

CaDA C64011W

CaDA Master Yangwang U9 Super Car C64011W Building Block Kit Instruction Manual

Model: C64011W

1. INTRODUCTION

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your CaDA Master Yangwang U9 Super Car C64011W building block kit. This advanced model is designed for adult collectors and enthusiasts, featuring 3,671 precision parts to construct a 1:8 scale replica of the Yangwang U9 Supercar.

The complete CaDA Master Yangwang U9 Super Car C64011W building block kit, including the assembled model, packaging, and individual components.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small parts. Not suitable for children under 3 years of age.

- Keep all small parts away from young children and pets.
- Ensure proper ventilation if using any adhesives (not typically required for this kit).
- Follow all assembly steps carefully to prevent injury or damage to components.

3. PACKAGE CONTENTS

Upon opening your CaDA Master Yangwang U9 Super Car C64011W kit, please verify that all components are present. The kit includes:

- 3,671 high-quality CaDA building bricks.
- Full-color building instruction manual.

- Necessary electronic components for remote control functions (e.g., motors, battery boxes, remote control).
- 2 Lithium Ion batteries (included).
- Exclusive type label/sticker sheet.

4. ASSEMBLY INSTRUCTIONS

The CaDA Master Yangwang U9 Super Car C64011W is an advanced building kit. Follow the included full-color instruction manual step-by-step for a smooth and rewarding building experience. Organize your parts before starting to simplify the process.

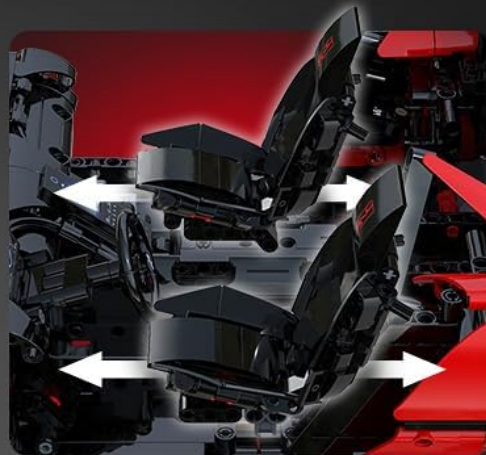

Key Assembly Aspects:

- **Chassis and Engine:** The internal structure, including the chassis and engine components, requires careful attention to detail.
- **Suspension System:** Assemble the independent suspension system with shock absorbers on all four wheels as per the manual.
- **Functional Elements:** Integrate the mechanisms for opening doors, hood, engine cover, and the steering linkage.
- **Electronic Components:** Install motors, battery boxes, and connect wiring according to the diagrams for remote control functionality.

5. OPERATING INSTRUCTIONS

The CaDA Master Yangwang U9 Super Car C64011W offers advanced remote control capabilities through a dedicated mobile application.

5.1 Mobile App Control

Download the official CaDA mobile application to unlock the full range of functions. The app allows for precise control over various aspects of the model.

Mobile phone App control

Gyroscope custom dance
Demonstrate preset dance postures

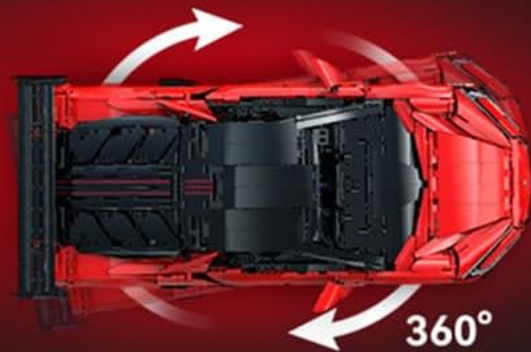

Control chassis height

Driving/Steering

360° spins

Screenshots demonstrating the mobile application interface used to control the CaDA Master Yangwang U9 Super Car C64011W, including gyroscope custom dance, chassis height control, driving/steering, and 360-degree spins.

5.2 U-Turn Function and 360° Spins

Utilize the mobile app to activate the unique U-turn function and perform 360-degree spins. This is achieved through a differential steering system that independently controls the speed of the left and right wheels.

5.3 Chassis Height Control

The model features adjustable chassis height. Use the mobile application to raise or lower the vehicle's chassis, simulating real-world adaptive suspension systems.

5.4 Steering and Driving

Control the model's movement and steering via the mobile app. The steering wheel in the model is linked to the front wheels for an authentic interactive experience.

6. PRODUCT FEATURES

The CaDA Master Yangwang U9 Super Car C64011W is engineered with numerous realistic and interactive features:

- **1:8 Scale Model:** A large, collectible model with a stunning visual impact, measuring 60.3 × 29.4 × 16 cm.
- **U-Turn Function & 360° Maneuvers:** Equipped with a differential steering system for independent wheel control, enabling on-the-spot rotations.
- **Streamlined Body:** Meticulously recreates the classic styling of the Dream U9 supercar with an aerodynamic design.
- **3,671 Precision Parts:** Offers a challenging and rewarding building experience for adult enthusiasts.
- **Authentic Mechanical Structure:** Detailed cockpit layout and rear-mounted engine, accessible via opening doors and hood.
- **Independent Suspension System:** Features shock absorbers on all four wheels, simulating real vehicle shock absorption.
- **Linked Steering:** The steering wheel is functionally linked to the front wheels for interactive control.
- **Realistic Wheels and Tires:** Exquisite alloy wheels with anti-skid treads.
- **Striking Design:** Red and black color scheme inspired by top supercars, embodying speed and futuristic technology.

Functional Yunnian-X suspension control system

Printed pieces

The product comes with an exclusive type label

The CaDA Master Yangwang U9 Super Car C64011W model, emphasizing the inclusion of printed pieces and an exclusive type label for enhanced detail.

7. MAINTENANCE

To ensure the longevity and appearance of your CaDA Master Yangwang U9 Super Car C64011W model, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the model with a soft, dry cloth to remove dust. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model with care, especially when operating movable parts, to avoid accidental damage.
- **Battery Care:** If the model will not be used for an extended period, remove the Lithium Ion batteries to prevent leakage and damage.

8. TROUBLESHOOTING

If you encounter issues with your CaDA Master Yangwang U9 Super Car C64011W, consider the following common solutions:

- **Model Not Responding:** Check if the batteries are correctly installed and charged. Ensure the remote control or mobile app is properly paired with the model.
- **Parts Not Moving Smoothly:** Verify that all connections are secure and that no parts are obstructing movement. Re-check the assembly steps for any missed or incorrectly placed components.
- **App Connectivity Issues:** Ensure your mobile device's Bluetooth is enabled and that the app is updated to the latest version. Try restarting both the model and your device.
- **Missing Parts:** Refer to the parts list in your instruction manual. If parts are genuinely missing, contact CaDA customer support.

9. SPECIFICATIONS

Attribute	Detail
Product Dimensions	23.7 x 11.57 x 6.3 inches (60.3 x 29.4 x 16.0 cm)
Item Weight	14.12 pounds
Model Number	C64011W
Number of Pieces	3,671
Scale	1:8
Recommended Age	14 years and up
Batteries	2 Lithium Ion batteries (included)

CaDA®
