

MuGo ZY-01

MuGo ZY-01 IPX7 Waterproof Bluetooth Shower Speaker

Model: ZY-01

IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before using the MuGo ZY-01 Bluetooth Shower Speaker. Keep this manual for future reference.

- Do not attempt to disassemble, repair, or modify the device. This may void the warranty and cause damage.
- Keep the speaker away from extreme temperatures, direct sunlight, and open flames.
- Ensure the charging port cover is securely closed before exposing the speaker to water to maintain its IPX7 waterproof rating.
- Use only the provided USB-C cable for charging.
- Avoid prolonged listening at high volumes to prevent hearing damage.

PRODUCT OVERVIEW

The MuGo ZY-01 is an IPX7 waterproof Bluetooth speaker designed for use in various environments, including showers, pools, and outdoor activities. It features 360° HD stereo sound, RGB lights, a built-in microphone for hands-free calls, and a detachable suction cup for easy mounting.

Key Features

- **IPX7 Waterproof and Floating:** Fully resistant to water splashes and submersion up to 1 meter for 35 minutes. Floats automatically if dropped in water.
- **Immersive 360° Surround Sound:** Delivers rich, crystal-clear audio with deep bass.
- **Up to 10 Hours Playtime:** Enjoy extended music playback on a single charge at medium volume.

- **Portable Design and Multi-Function:** Lightweight and compact, with intuitive controls and a built-in microphone for hands-free calls. Includes a detachable suction cup.
- **RGB Colorful Light Show:** Three distinct light modes that sync to music, adding a vibrant atmosphere.
- **Bluetooth 5.3 and Universal Compatibility:** Fast and stable connection with iOS, Android, smartphones, and tablets up to 10 meters.

SETUP

Charging the Speaker

1. Locate the Type-C charging port on the side of the speaker.
2. Open the protective cover of the charging port.
3. Connect the provided USB-C cable to the speaker and a compatible USB power adapter (not included).
4. The LED indicator will show charging status. A full charge typically takes about 3 hours.
5. Once fully charged, securely close the charging port cover to maintain waterproofing.

Mounting the Speaker

The MuGo ZY-01 comes with a detachable suction cup for easy mounting.

1. Ensure the surface where you intend to mount the speaker is clean, dry, and smooth (e.g., tile, glass, mirror).
2. Press the suction cup firmly against the desired surface.
3. Attach the speaker to the suction cup.
4. To remove, gently pull the edge of the suction cup to release the vacuum.

Note: For best adhesion, periodically clean both the suction cup and the mounting surface.

OPERATING INSTRUCTIONS

Power On/Off

- **To Power On:** Long press the Power ON/OFF button until the LED display lights up and you hear an audible prompt.
- **To Power Off:** Long press the Power ON/OFF button again until the LED display turns off.

Bluetooth Pairing

1. Ensure the speaker is powered on and in pairing mode (the Bluetooth indicator on the LED display will flash).
2. On your mobile device (smartphone, tablet, etc.), go to the Bluetooth settings.
3. Search for available devices and select "ZY-01" from the list.
4. Once connected, the speaker will provide an audible confirmation, and the Bluetooth indicator will stop flashing.
5. The speaker will automatically attempt to reconnect to the last paired device when powered on.

Bluetooth 5.3 Wide Compatibility

Compatible with Windows, iOS, and Android

Music Playback

- **Play/Pause:** Press the Play/Pause button once to play or pause music.
- **Volume Up:** Short press the Volume + button.
- **Volume Down:** Short press the Volume - button.
- **Next Track:** Long press the Volume + button.
- **Previous Track:** Long press the Volume - button.

Hands-Free Calling

When connected to your phone via Bluetooth, you can answer calls directly from the speaker.

- **Answer Call:** Press the Play/Pause button once when an incoming call rings.
- **End Call:** Press the Play/Pause button once during a call to hang up.
- **Reject Call:** Long press the Play/Pause button when an incoming call rings.

WATERPROOF AND FLOATING FEATURE

The MuGo ZY-01 speaker boasts an IPX7 waterproof rating, meaning it can be submerged in water up to 1 meter (3 feet) for 35 minutes without damage. Its design also allows it to float on water, making it ideal for use in pools, baths, or at the beach.

- Always ensure the USB-C charging port cover is tightly sealed before exposing the speaker to water.
- While waterproof, avoid intentionally submerging the speaker for extended periods beyond its rated capacity.

MAINTENANCE

Cleaning

- Wipe the speaker with a soft, damp cloth.
- Do not use abrasive cleaners, solvents, or harsh chemicals.
- Ensure the speaker is dry before charging.

Storage

- Store the speaker in a cool, dry place away from direct sunlight.
- If storing for an extended period, charge the battery to about 50% every few months to prolong battery life.

Battery Care

- Avoid fully discharging the battery frequently.
- Do not expose the battery to high temperatures.

TROUBLESHOOTING

Common Issues and Solutions

Problem	Solution
Speaker does not power on.	Ensure the battery is charged. Connect the speaker to a power source using the USB-C cable.

Problem	Solution
Cannot pair with Bluetooth device.	Make sure the speaker is in pairing mode (Bluetooth indicator flashing). Turn off and on Bluetooth on your device. Ensure the speaker is within 10 meters of your device. Forget previous pairings on your device and try again.
No sound or low volume.	Increase the volume on both the speaker and your connected device. Ensure the speaker is properly paired. Check if the audio source is playing.
Sound is distorted.	Lower the volume on both the speaker and your device. Move the speaker closer to your device to improve Bluetooth signal.
RGB lights are not working.	Press the LED Control button to activate or change light modes.
Suction cup does not stick.	Ensure the mounting surface is clean, dry, and smooth. Clean the suction cup and the surface.
