

## ROJECO B0FM8C4DFG

# ROJECO 2-in-1 Automatic Pet Feeder & Water Dispenser and 3-in-1 Cat Steam Brush User Manual

Model: B0FM8C4DFG

## 1. INTRODUCTION

---

This manual provides detailed instructions for the setup, operation, maintenance, and troubleshooting of your ROJECO 2-in-1 Automatic Pet Feeder & Water Dispenser and 3-in-1 Cat Steam Brush. Please read this manual thoroughly before use to ensure proper function and safety for your pets.

*Image: The ROJECO 2-in-1 Automatic Pet Feeder and Water Dispenser shown alongside the 3-in-1 Cat Steam Brush, with two cats interacting with the feeder.*

## 2. SAFETY INFORMATION

- Ensure all components are securely assembled before use.
- Use only the recommended power adapter for the feeder.
- Keep electrical components away from water.
- Do not allow pets to chew on power cords.
- The product materials are BPA-free.
- Supervise pets during initial use of the steam brush.
- Keep out of reach of children.

### 3. PRODUCT OVERVIEW

#### 3.1 Automatic Pet Feeder and Water Dispenser

This unit provides separate compartments for dry food and water, promoting hygienic feeding. It features a transparent design for easy monitoring of levels and an upgraded roof seal for freshness.

*Image: The ROJECO Automatic Pet Feeder and Water Dispenser in use, with a cat drinking from the water bowl and another cat near the food bowl.*

#### 3.2 3-in-1 Cat Steam Brush

The steam brush is designed for grooming, combining fur removal, deep cleaning, and soothing massage. It features angled stainless steel pins and adjustable mist spray modes.

## 4. SETUP

### 4.1 Automatic Pet Feeder and Water Dispenser

1. **Unpack Components:** Carefully remove all parts from the packaging.
2. **Assemble Trays:** Attach the food and water trays to their respective slots on the main unit. The design ensures wet and dry separation.

## Wet & Dry Sparation Exprience Upgrade

Placed oppositely, food and water do not interfere with each other, making it more scientifically aligned with pets' eating habits.

*Image: The ROJECO feeder highlighting the separate 'Water Area' and 'Food Area' for wet and dry separation.*

3. **Fill Food Container:** Open the lid of the food container (5L capacity) and pour in dry pet food. Close the lid securely to maintain freshness.
4. **Fill Water Container:** Open the lid of the water container (3.5L capacity) and fill with clean water. Ensure the water level is visible through the transparent barrel.

# Ultra-large Capacity Worry-free Traveling

Large capacity grain storage, easy to solve the short-distance travel feeding problem

*Image: The ROJECO feeder illustrating its ultra-large capacity with a 3.5L water fountain and a 5L feeder, designed for worry-free travel.*

5. **Connect Power:** Plug the power adapter into the feeder and then into a wall outlet.
6. **Stabilize Unit:** Place the feeder on a flat, stable surface. The wider bottom tray with non-slip pads helps prevent tipping.

## Stabilized & Anti-tipover

The wider bottom tray with non-slip pads to prevent even naughty cats from knocking over the bowl while eating

*Image: A cat interacting with the ROJECO feeder, demonstrating its stabilized and anti-tipover design with non-slip pads.*

### 4.2 3-in-1 Cat Steam Brush

1. **Charge Battery:** Connect the USB charging cable to the brush and a power source. The indicator light will show charging status.
2. **Add Water:** Use the provided water-adding tool to fill the transparent water tank on the brush.

# How to Use

## Step 1

Use the water-adding tool in the packaging to add water

## Step 2

Open the spray brush key

## Step 3

Select the desired spray gear and comb the pet's hair

## Step 4

Press and hold the Hair Removal key to remove cleaned hair

*Image: A four-panel image showing the steps to use the steam brush: Step 1 (adding water), Step 2 (opening spray brush key), Step 3 (selecting spray gear and combing), and Step 4 (pressing hair removal key).*

## 5. OPERATING INSTRUCTIONS

### 5.1 Automatic Pet Feeder and Water Dispenser

1. **Set Feeding Schedule:** Use the control panel to program the feeding schedule. The feeder supports 1-6 meals per day, with 1-36 portions per meal. Each portion is approximately 5-10g.

2. **Monitor Levels:** The transparent barrels allow for easy monitoring of food and water levels.
3. **LED Lights:** The water bucket is equipped with LED lights to indicate water levels, especially at night. These lights can be turned off if desired.
4. **Grain-Card Reminder:** In case of a food jam, the LED screen will flash a 'grain-card' prompt to alert you.

## 5.2 3-in-1 Cat Steam Brush

1. **Power On:** Press the power button to turn on the brush.
2. **Select Mist Spray Mode:** Press the spray button to cycle through the three mist spray modes:
  - **Blue light:** 2-second interval mist (ideal for short-haired pets).
  - **Dark Blue light:** 4-second interval mist (perfect for thick hairs).
  - **Green light:** Continuous spray (hands-free deep cleaning).

Image: The ROJECO Steam Brush demonstrating its three-speed adjustable timing spray modes: 2S interval (blue light), 4S interval (dark blue light), and Continuous spray (green light).

3. **Grooming:** Gently comb your pet's fur. The angled stainless steel pins are designed to glide without tugging. The mist helps to loosen fur and clean.

## Three Uses for a Brush

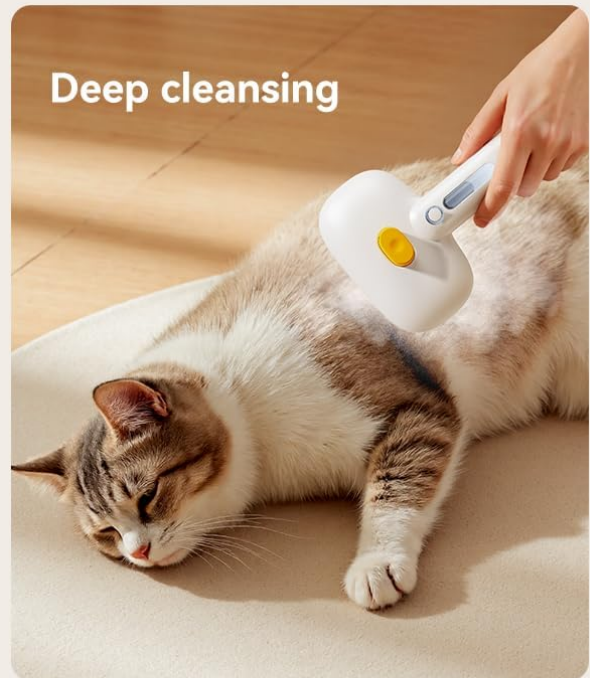

Image: Three panels illustrating the uses of the ROJECO Steam Brush: Comfort massage, Deep cleansing, and Efficient removal of fluffy hairs.

4. **One-Touch Hair Removal:** After grooming, press the hair removal key to easily eject collected fur from the brush head.

## 6. MAINTENANCE

### 6.1 Automatic Pet Feeder and Water Dispenser

- **Regular Cleaning:** Disassemble the food and water trays and wash them with mild soap and water. Rinse thoroughly.
- **Main Unit:** Wipe the main unit with a damp cloth. Do not immerse the main unit in water.
- **Dry Thoroughly:** Ensure all parts are completely dry before reassembling and refilling.

### 6.2 3-in-1 Cat Steam Brush

- **Empty Water Tank:** After each use, empty any remaining water from the tank.
- **Clean Brush Head:** Use the one-touch hair removal feature to clear fur. If necessary, gently clean the stainless steel pins with a soft brush.
- **Wipe Body:** Wipe the body of the brush with a clean, damp cloth. The brush is IPX7 waterproof, but avoid prolonged submersion.

## 7. TROUBLESHOOTING

### 7.1 Automatic Pet Feeder and Water Dispenser

- **Feeder Not Dispensing:** Check for food jams (refer to 'grain-card' reminder on LED screen). Ensure the food container is not empty. Verify power connection.
- **Water Not Dispensing:** Check water level in the tank. Ensure no blockages in the water outlet.
- **LED Screen Not Working:** Ensure the feeder is properly powered. If issues persist, contact customer support.

### 7.2 3-in-1 Cat Steam Brush

- **No Mist Spray:** Check if the water tank is filled. Ensure the spray button is pressed correctly and a mode is selected.
- **Brush Not Turning On:** Ensure the brush is fully charged.
- **Hair Not Removing Easily:** Ensure the one-touch hair removal button is pressed firmly. Clean the brush head regularly.
