**Video Description:** This video provides a general overview of the SOUYIE Smart Watch with GPS, showcasing its design and various functionalities.

## WHAT'S IN THE BOX

- 1 SOUYIE KW350C Smart Watch
- 1 User Manual
- 1 TPU Silicone Strap
- 1 USB Magnetic Charging Cable

## SETUP

## 1. Charging the Device

Before initial use, fully charge your SOUYIE KW350C Smart Watch. Connect the magnetic charging cable to the charging contacts on the back of the watch and to a USB power source. A full charge typically takes 2 hours. 30 minutes of charging can provide up to 60 hours of battery life.

**Image Description:** The SOUYIE KW350C Smart Watch connected to its magnetic charging cable, illustrating its long battery life and charging capability.

## 2. App Installation and Pairing

Download the companion app (e.g., HaWoFit, as seen in videos) from your smartphone's app store (compatible with Android 8.0+ and iOS 9.0+). Follow the in-app instructions to pair your watch via Bluetooth. Ensure Bluetooth is enabled on your phone.

## OPERATING INSTRUCTIONS

### 1. Basic Navigation

The watch features a 1.43-inch AMOLED color screen with 466x466 HD resolution. Navigate through menus by swiping up, down, left, or right on the touchscreen. Use the physical buttons for quick access to specific functions or to return to the home screen.

### 2. Sports Modes

The watch supports 178 professional sports modes, including mountaineering, skiing, diving, surfing, running, and more. It automatically recognizes sports functions. Select your desired activity from the sports menu to track your performance.

## 178 SPORTS MODE

Built in 178 professional sports modes, from running and fitness to skiing and surfing, accompany you to challenge every possibility, and automatically recognize your sports projects!
