SETUP AND ASSEMBLY

The Halitaa Cat Litter Box Enclosure is designed for straightforward assembly. All necessary tools, parts, and detailed installation instructions are included in the package. For faster and more convenient installation, it is recommended that two people assemble the unit together.

Assembly Steps:

1. Unpack all components and verify against the parts list provided in the instruction manual.
2. Follow the step-by-step pictorial instructions to connect the panels and frame using the provided hardware.
3. Attach the doors, ensuring the magnetic locks are properly aligned for secure closure.
4. Place the top panel securely onto the assembled frame.

5. Ensure all screws and fasteners are tightened for stability.

OPERATING INSTRUCTIONS

This enclosure offers flexible usage options to suit your cat's needs and your home setup.

- **Litter Box Placement:** Place a standard-sized litter box (maximum 21.85"L x 16.14"W) in one or both compartments. The enclosed design provides privacy and helps contain odors.
- **Cat Bed/Resting Area:** Alternatively, place a cat bed (maximum 22.24"L x 16.5"W) in one or both compartments to create a cozy resting spot.
- **Internal Passageway:** Cats can freely move between the two compartments through the internal passageway, allowing them to choose their preferred entry/exit point or move between a litter area and a resting area.
- **Storage and Display:** Utilize the spacious countertop and open shelves for storing pet food, toys, grooming supplies, or for displaying decorative items. It can also serve as a TV stand.

MAINTENANCE

Regular cleaning and maintenance will help keep your Halitaa Cat Litter Box Enclosure in excellent condition and maintain a hygienic environment for your pets.

- **Cleaning Surfaces:** Wipe down all surfaces with a soft, damp cloth. For tougher stains, use a mild, pet-safe cleaner. Avoid abrasive cleaners that may damage the finish.
- **Litter Box Area:** Regularly scoop and clean the litter box. The double doors provide easy access for cleaning and changing litter.
- **Ventilation:** Ensure the ventilation holes on the back of the enclosure remain clear to allow for proper air circulation and odor control.
- **Inspection:** Periodically check all fasteners and connections to ensure they remain tight and secure.

TROUBLESHOOTING

If you encounter any issues with your Halitaa Cat Litter Box Enclosure, please refer to the following common solutions:

- **Odor Persistence:** Ensure the litter box is cleaned regularly and that the ventilation holes are not obstructed. Consider using a high-quality odor-absorbing litter.
- **Instability:** Check all assembly screws and ensure they are securely tightened. Verify that the unit is placed on a flat, stable surface.
- **Doors Not Closing Properly:** Inspect the magnetic latches for any obstructions or misalignment. Adjust hinges if necessary.
