3. SETUP AND ASSEMBLY

Assembly of the Tribesigns YT0004 Console Table is required. Please follow the included assembly guide carefully. All necessary hardware is provided.

Assembly Steps (General Guidance):

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list in your assembly guide.
2. **Identify Hardware:** Separate and identify all screws, dowels, and other hardware.
3. **Assemble Frame:** Follow the diagrams to connect the main frame components. Do not overtighten screws until all parts are aligned.
4. **Attach Shelves:** Secure the three shelves into their designated positions.
5. **Install Back Panel:** Attach the closed back panel as instructed.
6. **Final Tightening:** Once all components are in place and aligned, securely tighten all screws.

7. **Attach Anti-Tip Hardware:** For safety, attach the anti-tip hardware to the console table and secure it to a wall stud. This step is crucial to prevent accidental tip-overs.

If any parts are missing or damaged, or if you encounter difficulties during assembly, please refer to the "Warranty and Support" section for assistance.

Weight Capacity:

Distribute weight evenly across the shelves. Avoid placing excessively heavy items on any single shelf, especially the top shelf, to maintain stability and prevent damage.

5. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your console table.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent moisture absorption and staining.
- **Heat and Moisture:** Keep the table away from direct heat sources (e.g., radiators, fireplaces) and areas of high humidity to prevent warping or discoloration of the engineered wood.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Floor Protection:** The table includes anti-scratch pads. Ensure these are properly installed to protect your flooring.
