IRONCK HK-GZBTG Kitchen Island with Extendable Dining Table User Manual

Model: HK-GZBTG

1. Product Overview

The IRONCK HK-GZBTG Kitchen Island is a versatile furniture piece designed to enhance kitchen functionality and dining space. It features an extendable dining table, multiple storage options including drawers, cabinets, and a spice rack, and is equipped with casters for mobility. The design incorporates a durable quartz laminate tabletop and a sturdy construction.

2. Safety Information

- Always secure the extendable table when in use to prevent tip-overs.
- Be cautious of sharp edges and heavy weight during assembly and use.
- Follow assembly instructions carefully to ensure stability and safety.
- Keep the product away from heat sources to prevent damage.
- Ensure all casters are locked when the island needs to remain stationary.

3. Setup and Assembly

This kitchen island is designed for home assembly. Clear step-by-step instructions and pre-labeled parts are included with

the product to simplify the process. It is recommended to have a second person assist with assembly due to the item's weight and size.

3.1 Unpacking and Inspection

- Carefully unpack all components and hardware from the two boxes.
- Verify that all parts listed in the assembly guide are present and undamaged. Contact customer support immediately if any parts are missing or damaged.

3.2 Assembly Tips

- Assemble on a soft, clean surface to prevent scratches.
- Do not overtighten screws during initial assembly; tighten fully once the structure is stable.
- An electric drill with appropriate bits can expedite the process, but use with caution to avoid stripping screws or damaging wood.

4. Operating Instructions

4.1 Extendable Dining Table

The kitchen island features an extendable section that can be pulled out to create additional dining or workspace. To extend, gently pull the movable section outwards until it is fully extended and stable. To retract, push the section back into the main unit. Ensure the adjustable locking casters on the extendable table are engaged when in use for stability.

4.2 Storage Features

- **Drawers:** Two spacious drawers are equipped with triple-rail metal slides for smooth operation.
- **Concealed Cabinet:** A side cabinet provides high-capacity storage for larger items.
- **Glass Display Cabinet:** Features fluted glass doors and adjustable shelves for customizable storage and display.
- **Spice Rack & Pegboard:** An external spice rack keeps seasonings accessible, and a metal pegboard panel offers

additional utility hook storage.

4.3 Mobility and Stability

The island is fitted with 7 high-quality rubber silent 360° swivel casters for easy movement. Two locking casters are located under the main cabinet (left), and two adjustable locking casters are under the extendable table. The remaining three are swivel casters. Engage the locking casters to secure the island in a desired position and disengage them for mobility.

5. Maintenance

5.1 Cleaning

- The quartz laminate tabletop is resistant to scratches and stains and is easy to clean. Wipe surfaces with a soft, damp cloth and mild detergent.
- Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- Promptly wipe up spills to prevent staining, especially on the wood components.

5.2 General Care

- Regularly check and tighten any loose screws or fittings to maintain structural integrity.
- Avoid placing excessively hot items directly on the tabletop without protection.
- Do not overload drawers or shelves beyond their recommended weight capacity.

6. Troubleshooting

6.1 Stability Issues

- If the island feels wobbly, ensure all assembly screws are securely tightened.
- Verify that the locking casters are fully engaged when the island is stationary.
- Check that the floor surface is even. Adjust the adjustable locking casters if necessary to compensate for

unevenness.

6.2 Drawers Not Sliding Smoothly

- Ensure the drawer slides are properly aligned and free of obstructions.
- Check that the drawer is not overloaded.
- Inspect the triple-rail metal slides for any damage or debris.

6.3 Difficulty Extending/Retracting Table

- Ensure the path for the extendable table is clear of any objects.
- Check the casters on the extendable section for smooth rotation; clean if necessary.
- Apply a small amount of silicone lubricant to the sliding mechanisms if resistance persists.
