## HOOBRO BK78UDWJ01

# HOOBRO BK78UDWJ01 2-Drawer File Cabinet Instruction Manual

Model: BK78UDWJ01 | Brand: HOOBRO

## INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your HOOBRO 2-Drawer File Cabinet with Charging Station, LED Lights, and Bookshelf. Please read all instructions carefully before assembly and use to ensure safe and proper functionality.

## SAFETY INFORMATION

### WARNING:

- Always unplug the charging station before assembly or disassembly.
- Keep the charging station dry and free from any liquids.
- Do not overload the drawers.
- Always use the furniture in a well-ventilated area.
- Keep the furniture away from heat sources and open flames.
- Always follow the instructions provided with the product.

## PRODUCT FEATURES

- **Convenient Charging Station:** Integrates 2 AC outlets, 1 USB C port, and 1 USB A port for charging various office devices.
- **Cabinet with LED Lights:** Features glass doors and integrated LED lighting to illuminate displayed items and create ambiance.
- **Ample Storage Space:** Includes two secure drawers for documents, a three-tier bookcase, and an open shelf suitable for printers.
- **Multifunctional Design:** Accommodates legal, letter, and A4 size files, and can store books, folders, printers, and other office supplies.
- **Stylish and Sturdy Construction:** Crafted from high-quality particleboard and MDF with a black finish and gold metal accents.

## OPERATING INSTRUCTIONS

### 1. Charging Station

The integrated charging station provides convenient power access for your electronic devices.

1. Locate the power cord extending from the back of the cabinet.
2. Plug the power cord into a standard wall outlet.
3. Connect your devices to the available 2 AC outlets, 1 USB C port, or 1 USB A port.
4. Ensure devices are properly connected for charging.

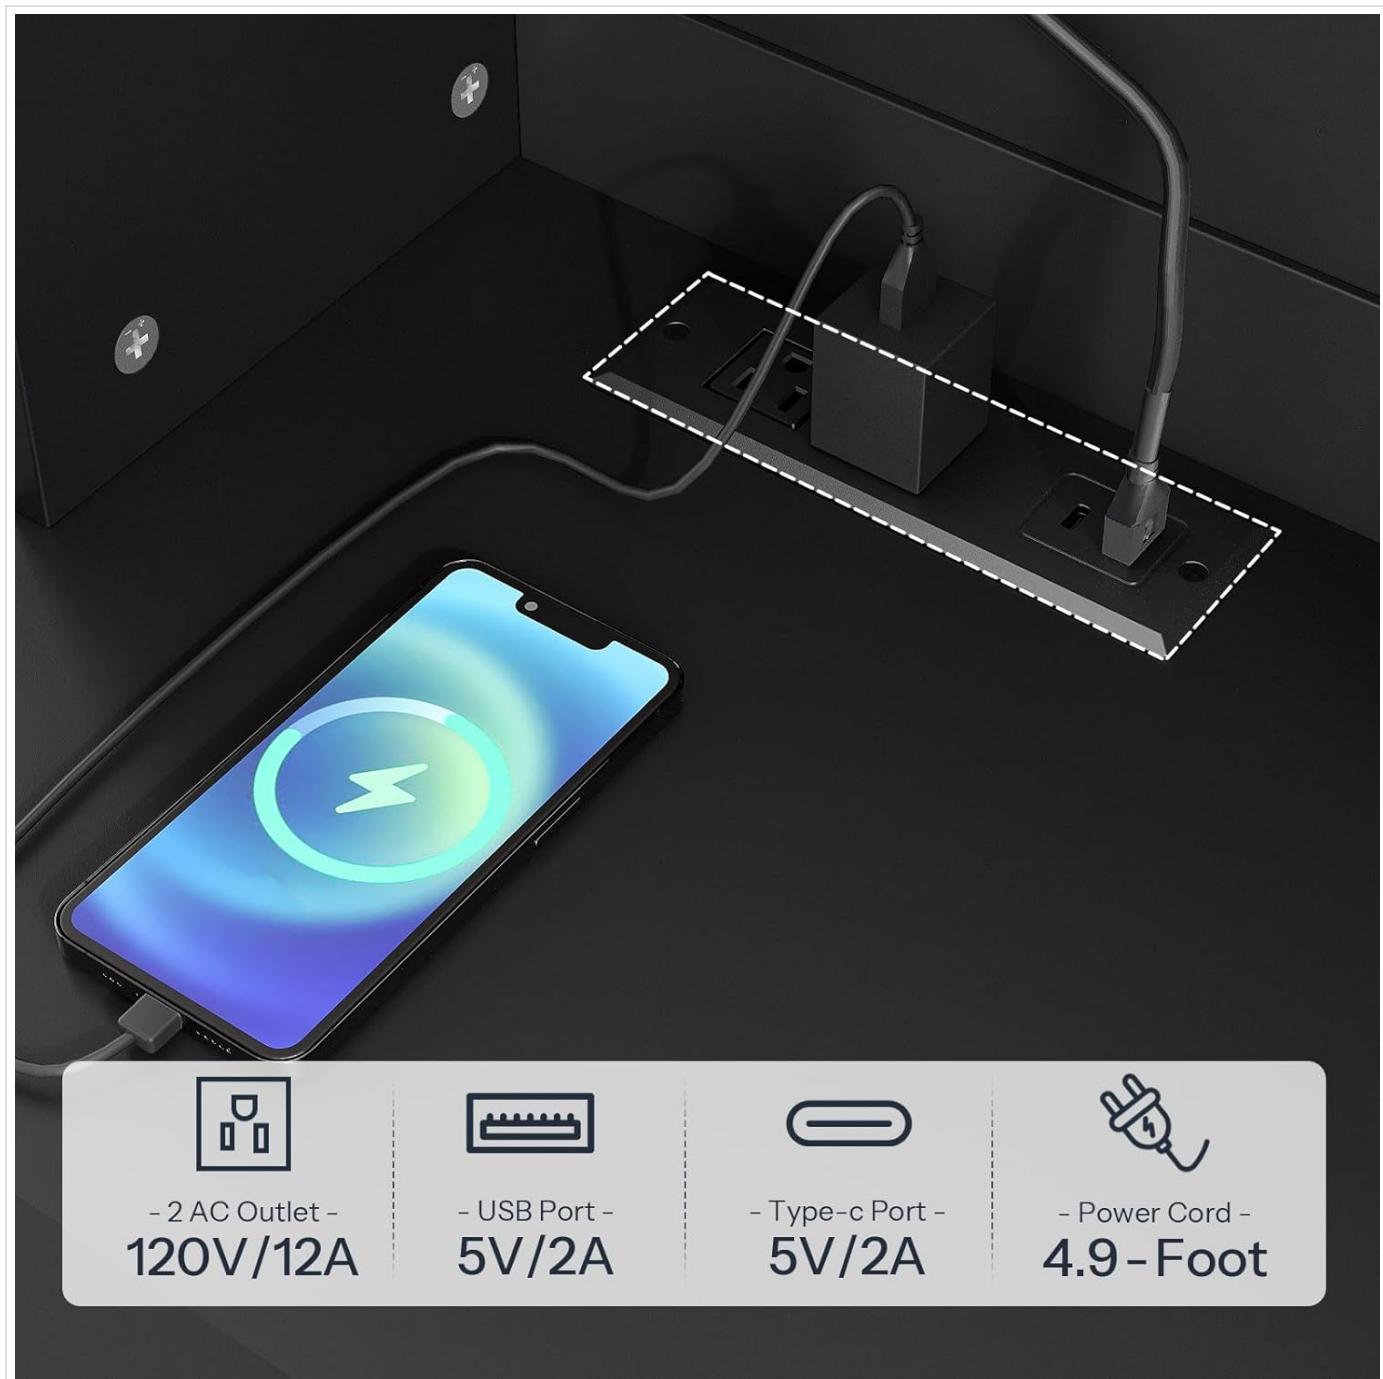

Figure 3: The built-in charging station with AC outlets and USB ports, demonstrating device charging capability.

## 2. LED Lights

The cabinet features integrated LED lights to enhance visibility and ambiance.

1. Ensure the cabinet's main power cord is plugged into an outlet.
2. Use the provided remote control to turn the LED lights ON/OFF.
3. Adjust colors, brightness, and lighting modes using the remote control functions.

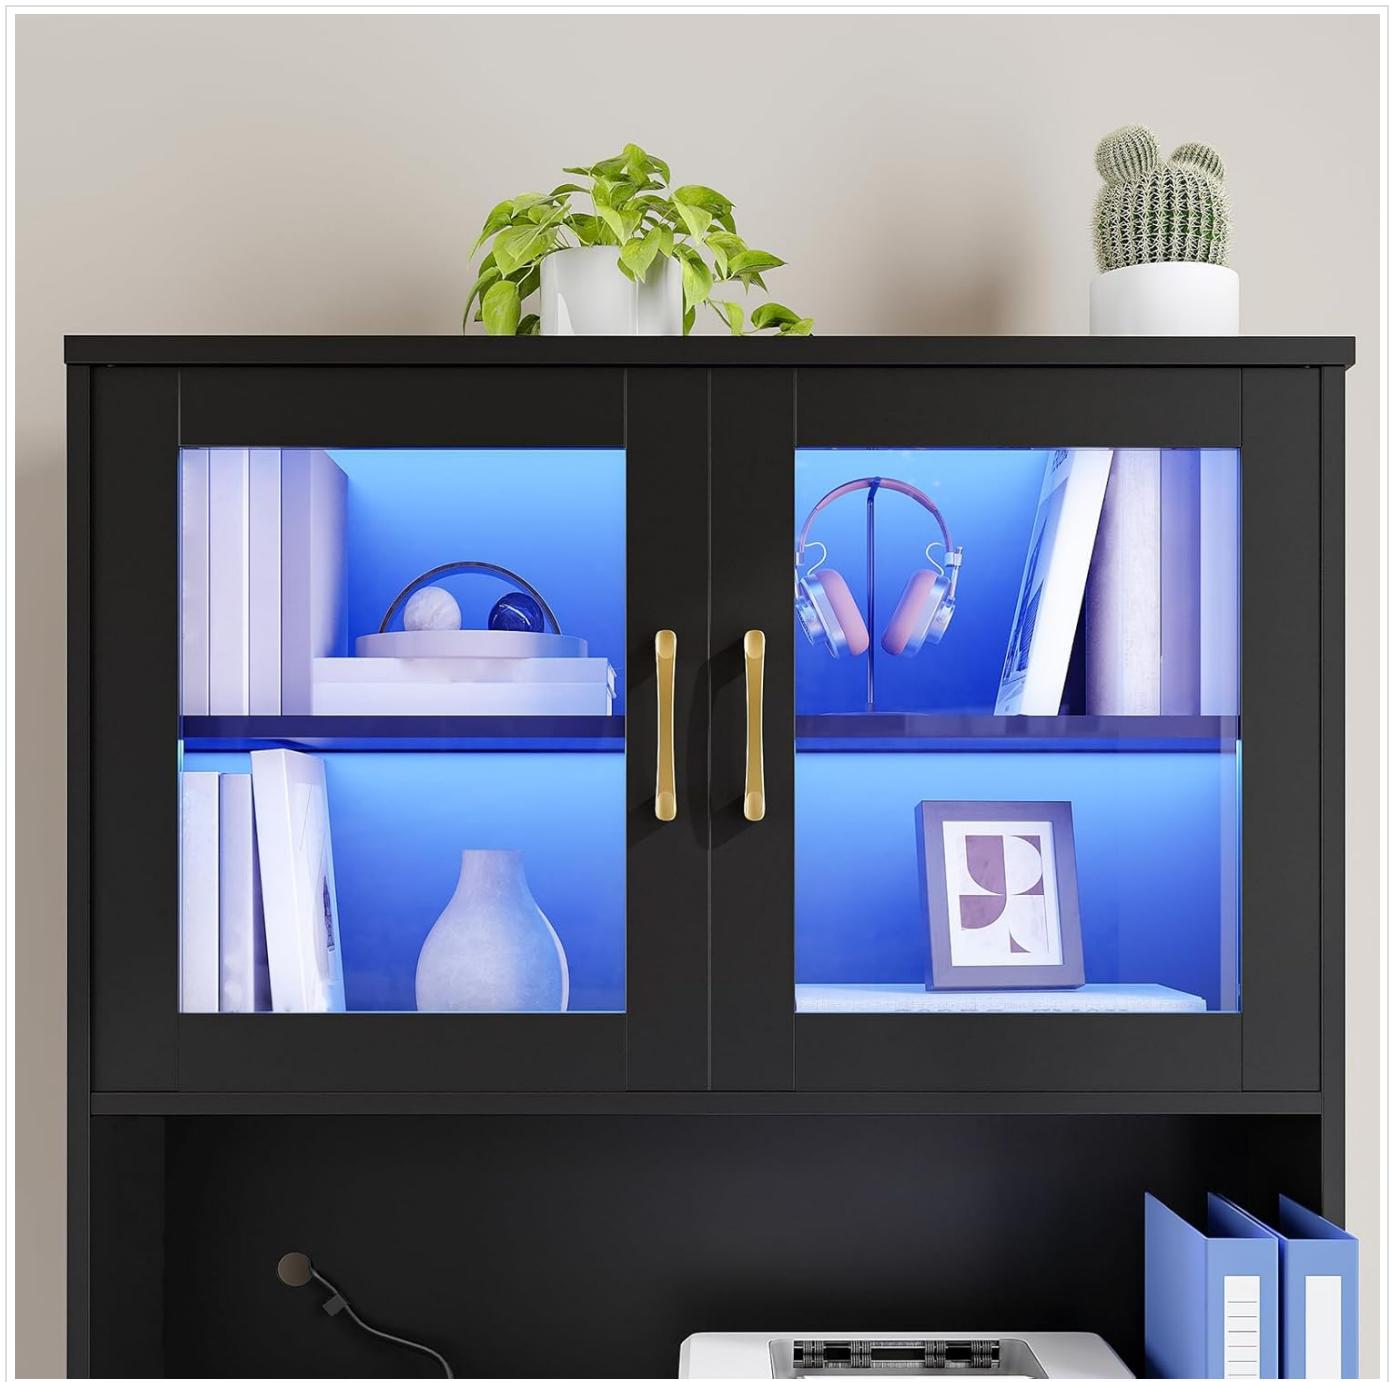

Figure 5: Detailed view of the glass doors with internal LED illumination, highlighting displayed items.

### 3. File Drawers and Storage

The two bottom drawers are designed for organized file storage, accommodating Letter, Legal, and A4 sizes. The upper shelves provide additional storage and display options.

- To open a drawer, gently pull the handle.
- Adjust the hanging file rails within the drawers to fit your desired file size (Letter, Legal, A4).
- Utilize the open shelves for books, folders, or a printer.
- The top glass-door cabinet shelves are ideal for displaying decorative items or frequently accessed books.

Figure 7: The open storage shelves, suitable for organizing books, binders, or other office essentials.

## MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure stability.
- **Electrical Components:** Keep the charging station and LED lights dry. Do not attempt to repair electrical components yourself.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Charging station not working.	Power cord unplugged; device not properly connected; power outage.	Ensure power cord is securely plugged into outlet. Check device connection. Verify power to the outlet.
LED lights not turning on.	Power cord unplugged; remote control battery low; LED strip connection loose.	Check power cord connection. Replace remote control battery. Ensure LED strip is securely connected.
Drawers are stiff or difficult to open/close.	Overloaded drawer; debris in drawer slides; loose hardware.	Reduce weight in the drawer. Clean drawer slides. Tighten drawer slide screws.
