CHiQ LF32FT

CHiQ LF32FT 32-inch Full HD Google TV Instruction Manual

Model: LF32FT

[Introduction](#) [Safety Information](#) [What's in the Box](#) [Setup](#) [Operating Instructions](#) [Maintenance](#) [Troubleshooting](#) [Specifications](#) [Warranty & Support](#)

1. INTRODUCTION

Welcome to the CHiQ LF32FT 32-inch Full HD Google TV. This manual provides essential information for setting up, operating, and maintaining your new television. Please read it thoroughly to ensure optimal performance and safety. The CHiQ LF32FT offers a Full HD display with HDR10 for enhanced contrast and vibrant colors. It features the Google TV OS, providing access to a wide range of applications and voice control via Google Assistant. Integrated Dolby Audio and dbx-tv technologies deliver a rich sound experience. Its metallic frameless design ensures a sleek aesthetic suitable for various living spaces.

2. SAFETY INFORMATION

Always follow these basic safety precautions when using your television:

- Do not expose the TV to rain or moisture to prevent fire or electric shock.
- Do not open the TV casing. Refer all servicing to qualified personnel.
- Ensure proper ventilation. Do not block ventilation openings.
- Place the TV on a stable, level surface to prevent it from falling.
- Keep the TV away from heat sources such as radiators, heat registers, stoves, or other apparatus that produce heat.
- Unplug the TV during lightning storms or when unused for long periods.
- Use only attachments/accessories specified by the manufacturer.
- Clean only with a dry cloth.

3. WHAT'S IN THE Box

Upon opening the package, ensure all the following items are present:

- CHiQ LF32FT 32-inch Full HD Google TV
- Power Cable

- Remote Control
- Batteries for Remote Control
- TV Stands (2 pieces)
- User Manual (this document)

Image: The CHiQ LF32FT television with its dimensions (718.4mm width, 420.7mm height, 69.2mm depth without stand) and a list of included accessories: power cable, remote control, batteries, stands, and user manual.

4. SETUP

4.1 Attaching the TV Stands

1. Carefully place the TV screen-down on a soft, flat surface to prevent damage.
2. Align each stand with the corresponding screw holes on the bottom of the TV.
3. Secure the stands using the provided screws.

Alternatively, the TV supports VESA 20x20 cm wall mounting. Ensure to use appropriate wall mount hardware (not included) and follow the wall mount manufacturer's instructions.

Controlla il televisore solo con la tua voce

* La funzione di controllo vocale è implementata in base all'app utilizzata sul telefono.

4.2 Connecting Peripherals

Your CHiQ LF32FT TV offers multiple connectivity options:

- **HDMI 1.4 x 3:** For connecting devices like Blu-ray players, gaming consoles, or set-top boxes.
- **USB 2.0 x 2:** For connecting USB drives to play media or for software updates.
- **AV IN x 1:** For older devices using composite video and stereo audio.
- **LAN x 1:** For a wired internet connection.
- **Headphone x 1:** For connecting headphones.
- **RF x 1:** For connecting an antenna or cable TV.
- **CI+ x 1:** For Conditional Access Module (CAM) to decrypt pay-TV channels.
- **Optical x 1:** For digital audio output to soundbars or home theater systems.

4.3 Initial Power-On and Network Setup

1. Connect the power cable to the TV and a power outlet.
2. Press the power button on the remote control or TV.
3. Follow the on-screen instructions to select your language, country, and connect to your Wi-Fi network (supports dual-band Wi-Fi).
4. Sign in with your Google account to access Google TV features.

5. OPERATING INSTRUCTIONS

5.1 Google TV OS and Smart Features

Your CHiQ LF32FT runs on Google TV OS, offering a personalized experience with access to over 10,000 apps including Netflix, Disney+, YouTube, and Prime Video. The interface organizes content from all your streaming services in one place.

Video: This video from CHiQ - Home Entertainment introduces a 2022 Smart TV with Android 11. It highlights the full-screen design, Google Assistant integration, HDR10, and dbx-tv audio, showcasing a seamless user experience and vibrant display.

6. MAINTENANCE

- **Screen Cleaning:** Gently wipe the screen with a soft, lint-free cloth. For stubborn marks, use a screen-specific cleaner applied to the cloth, not directly to the screen.
- **Casing Cleaning:** Use a soft, dry cloth to wipe the TV casing. Avoid using abrasive cleaners or solvents.
- **Ventilation:** Ensure the ventilation openings on the back of the TV are not blocked to prevent overheating.
- **Power Cable:** Regularly check the power cable for any damage. If damaged, replace it immediately with an approved cable.

7. TROUBLESHOOTING

Problem	Possible Solution
No power	Check if the power cable is securely connected to the TV and the power outlet. Ensure the power outlet is working.
No picture, but sound is present	Check the input source. Ensure the connected device is powered on and its cables are properly connected.
No sound, but picture is present	Check the volume level and mute settings. Ensure external audio devices are properly connected and configured.
Remote control not working	Replace the batteries. Ensure there are no obstructions between the remote and the TV's IR sensor.
Wi-Fi connection issues	Restart your router and the TV. Ensure the TV is within range of your Wi-Fi network. Check network settings on the TV.
