

## DAMCROP VD02

# DAMCROP Fluted Vanity Desk with HD Mirror and Lights

Model: VD02

## INTRODUCTION

Thank you for choosing the DAMCROP Fluted Vanity Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read these instructions carefully before beginning assembly and retain them for future reference.

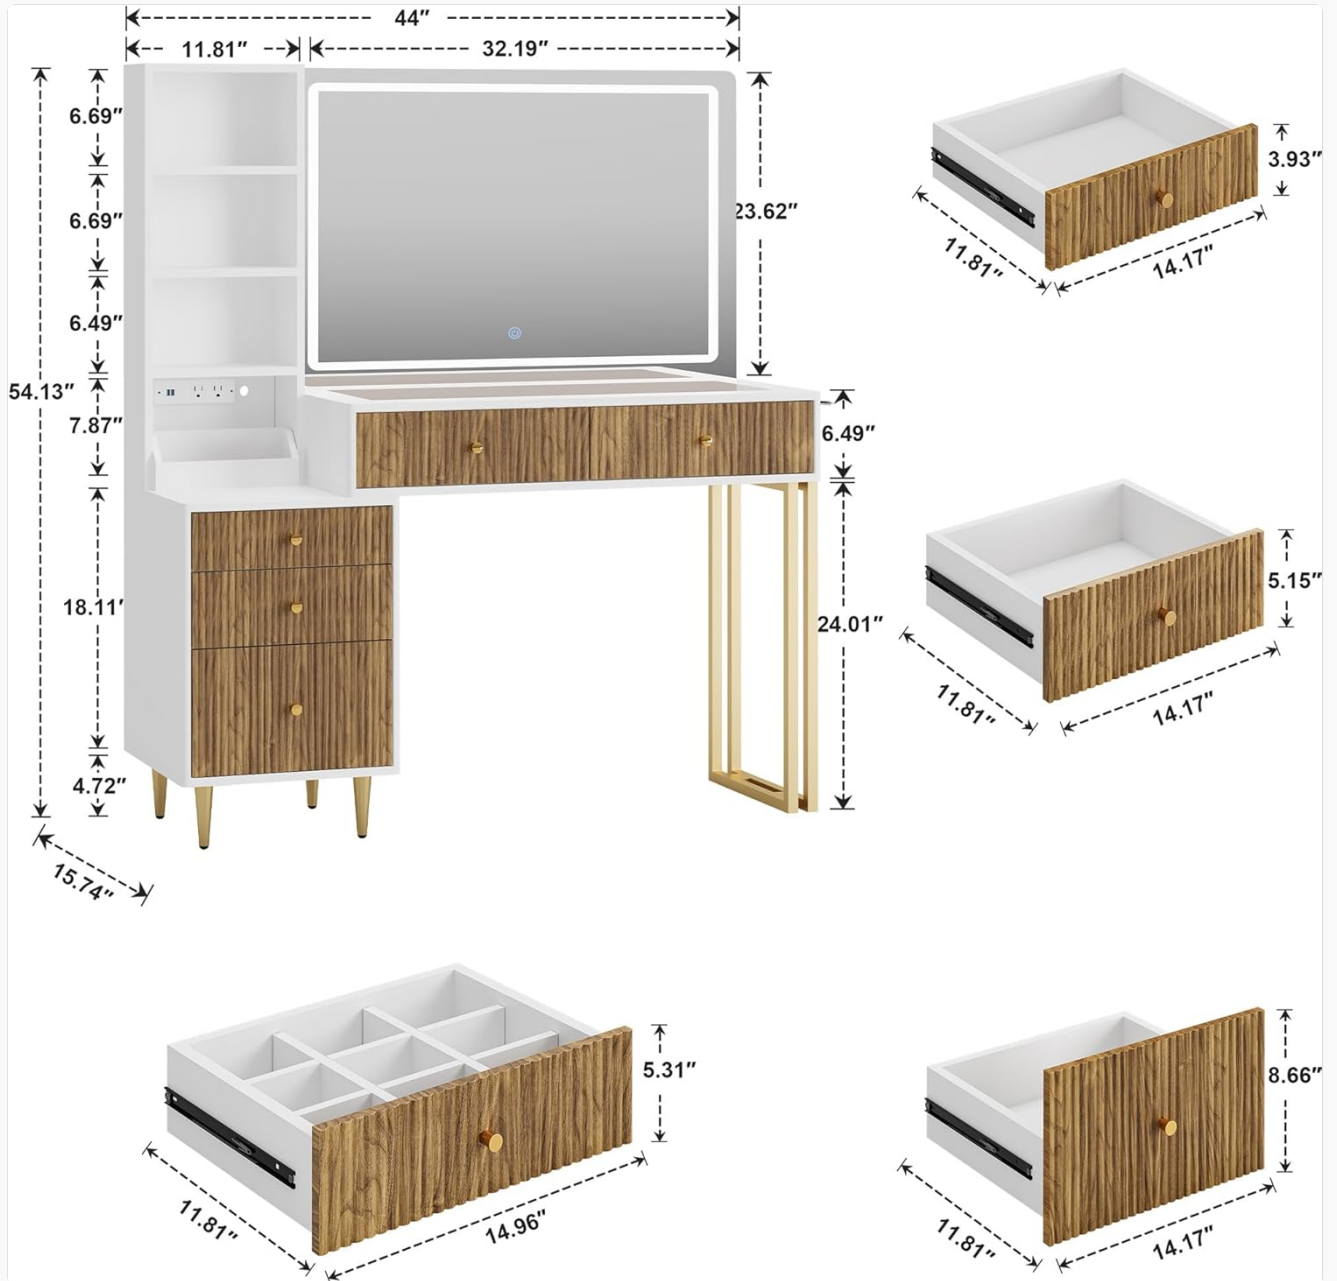

This vanity desk features a 32-inch HD makeup mirror with adjustable lighting, a transparent glass top with organized storage, a fluted panel design, multiple drawers and shelves for extensive storage, and a built-in charging station with AC outlets and USB ports.

## SAFETY INFORMATION

- **Two-Person Assembly Recommended:** For safety and ease of assembly, it is highly recommended that two adults assemble this product.
- **Secure to Wall:** To prevent tipping, especially in households with children or pets, consider securing the vanity desk to a wall using appropriate anti-tip hardware (not included).
- **Weight Limit:** Do not overload drawers or shelves. Distribute weight evenly.
- **Electrical Safety:** Ensure the charging station is connected to a properly grounded outlet. Do not use damaged cords or plugs. Keep liquids away from electrical components.
- **Product Care:** Avoid harsh chemicals when cleaning. Wipe with a damp cloth as instructed in the maintenance section.
- **Glass Handling:** Exercise caution when handling glass components to prevent breakage or injury.

## PACKAGE CONTENTS

Before beginning assembly, please ensure all parts and hardware are present and undamaged. Refer to the included parts list and hardware pack. If any components are missing or damaged, please contact customer support immediately.

**Figure 1:** Overview of vanity desk components and dimensions. This diagram illustrates the various sections of the desk, including the mirror, shelves, drawers, and overall measurements, which are 15.74"D x 44"L x 54.13"H.

## SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

- 1. Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and compare them against the parts list provided in your hardware pack to ensure everything is accounted for.
- 2. Assemble the Main Desk Frame:** Begin by connecting the primary frame components. Ensure all cam locks and screws are tightened securely.
- 3. Install Drawers and Runners:** Attach the drawer runners to the desk frame. Assemble the drawer boxes and insert them into the runners. Ensure smooth operation. The fluted panel drawers should slide easily.

4. **Attach the Mirror Unit:** Carefully position and secure the 32-inch HD mirror unit to the main desk structure. Ensure all mounting points are firm and stable.
5. **Integrate Shelving Unit:** Attach the side shelving unit, ensuring it aligns correctly with the main desk and mirror frame.
6. **Connect Charging Station:** Secure the built-in power strip with AC outlets and USB ports into its designated slot. Ensure all wiring is properly routed and secured.
7. **Final Checks:** Verify that all screws and fasteners are tight. Test the stability of the desk.

**Figure 2:** Detailed view of the vanity's storage, including the transparent top drawers with tic-tac-toe dividers for organizing small items and a movable small drawer for flexible storage.

## OPERATING INSTRUCTIONS

### Mirror Lights

The 32-inch HD mirror is equipped with adjustable LED lights to provide optimal illumination for makeup application

or other tasks.

- **Power On/Off:** Locate the touch sensor on the mirror surface. Tap once to turn the lights on or off.
- **Adjust Brightness:** When the lights are on, press and hold the touch sensor to infinitely adjust the brightness from 0% to 100%. Release when the desired brightness is achieved.
- **Change Color Temperature:** Tap the touch sensor repeatedly (flick switch) to cycle through the three available color modes: Cool White Light, Warm White Light, and Warm Light.

## Charging Station

The built-in charging station provides convenient power access for your electronic devices.

- **AC Outlets:** Two 125V/12A AC outlets are available for powering devices such as hair dryers, curling irons, or laptops.
- **USB Ports:** Two 5V/2.1A USB ports are provided for charging smartphones, tablets, and other USB-powered devices.

- **Usage:** Simply plug your device into the appropriate outlet or port. Ensure the vanity desk is connected to a wall power source.

**Figure 4:** A close-up view of the integrated charging station, highlighting the two 125V/12A AC outlets and two 5V/2.1A USB ports for convenient device charging.

## MAINTENANCE

Proper care will extend the life and appearance of your vanity desk.

- **Cleaning:** For general cleaning, wipe surfaces with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or solvents, as these can damage the finish.
- **Glass Care:** Clean the mirror and glass top with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror to avoid liquid seeping into the edges.
- **Dusting:** Regularly dust all surfaces with a soft, dry cloth.
- **Spills:** Wipe up spills immediately to prevent staining or damage to the wood and glass surfaces.
- **Hardware:** Periodically check and tighten any loose screws or hardware to maintain stability.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Mirror lights not turning on.	Not plugged in; power outage; faulty connection; touch sensor issue.	Ensure the vanity is plugged into a working outlet. Check the power cord connection. Try tapping the touch sensor firmly.
Drawers are stiff or difficult to open/close.	Overloaded; misaligned runners; debris in runners.	Reduce drawer contents. Check that drawers are properly seated on runners. Clear any obstructions from the runners.
Charging station not working.	Vanity not plugged in; device not properly connected; faulty outlet/port.	Verify the vanity is plugged into a live outlet. Ensure devices are securely plugged into the AC outlets or USB ports. Test with a different device or outlet.
Desk feels wobbly.	Loose fasteners; uneven floor.	Check and tighten all assembly screws. If the floor is uneven, use furniture glides or shims to level the desk.

## SPECIFICATIONS

Feature	Detail
Brand	DAMCROP
Model Number	VD02
