## WHAT'S IN THE BOX

Upon unboxing your BIGGERFIVE Brave 3 Smart Fitness Watch, you should find the following items:

- BIGGERFIVE Brave 3 Smart Fitness Watch
- Charging Cable
- User Manual (this document)

## SETUP

### 1. Initial Charge

Before first use, fully charge your Brave 3 Smart Fitness Watch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a compatible power source (e.g., computer USB port, USB wall adapter). The watch screen will display the charging status.

## 2. Power On/Off

- **Power On:** Press and hold the side button until the screen lights up.
- **Power Off:** Navigate to 'Settings' on the watch, then select 'Power Off'. Confirm your selection.

## 3. App Connection (Optional)

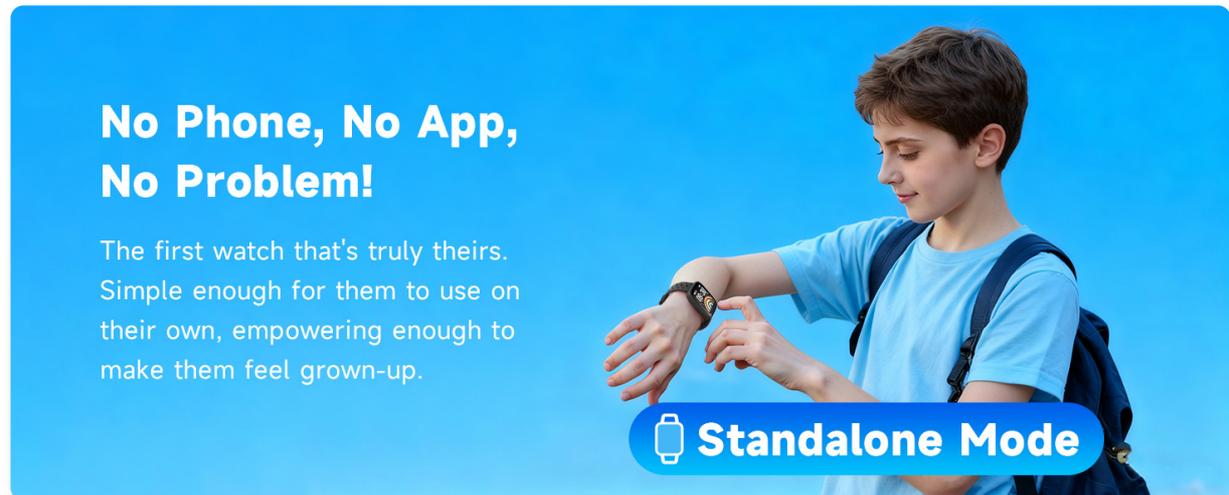

The Brave 3 watch can function independently without an app. However, for enhanced features like parental controls, additional watch faces, and detailed data history, you can connect it to the BIGGERFIVE app on a smartphone.

- Download the 'BIGGERFIVE' app from your smartphone's app store.

- Follow the in-app instructions to pair your watch via Bluetooth.
- Bluetooth can be turned off on the watch when not needed to conserve battery and reduce radiation.

## 4. Basic Settings

After powering on, you can set the device language and measurement units directly on the watch screen.

**No Phone, No App,  
No Problem!**

The first watch that's truly theirs. Simple enough for them to use on their own, empowering enough to make them feel grown-up.

## 9. Waterproof Information

The Brave 3 is 30m waterproof, making it suitable for swimming and water sports. It is not recommended for use in seawater.

## MAINTENANCE

### 1. Cleaning

Regularly clean the watch and strap with a soft, damp cloth. Avoid harsh chemicals or abrasive materials that could damage the device.

### 2. Charging

Charge the watch using the provided magnetic charging cable. A full charge takes approximately 2 hours. Avoid overcharging to prolong battery life.

### 3. Battery Life Tips

- Turn off Bluetooth when not actively syncing with the app.
- Reduce screen brightness.
- Limit frequent use of power-intensive features like continuous heart rate monitoring if not essential.

## TROUBLESHOOTING

- **Watch not turning on:** Ensure the watch is fully charged. If it still doesn't turn on, try connecting it to the charger for a few minutes.
- **Inaccurate heart rate/step readings:** Ensure the watch is worn snugly on the wrist, not too loose or too tight. Clean the sensor on the back of the watch.
- **App connection issues:** Make sure Bluetooth is enabled on both the watch and the smartphone. Restart both devices and try pairing again. Ensure the BIGGERFIVE app is up to date.
- **Screen unresponsive:** Try restarting the watch by holding the side button for an extended period (usually 10-15 seconds) until it reboots.
