## **2. PACKAGE CONTENTS**

---

Your Baasha Modern Reclining Salon Chair is shipped in two separate packages for secure delivery. Please ensure you have received both packages before beginning assembly. Each package has its own tracking number. The primary tracking number will be in your Amazon order details, and the second tracking number will be sent to your Amazon Message Center.

Upon opening both packages, verify that all the following components are present:

- 1 x Salon Chair (unassembled components)
- 1 x Instruction Manual
- 1 x Set of Assembly Tools

## **3. SAFETY INFORMATION**

---

Please read and understand all safety warnings before using the Baasha Modern Reclining Salon Chair. Failure to follow these instructions may result in injury or damage to the product.

1. Do not exceed the maximum weight capacity of 440 lbs. Excessive weight may cause structural failure.
2. Adjust the recline slowly and ensure the chair is fully locked before use. Sudden movements may cause injury.
3. Do not stand on the chair or apply excessive side pressure. Unbalanced weight may cause tipping.
4. Regularly check bolts, screws, and hydraulic components for tightness. Faulty parts must be repaired by professionals.
5. Always assemble the chair according to the manual. Improper installation may lead to instability.

## 4. ASSEMBLY INSTRUCTIONS

---

The Baasha Modern Reclining Salon Chair requires assembly. Please refer to the included instruction manual for detailed assembly steps. It is recommended to have two people for assembly due to the size and weight of some components.

Ensure all parts are accounted for before starting. Follow the step-by-step guide provided in the separate instruction booklet. Tools for assembly are included in the package.

## 5. OPERATING INSTRUCTIONS

The Baasha Modern Reclining Salon Chair offers versatile functionality for various salon services.

### 5.1. Height Adjustment

To adjust the chair's height, use the heavy-duty hydraulic pump lever located on the side of the chair. Press the lever down to lower the chair, and pump it up to raise the chair to your desired working height. The chair features a smooth lift mechanism.

### 5.2. Reclining Backrest

The backrest can recline up to 165°. To recline, locate the reclining lever, typically on the side of the chair. Pull the lever and gently push the backrest backward to the desired angle. Release the lever to lock the backrest in position. Ensure the backrest is securely locked before the client leans back.

## 5.4. Removable Headrest

The chair is equipped with a removable headrest for added versatility and client comfort. It can be adjusted or removed as needed for different services.

## 6. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your salon chair.

### 6.1. Product Care Instructions

- **Wipe Clean:** The stylist chair is upholstered in waterproof, easy-to-clean PU leather. Use a soft, damp cloth with mild soap and water to wipe down surfaces. Avoid harsh chemicals or abrasive cleaners that could damage the material.
- **Regular Inspection:** Periodically check all bolts, screws, and hydraulic components for tightness. Tighten any loose fasteners to maintain stability and safety.
- **Lubrication:** If the hydraulic pump or swivel mechanism becomes stiff, apply a small amount of silicone-based lubricant to the moving parts.

## 7. TROUBLESHOOTING

If you encounter any issues with your Baasha Modern Reclining Salon Chair, refer to the following common troubleshooting tips:

- **Chair Not Adjusting Height:** Ensure the hydraulic pump lever is fully engaged. If the issue persists, check for any obstructions or contact customer support.
- **Chair Wobbles:** Verify that all assembly bolts and screws are securely tightened. Ensure the chair is placed on a flat, stable surface.

- **Recline Mechanism Stiff:** Check for any obstructions. Apply a small amount of lubricant to the moving parts of the reclining mechanism if necessary.
