approximately 6 hours.

3.2 Bluetooth Pairing

To connect your Mgall X22 headphones to your device (e.g., smartphone, tablet):

1. Ensure the earbuds are charged and placed in the charging case.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device, go to Bluetooth settings and turn Bluetooth on.
4. Search for available devices and select "Mgall X22" from the list.
5. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

The headphones utilize Bluetooth 6.0 for a stable and efficient connection.

4. OPERATING INSTRUCTIONS

4.1 Wearing the Earbuds

The Mgall X22 earbuds feature an open-ear clip-on design. Gently clip each earbud onto your ear, ensuring a comfortable and secure fit. The open-ear design allows you to hear your surroundings while enjoying audio.

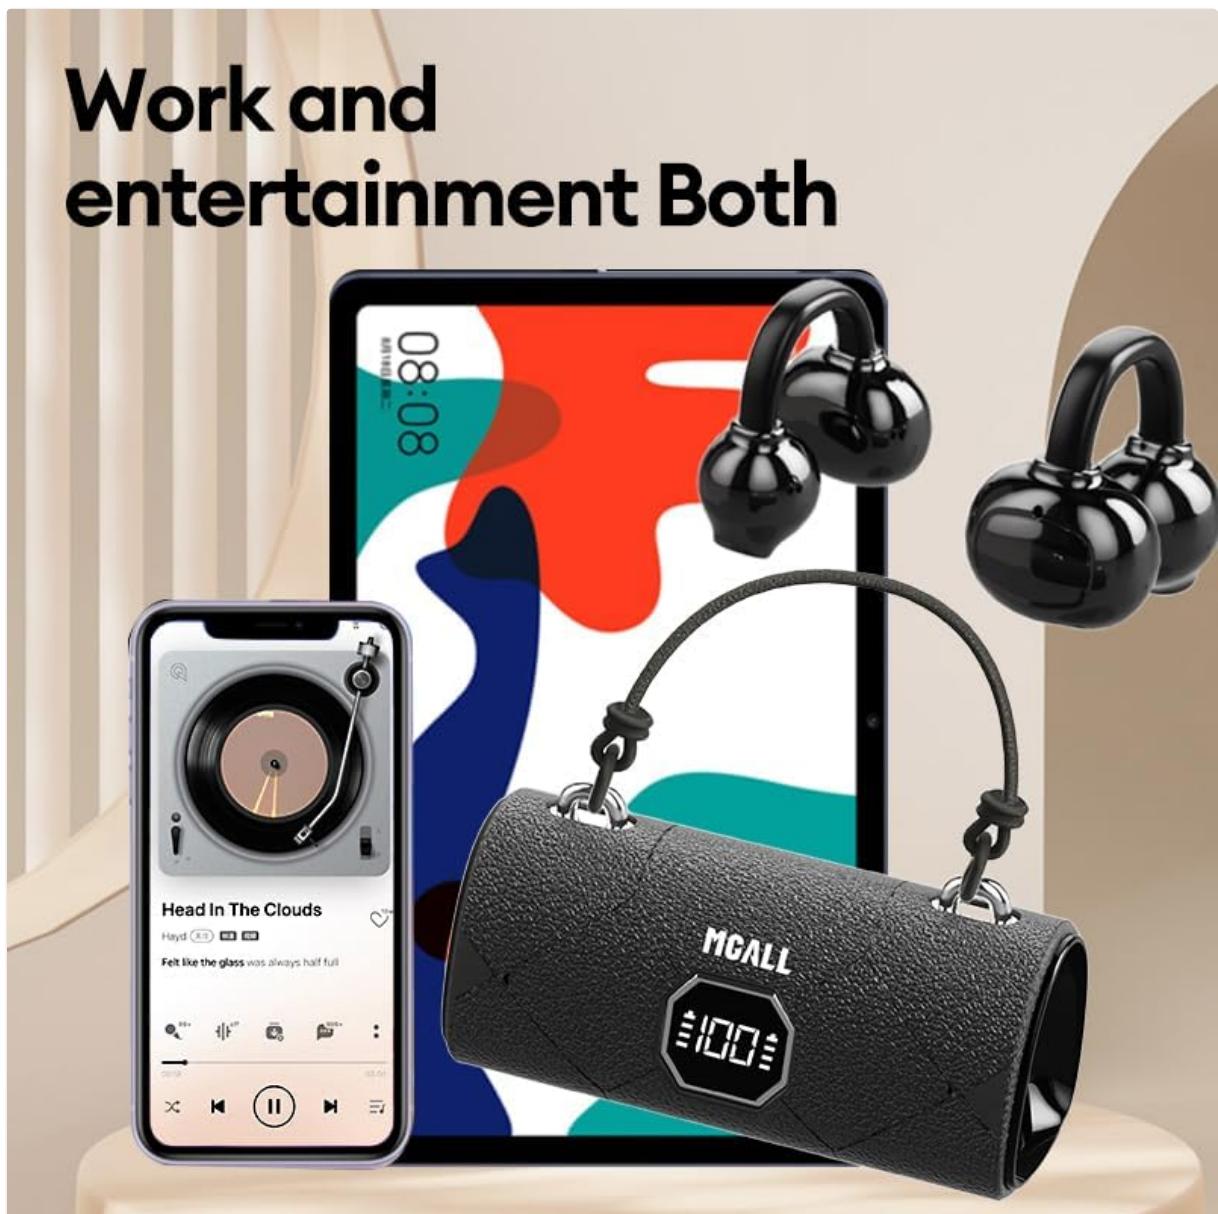

Image 4.1: Proper placement of the clip-on earbuds for comfortable wear.

4.2 Touch Controls

The Mgall X22 earbuds are equipped with touch controls for easy management of music and calls. Specific

touch functions may vary slightly, but common controls include:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call or active call.
- **Reject Call:** Press and hold on either earbud during an incoming call.
- **Activate Voice Assistant:** Triple tap on either earbud.

4.3 Making and Receiving Calls

The dual AI noise-canceling microphones ensure clear communication during calls. Refer to the touch controls section for managing calls.

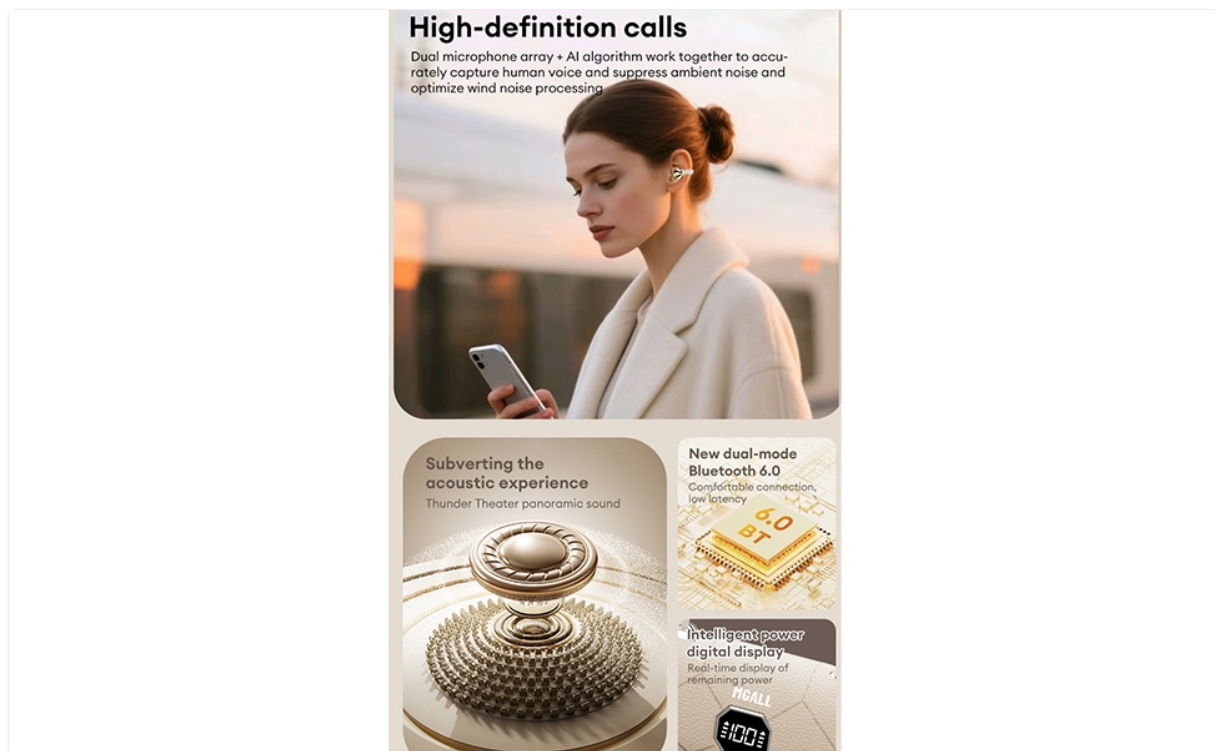

Image 4.2: High-definition call clarity with dual microphone array and AI algorithm.

4.4 Audio Playback

Enjoy immersive stereo sound with crisp highs and rich bass. The advanced directional design minimizes sound leakage, providing a private listening experience. Control playback using the touch controls.

Image 4.3: The Mgal X22 headphones are suitable for both work and entertainment.

5. MAINTENANCE

5.1 Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, solvents, or aerosol sprays.
- Avoid getting moisture into any openings.

5.2 Storage

- When not in use, store the earbuds in their charging case to protect them and keep them charged.
- Store the device in a cool, dry place, away from extreme temperatures and direct sunlight.

6. TROUBLESHOOTING

If you encounter any issues with your Mgal X22 headphones, please refer to the following common solutions:

Problem	Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on your device's Bluetooth. Place earbuds back in case, close, then open to re-enter pairing mode.
No sound from earbuds	Check volume levels on both earbuds and connected device. Ensure earbuds are properly paired. Try reconnecting.
Charging case not charging	Verify the charging cable is securely connected to both the case and power source. Try a different cable or power adapter.
Poor call quality	Ensure microphones are not obstructed. Move closer to your connected device. Avoid environments with excessive background noise.
