### MAINTENANCE

- **Cleaning:** Wipe surfaces with a damp cloth and mild soap. Avoid abrasive cleaners.
- **Storage:** Store the play kitchen in a dry place away from direct sunlight to prevent warping or fading. The collapsible felt boxes can be easily stowed away when not in use.
- **Inspection:** Regularly check all screws and connections to ensure they are tight. Tighten as necessary to maintain stability.
- **Battery Replacement:** For features requiring batteries (e.g., lights and sounds), replace batteries as needed. Refer to the specific component for battery type and installation instructions.

### TROUBLESHOOTING

- **Lights/Sounds Not Working:** Check battery installation and ensure batteries are fresh. Verify all connections are secure.
- **Loose Parts:** If any parts become loose, re-tighten screws immediately. Do not use the product if parts are missing or severely damaged.
- **Ice Maker Malfunction:** Ensure the ice cubes are correctly placed and not jammed. Check for any obstructions in the dispenser mechanism.
