HolaiNail L-Shaped Manicure Table with Dust Collector

HolaiNail L-Shaped Manicure Table with Dust Collector Instruction Manual

Model: L-Shaped Manicure Table with Dust Collector
Brand: HolaiNail

Product Overview

The HolaiNail L-Shaped Manicure Table is designed for professional nail technicians, offering a stable and functional workspace. It features a durable MDF construction, an integrated dust collector, and customizable LED lighting. The table's rotating design allows for flexible configurations to suit various salon or home office setups.

- **Professional Design:** Constructed from durable MDF boards, equipped with a comfortable wrist rest and an 80W dust collector for a clean environment.
- **Spacious & Organized:** A 53.1-inch desktop provides ample space, complemented by storage cabinets, a drawer, and a 3-tier side shelf with guardrails for secure storage of nail polishes and tools.
- **Customizable Ambiance:** Features an LED light strip with remote control for adjustable colors and modes, enhancing the salon atmosphere through transparent acrylic panels.
- **Versatile Configuration:** A smooth metal turntable and four caster wheels enable easy conversion between L-shaped, extended, and overlapped layouts, suitable for various uses beyond a manicure table.
- **Easy Assembly:** Designed for quick assembly with clearly labeled parts, typically requiring two people.

Setup and Assembly

This manicure table is designed for straightforward assembly. All components are clearly labeled to facilitate the process. It is recommended that two individuals perform the assembly to ensure stability and ease of construction.

1. Unpack all components and verify against the parts list provided in the packaging.
2. Follow the step-by-step instructions in the included assembly guide.
3. Ensure all screws and fasteners are securely tightened before use.
4. Attach the caster wheels to the movable section of the table, ensuring the lockable casters are functional.
5. Connect the LED light strip according to the instructions, positioning it within the transparent panels.

Operating Instructions

Dust Collector Operation

The integrated 80W dust collector helps maintain a clean workspace by efficiently capturing nail dust. Place the client's hand directly over the dust collector's grate during filing and shaping.

1. Ensure the dust collector is properly plugged into a power outlet.
2. Turn on the dust collector using its power switch.
3. Position the client's hand over the collection area to maximize dust capture.
4. After use, turn off the dust collector and proceed to clean the filter as described in the Maintenance section.

LED Light Strip Control

The table includes an LED light strip with a remote control to adjust colors, brightness, and flash modes, allowing you to create a desired ambiance.

1. Ensure the LED light strip is connected to its power source.
2. Use the provided remote control to power on/off the lights.
3. Select desired colors, adjust brightness, or choose from various flash modes using the remote's buttons. The remote control has a range of up to 5 meters.

Table Configuration and Mobility

The manicure table features a rotating design and lockable caster wheels, allowing for flexible arrangement and easy movement.

- **Rotating Mechanism:** The main desktop section can rotate 360 degrees on a smooth metal turntable, enabling L-shaped, extended, or overlapped configurations.
- **Caster Wheels:** The movable section is equipped with four caster wheels. Two of these wheels are lockable to secure the table in place during use.

Storage and Organization

The table offers ample storage solutions to keep your nail essentials organized and accessible.

- **Main Cabinets:** Two spacious cabinets provide concealed storage for larger items.
- **Drawer:** A pull-out drawer with transparent acrylic panels allows for easy visibility and access to frequently used tools.
- **Side Shelf:** A 3-tier side shelf with guardrails is ideal for storing nail polishes, accessories, and other small items, preventing them from falling.

Figure 8: The spacious and practical storage areas, featuring clear acrylic accents that enhance visibility and light flow within the cabinets and drawer.

Maintenance

Proper maintenance ensures the longevity and optimal performance of your manicure table.

- **Cleaning the Table Surface:** Wipe the table surfaces with a damp cloth to remove dust and spills. Avoid abrasive cleaners that may damage the finish.
- **Dust Collector Filter:** Regularly clean the reusable dust filter of the dust collector. Depending on usage, remove the filter and tap out accumulated dust. For thorough cleaning, wipe with a damp cloth and ensure it is completely dry before reinserting.
- **LED Light Strip:** Ensure the LED light strip and remote control are kept dry. Avoid direct contact with liquids.
- **Caster Wheels:** Periodically check the caster wheels for any debris that might hinder smooth movement. Clean as necessary.

Troubleshooting

If you encounter any issues with your HolaiNail Manicure Table, please refer to the following common solutions:

Problem	Possible Cause	Solution
Dust Collector Not Functioning	Not plugged in; power switch off; clogged filter.	Ensure power cord is securely plugged in. Turn on the power switch. Clean or replace the dust filter.
LED Lights Not Responding	Remote control battery low; light strip not connected; remote out of range.	Replace remote control batteries. Check all connections of the LED strip. Ensure remote is within 5 meters of the light strip.
Table Difficult to Rotate/Move	Caster wheels locked; debris in wheels; turntable mechanism obstructed.	Unlock the caster wheels. Clean any debris from the wheels. Ensure no items are obstructing the turntable.
Damaged or Missing Parts Upon Arrival	Shipping damage; packaging error.	Inspect all parts immediately upon delivery. Contact customer service with details and photographic evidence for replacement parts or assistance.

Specifications

Feature	Detail
Brand	HolaiNail
Model Name	L-Shaped Manicure Table with Dust Collector
