JUBEST YCM05-36x84IN

JUBEST Concealed Sliding Barn Door (36"x84") Instruction Manual

Model: YCM05-36x84IN

Brand: JUBEST

1. INTRODUCTION

This manual provides detailed instructions for the installation, operation, and maintenance of your JUBEST 36"x84" Concealed Sliding Barn Door. Please read all instructions carefully before beginning installation to ensure proper function and safety. This concealed barn door is designed for interior use, offering a modern aesthetic with smooth, quiet operation.

An overview of the JUBEST concealed sliding barn door installed in a laundry room, showcasing its sleek design.

2. KEY FEATURES

- **Sleek Design:** Light brown wooden door with an invisible track design for a floating door illusion, enhancing modern aesthetics.
- **Premium Hardware:** Aluminum structure provides solid support. Precision-designed upper and lower rollers ensure smooth sliding.
- **Soft-Close Mechanism:** Two soft-close mechanisms ensure quiet and gentle opening and closing, preventing noise and impacts.
- **Durable Surface:** Covered with PVC, making it waterproof and scratch-resistant. Easy to clean and suitable for homes with pets.
- **Versatile Application:** Suitable for various interior spaces such as living rooms, storage rooms, cloakrooms, laundry rooms, and offices.

This image highlights key features: the soft-close mechanism for quiet operation, the waterproof PVC surface for durability, and the scratch-resistant properties of the door.

Color	Light Brown
Material	Solid Wood and MDF with PVC Surface
Assembly Required	Yes

Illustrates the door's dimensions (36 inches wide, 84 inches high) and key hardware placements.

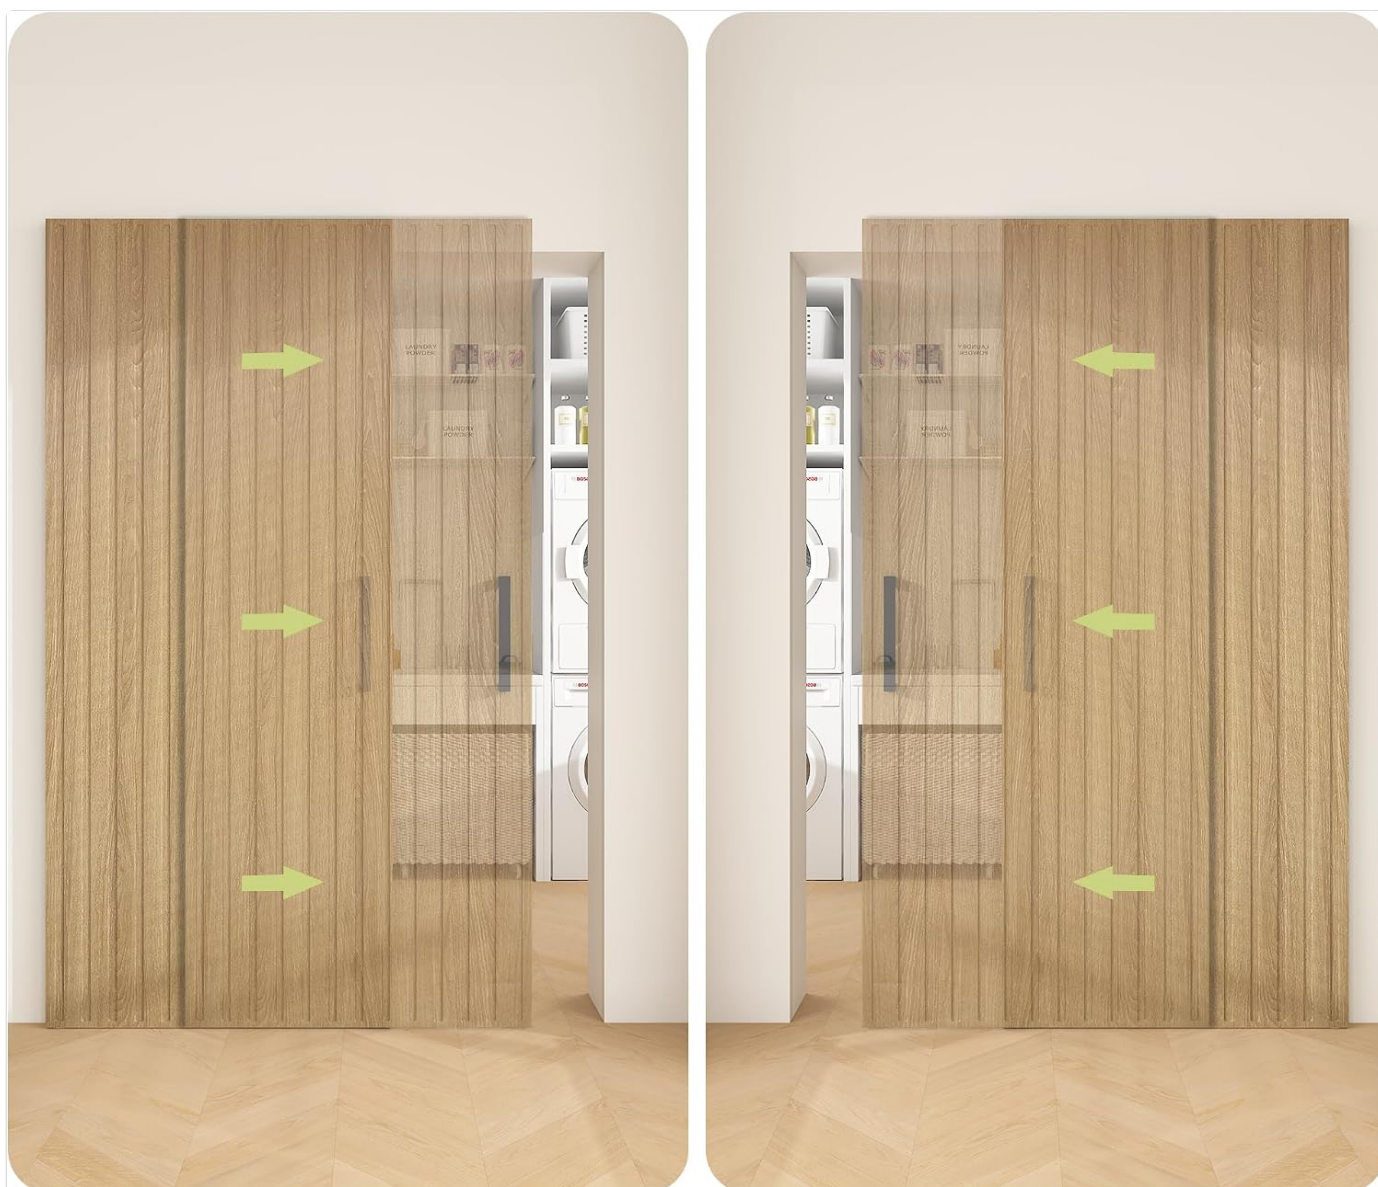

5. SETUP AND INSTALLATION

Careful installation is crucial for the proper function and longevity of your concealed sliding barn door. Follow these steps and refer to the provided video for visual guidance.

5.1 Important Notes Before Installation

- Ensure your door opening measures between 32"-34" in width and 80" in height for optimal fit.

- The door is pre-grooved to fit the included hardware.
- It is **not recommended** to use this door on carpeted floors.
- Determine the desired sliding direction (left or right) before mounting the track.

This concealed barn door can be installed to slide to the left or to the right. It is up to you.

This image demonstrates the flexibility of installation, allowing the door to slide open to either the left or right.

5.2 Installation Video Guide

For a visual walkthrough of the installation process, please watch the official JUBEST installation video:

This video provides a step-by-step guide for the installation process of the JUBEST Concealed Sliding Barn Door, demonstrating how to mount the hardware and hang the door.

5.3 Step-by-Step Installation Overview

1. **Prepare the Opening:** Ensure the door opening is clean, level, and within the recommended dimensions.
2. **Install Top Track:** Mount the top track securely above the door opening. Use appropriate fasteners for your wall type.
3. **Attach Top Rollers:** Secure the top roller mechanism to the top edge of the door panel. Refer to the L groove dimensions

for correct placement.

Laundry

Details the L groove pre-cut at the top of the door panel, with specific measurements for hardware fitting.

4. **Install Soft-Close Mechanisms:** Integrate the soft-close mechanisms into the top track as per the detailed instructions in the video.
5. **Attach Bottom Rollers:** Fix the bottom rollers to the bottom of the door panel. These rollers will engage with the floor guide.

Bottom Roller

Fix the bottom track sides and slide smoothly

*The U channel has been cut at the bottom of the door panel

*Don't recommend to use this door on carpeted floor.

A close-up of the bottom roller, designed to fix the bottom track sides and ensure smooth door sliding.

6. **Install Floor Guide:** Secure the floor guide to the floor, ensuring it aligns with the bottom groove of the door. This prevents the door from swinging.
7. **Hang the Door:** Carefully lift and hang the door onto the top track, ensuring the bottom rollers engage with the floor guide.
8. **Install Handles (Optional):** The handles are included and can be installed for easier opening and closing. You may choose not to install them to maintain the hidden design.

Demonstrates the choice of installing the handle or maintaining the door's hidden design without it.

9. **Adjust and Test:** Test the door's sliding motion and soft-close function. Make any necessary adjustments to ensure smooth and quiet operation.

6. OPERATING INSTRUCTIONS

To operate your JUBEST Concealed Sliding Barn Door, simply push or pull the door panel along its track. The integrated soft-close mechanisms will engage automatically near the end of the opening and closing cycles, gently slowing the door to prevent abrupt stops or impacts. This ensures quiet and smooth movement.

Shows the versatility of the door, illustrating its suitability for different interior spaces.

7. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your JUBEST barn door.

- **Cleaning:** The PVC surface is waterproof and scratch-resistant. Clean the door surface with a soft, damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals.
- **Track and Rollers:** Periodically inspect the top track, bottom track, and rollers for any debris or obstructions. Keep the tracks clear to ensure smooth sliding. If necessary, gently clean the rollers and track with a brush or vacuum.
- **Hardware Check:** Occasionally check all screws and fasteners to ensure they remain tight. Tighten any loose hardware to maintain stability and safety.

8. TROUBLESHOOTING

If you encounter issues with your JUBEST Concealed Sliding Barn Door, consider the following:

- **Door not sliding smoothly:** Check the top and bottom tracks for obstructions. Ensure rollers are clean and free of debris. Verify that all hardware is securely fastened and aligned.
- **Door making noise:** Inspect rollers and tracks for any foreign objects. Ensure the soft-close mechanisms are functioning correctly. Lubrication of rollers may be necessary if noise persists.
- **Door swinging:** Confirm the floor guide is properly installed and engaging with the bottom groove of the door.

If problems persist after attempting these troubleshooting steps, please contact JUBEST customer service for assistance.

9. WARRANTY AND SUPPORT

JUBEST is committed to providing quality products and customer satisfaction.

- **Return Policy:** This product is eligible for a 30-day easy return policy. Please refer to your purchase documentation for specific return procedures.
- **Customer Service:** Our professional customer service team is available to help you with any issues or questions regarding this product. Please contact us through the retailer's platform or via the contact information provided with your purchase.
