VOTAZIB T10

VOTAZIB T10 Smart Watch User Manual

Model: T10

1. Product Overview

The VOTAZIB T10 Smart Watch is a versatile fitness tracker and communication device designed for both men and women. It features a 1.85-inch HD full-touch display, Bluetooth calling capabilities, comprehensive health monitoring, and a wide range of sports modes. This manual provides essential information for setting up, operating, and maintaining your smartwatch.

3. Setup Guide

3.1 Initial Charging

Before first use, please fully charge your smartwatch to activate it. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a power source. A full charge typically takes about 2 hours.

3.2 App Download and Pairing

To unlock the full potential of your smartwatch, download and install the companion app, 'Dee Fit', on your smartphone. The app is compatible with Android 5.0 and above and iOS 9.0 and above.

1. Turn on the Bluetooth function on your smartphone.
2. Open the Google Play Store or Apple App Store and search for "Dee Fit" to download.
3. Open the Dee Fit app, click "Please connect device", then "Select device", find "T10" and bind it.

4. After selecting "T10" to connect, on the mobile phone system pop-up pairing request, select pairing.
5. Turn on the call Bluetooth switch on the watch (used when the watch cannot make calls and play media sound).
6. In the phone settings, in the system Bluetooth, turn on these permissions of the T10.
7. Once connected, you can use the watch to answer/make calls anytime.

4. Operating Instructions

4.1 Basic Navigation

The smartwatch features a 1.85" HD full-touch display for easy navigation. Swipe left, right, up, or down to access different menus and functions. Use the side button to return to the main screen or activate specific features.

4.2 Bluetooth Calling and Message Reminder

With the built-in microphone and speaker, you can make and receive calls directly from your smartwatch. Sync contacts and view call logs. Receive message notifications from apps like WhatsApp, Facebook, and Instagram, with a vibration alert so you don't miss important communications.

Image: A smartwatch displaying incoming message notifications from popular social media and messaging applications, with a smartphone showing the app settings.

4.3 Watch Faces

Customize your smartwatch with over 100 stylish watch faces available through the Dee Fit app, or upload your own photos to personalize the display.

4.4 Voice Assistant

Utilize the integrated voice assistant for quick commands such as checking the weather or setting alarms, enhancing convenience and hands-free operation.

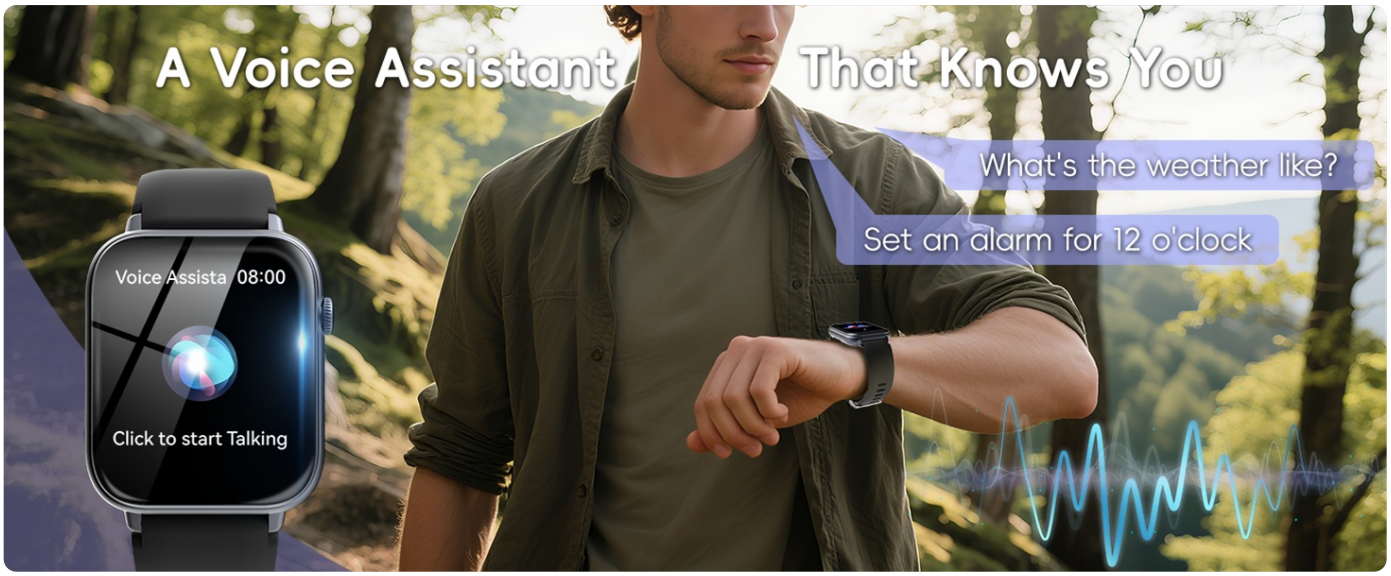

Image: A person interacting with the smartwatch's voice assistant feature, showing prompts like 'What's the weather like?' and 'Set an alarm for 12 o'clock'.

4.5 Music Control

Control music playback on your smartphone directly from your watch. Play, pause, skip tracks, and adjust volume without needing to access your phone.

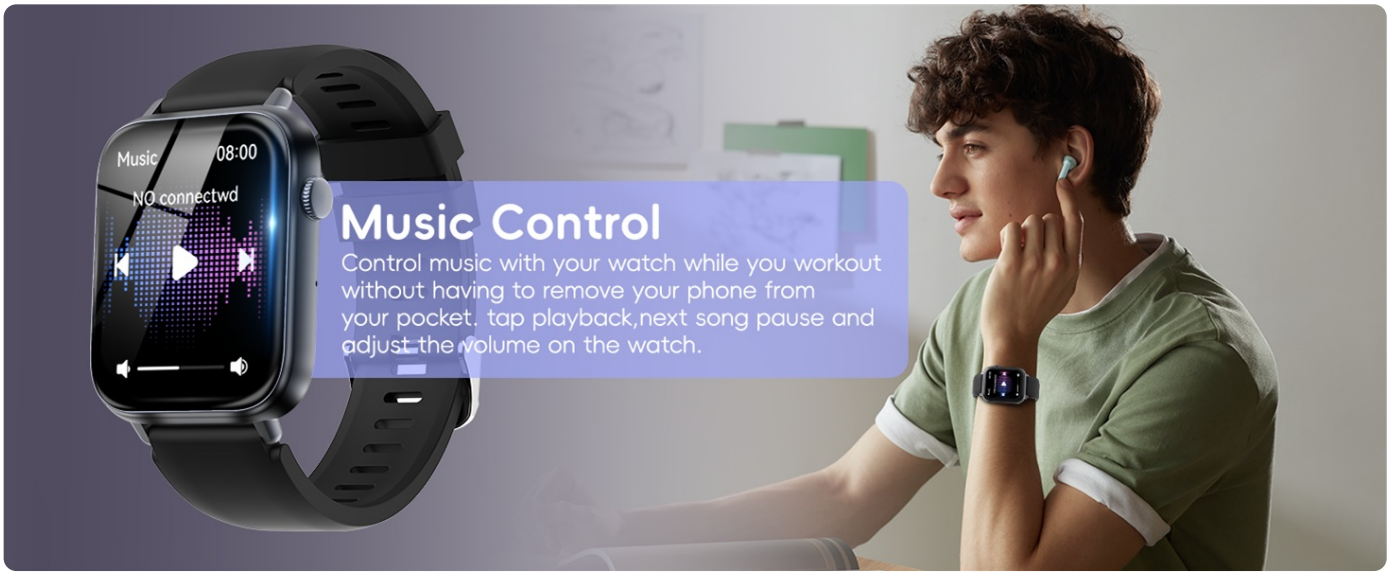

Image: A person using the smartwatch to control music while working out, showing the music player interface on the watch.

4.6 Camera Control

Use your smartwatch as a remote shutter for your smartphone camera, allowing for convenient photo capture from a distance.

4.7 Other Functions

The smartwatch includes additional useful features such as weather forecast, alarm clock, timer, stopwatch, flashlight, meditation guide, and a 'find phone' function.

5. Health Monitoring

The VOTAZIB T10 Smart Watch is equipped with advanced sensors to help you monitor your health and fitness.

5.1 Heart Rate & Sleep Monitor

Continuously monitors your heart rate throughout the day. It also analyzes your sleep patterns (light, deep, and REM sleep) to provide insights into your rest quality and help you build healthier habits. All data syncs to the Dee Fit app for detailed weekly insights.

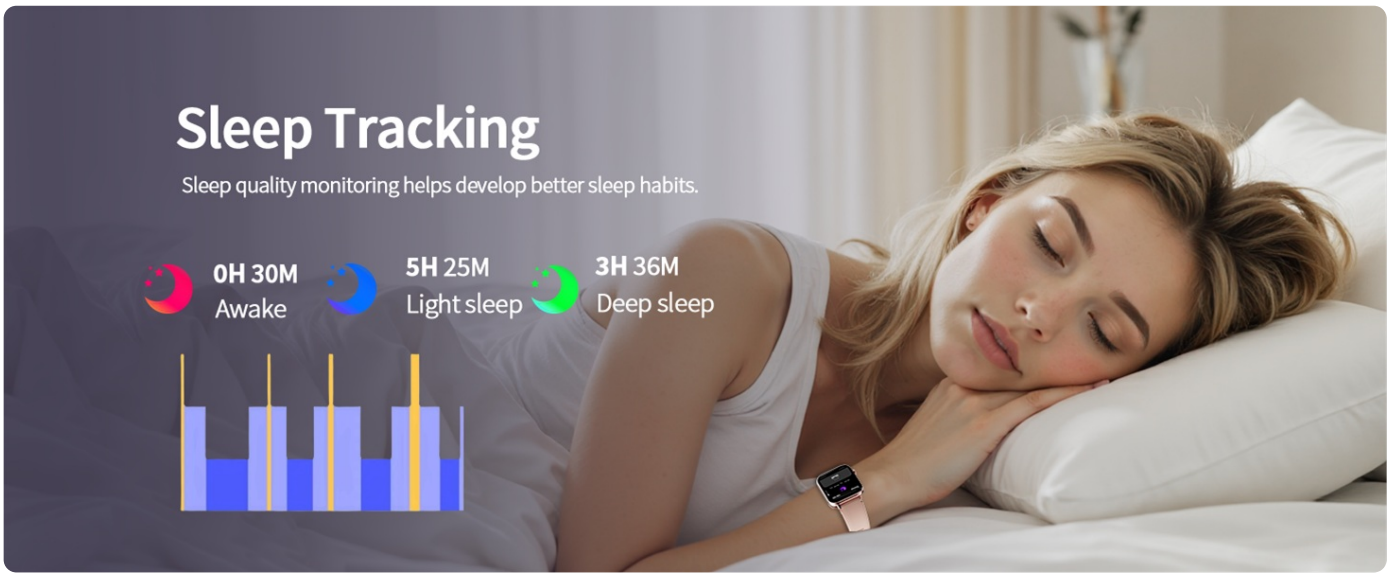

Image: A person sleeping, with the smartwatch displaying sleep tracking data, including awake time, light sleep, and deep sleep durations.

5.2 Activity Tracking & Sports Modes

Track your daily activity including steps, calories burned, and distance covered. The watch supports over 110 sports modes, such as walking, running, cycling, yoga, and hiking, capturing real-time exercise data to help you achieve your fitness goals.

Image: A person snowboarding, with the smartwatch displaying various sports mode icons and fitness tracking metrics.

6. Maintenance

6.1 IP68 Waterproof Rating

The smartwatch has an IP68 waterproof rating, making it suitable for daily activities such as handwashing, sweating during workouts, and use in rainy conditions. It is not recommended for hot showers, saunas, or diving.

Image: The smartwatch partially submerged in water, with text indicating its IP68 waterproof, sweat-proof, and rain-proof capabilities.

6.2 Battery Life

Equipped with a large-capacity battery and magnetic charging, the smartwatch offers long-lasting performance. A 2-hour charge provides up to 30 days of standby time and 7 days of use in normal mode.

7. Specifications

Charging Time	2 hours
Waterproof Rating	IP68
Item Weight	2.89 ounces (0.08 Kilograms)
Package Dimensions	6.1 x 3.39 x 0.75 inches

8. Troubleshooting

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the magnetic charger for at least 10 minutes.
- **Cannot pair with phone:** Make sure Bluetooth is enabled on your phone and the watch. Ensure the Dee Fit app has necessary permissions. Try restarting both devices.
- **Notifications not received:** Check app permissions on your phone for Dee Fit. Ensure notifications are enabled within the Dee Fit app settings for specific applications.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensor on the back of the watch regularly.
- **Short battery life:** Reduce screen brightness, disable unnecessary notifications, and limit continuous heart rate monitoring if not needed.

9. Warranty & Support

VOTAZIB offers a one-year extended warranty and professional 7/24 customer service. For any product questions or support, please refer to the contact information provided on your warranty card or within the Dee Fit app.
