3. SETUP

3.1 Power On/Off

- **Power On:** Long press the power button on the temple for 3 seconds until you hear the "Power On" prompt.
- **Power Off:** Long press the power button on the temple for 3 seconds until you hear the "Power Off" prompt.

3.2 App Download & Bluetooth Connection

1. **Download the App:** Scan the QR code provided in the user manual or product packaging to download the 'Cyan App' on your mobile phone.
2. **Connect via Bluetooth:**
 - Ensure your glasses are powered on and in pairing mode.
 - Open the 'Cyan App' and select "Connect Device".
 - Follow the in-app prompts to pair your glasses. The glasses utilize ultra-fast, stable Bluetooth 5.4 technology for seamless connectivity.

4. OPERATING INSTRUCTIONS

4.1 Camera Functions

- **Capture Photos:** Single-click the camera button to take a 4K HD 8MP photo.
- **Record Videos:** Double-click the camera button to start 4K HD video recording. Short-press to end recording.

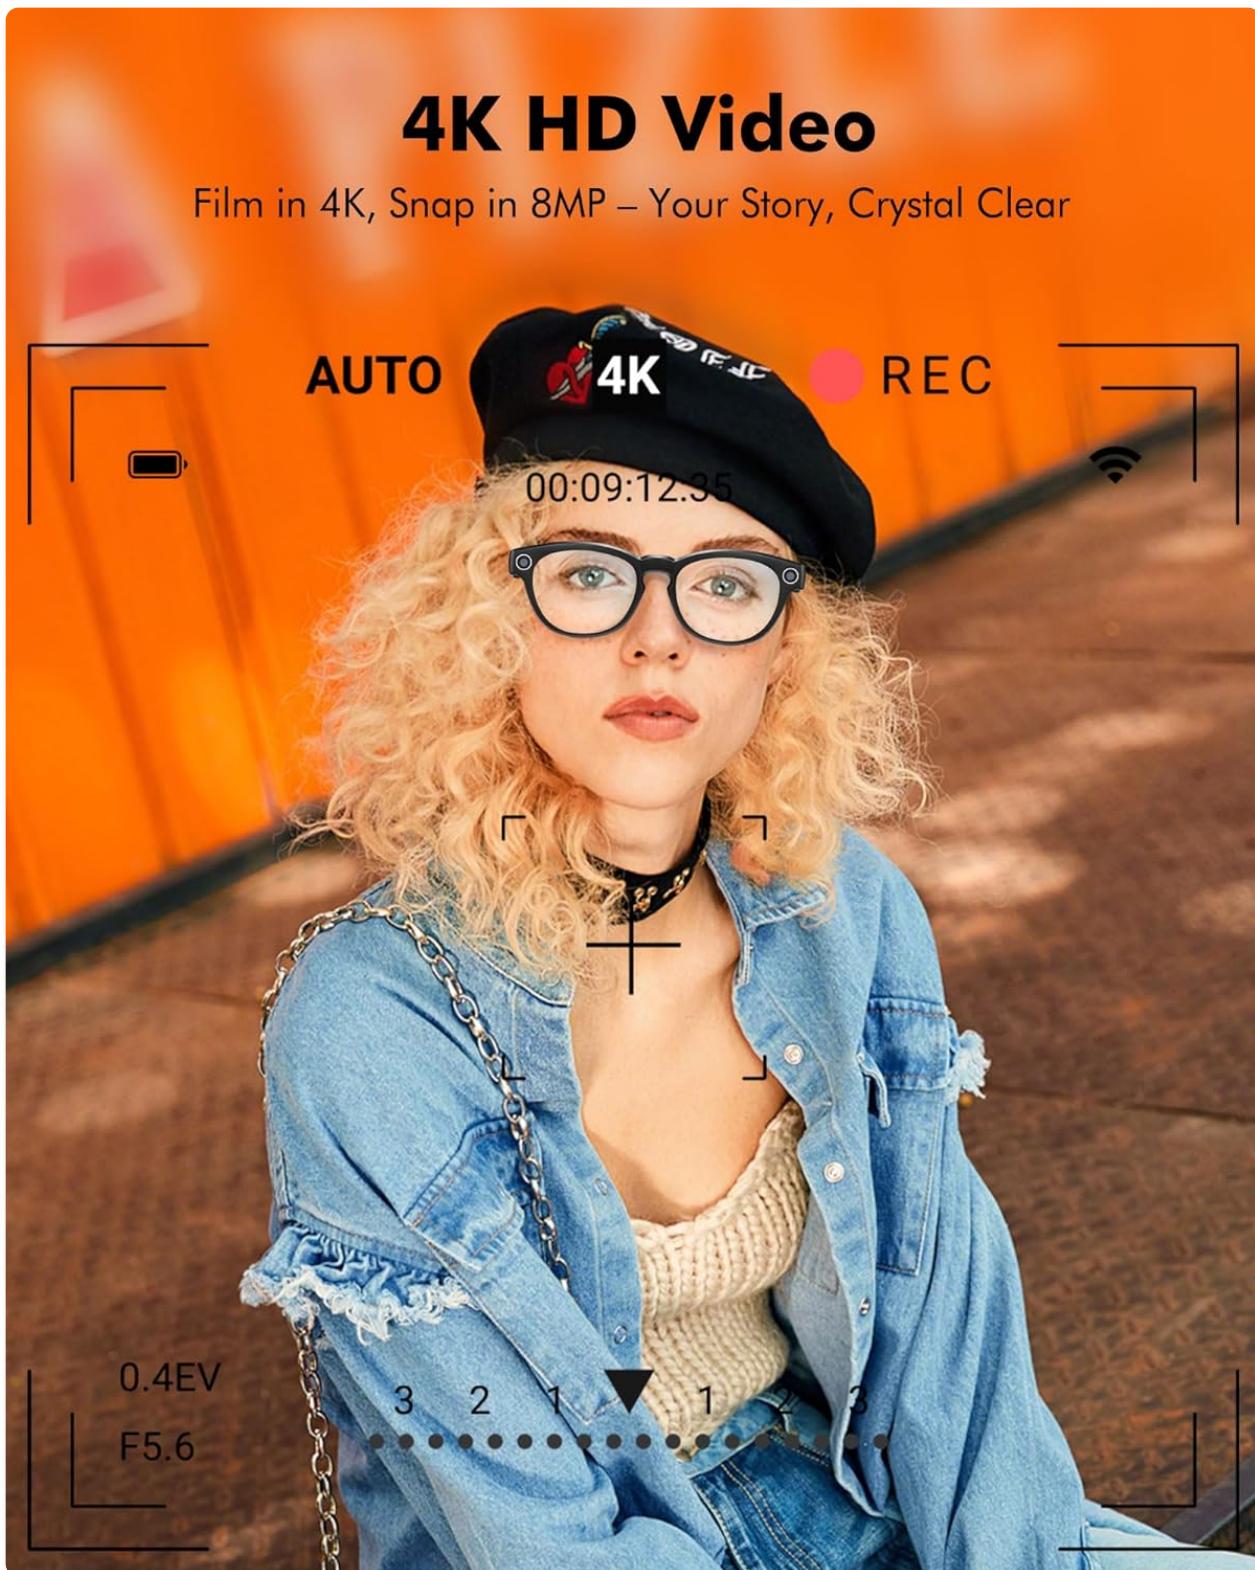

Figure 4: User capturing 4K HD video with DUCO Q8 Smart Sunglasses.

4.2 AI Assistant & Image Recognition

- **Activate AI Assistant:** Say "Hey Cyan" or long-press the designated AI button to activate the AI assistant.
- **Contextual Suggestions:** The AI assistant can analyze your surroundings and provide context-rich suggestions (e.g., weather updates).
- **AI Image Recognition:** Take a photo with your DUCO AI sunglasses and ask the AI assistant to identify objects (e.g., plants, animals).

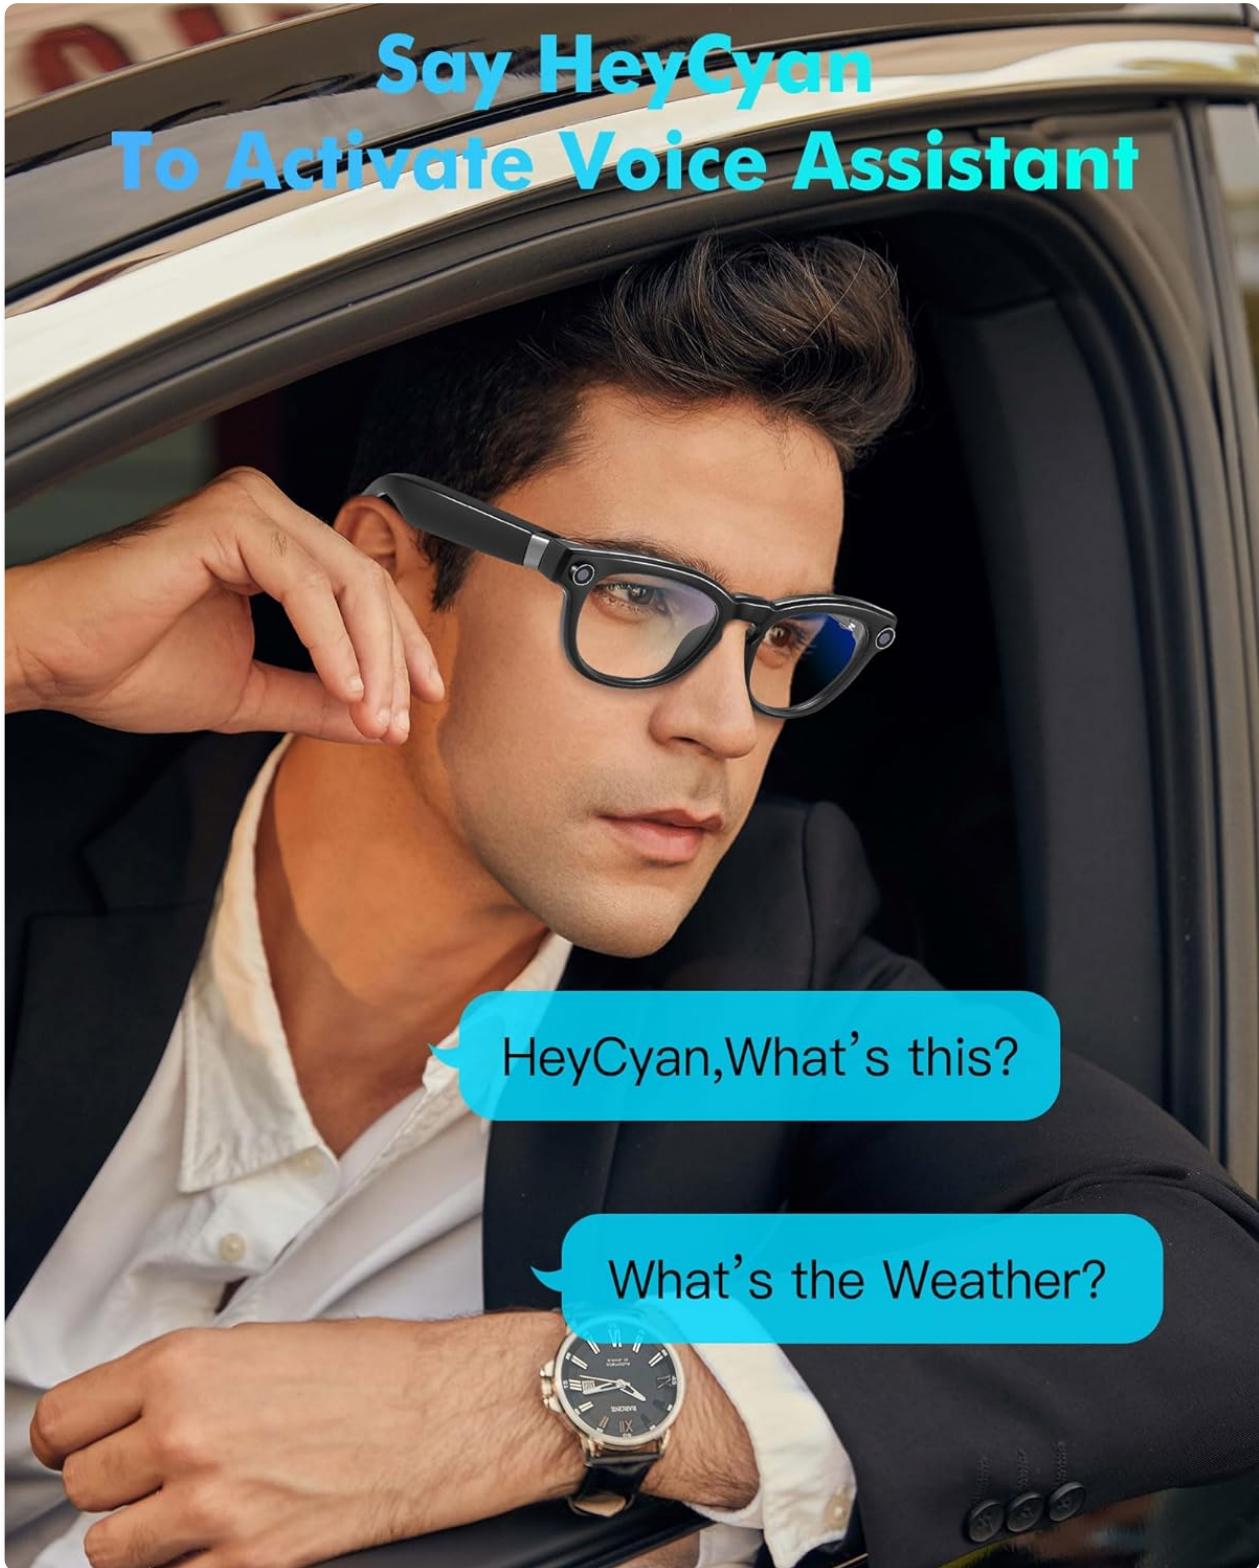

Figure 5: Voice commands to activate the AI Assistant for weather and object identification.

4.3 Real-time Translation

- The glasses support AI-powered voice translation for 163 languages, including English, Chinese,

German, French, Japanese, Russian, Spanish, Korean, and Thai.

- Use the Cyan App to select desired languages for real-time, face-to-face conversation translation.

4.4 Music & Call Controls

- **Answer/End Call:** Single-click the right-side button.
- **Decline Call:** Long-press the right-side button for 2 seconds.
- **Music Playback:** Use the right touch zone: play/pause (double-click), next song (triple-click), increase volume (swipe forward), reduce volume (swipe backward).
- **Open Hi-Fi Sound:** Dual microphones with noise reduction ensure clear call quality even when cycling, running, or commuting.

5. FEATURES OVERVIEW

- **4K HD 8MP Camera:** Capture exactly what you see and hear with an upgraded ultra-wide 8 MP camera and two mic system. Easy for you to live stream on social media.
- **Bluetooth 5.4 Technology:** Equipped with ultra-fast, stable connectivity for crystal-clear calls, lag-free music streaming, and instant pairing.
- **AI Assistant:** Use Cyan App and say 'Hey Cyan' to activate AI assistant for contextual suggestions.
- **AI Image Recognition:** Identify objects by taking a photo and asking the AI assistant.
- **8-Hour Continuous Operation:** Powered by a 300mAh high-capacity battery, delivering 8-hour active runtime (translation/calls/music) and 15-day standby time.
- **Open-Ear Audio:** Stay aware and alert of your surroundings while enjoying audio.
- **UV400 Protection:** Lenses offer UV400 protection.
- **Image Stabilization:** AI SteadyShot keeps memories sharp.
- **Sturdy Hinges & Nose Pads:** Reinforced hinges ensure durability, and one-piece nose pads reduce pressure for all-day comfort.
