3.4 Weight Tuning System

Customize the mouse's weight and balance to your preference. The mouse includes 8 detachable 2.4g weights located internally. To adjust, turn the lock on the bottom of the mouse to the "open" direction, remove the weight adjustment box, and add or remove weights as desired. Then, reinsert the box and turn the lock to "close".

Weight And Balance Tuning

8x2.4g Pieces Weight Can Be Adjust According To Your Gaming Needs
