Setup

Wearing Instructions

The Inspire XC1 earbuds feature a curved, adaptive fit with Zero-Sense Air Cushions and flexible ring joints for comfortable and secure placement. Gently clip the earbuds onto your ear, ensuring the audio driver is positioned correctly for optimal sound delivery without blocking your ear canal.

Your browser does not support the video tag.

Bluetooth Pairing

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), go to Bluetooth settings.
3. Select "Baseus Inspire XC1" from the list of available devices to connect.
4. Once connected, you will hear an audio prompt confirming successful pairing.

Baseus App & Firmware Update

For optimal performance and to access advanced features, download the official Baseus App from your device's app store. Regularly check for and install firmware updates:

- Open the Baseus App.
- Navigate to "Inspire XC1" > "Settings" > "Version".
- Follow the on-screen prompts to update to the latest firmware (V1.1.04 or above recommended).

Operating Instructions

Button Controls

The Inspire XC1 earbuds feature physical buttons for precise control:

- **Single Press:** Play/Pause music, Answer/End a call.
- **Double Press:** Next Track.
- **Triple Press:** Previous Track.
- **Press and Hold:** Volume Up (Right earbud), Volume Down (Left earbud), Reject a call (1.5 seconds).

Day-and-Night Playtime

Enjoy nonstop music from day to night, adding joy to every moment. Power through the weekend with long-lasting battery life and fast recharging.

40 hr Battery Life¹ **8 hr** Playtime per charge¹

10 min Charge **= 2.5 hr** Playtime⁴ | **BRC** Boosted Rapid Charge

Sound Modes (via Baseus App)

Customize your listening experience through the Baseus App:

- **Normal Mode:** Standard audio experience.
- **Transparency Mode:** Allows ambient sounds to pass through, keeping you aware of your surroundings.
- **Noise Reduction Mode:** Minimizes external noise for an immersive audio experience.

Features

Sound Quality

The Inspire XC1 earbuds deliver premium audio performance:

- **Sound by Bose:** Expertly tuned sound for stunning details, depth, and clarity.
- **Dolby Spatial Audio:** Immersive 360° listening experience.
- **Hybrid 2-Way Driver:** Combines a dynamic woofer for punchy bass and a Knowles balanced armature tweeter for sparkling highs.
- **Adaptive Tuning Sound:** Features Baseus SuperBass 3.0 and SuperBalance 3.0 technologies.
- **Hi-Res Wireless & LDAC:** For detail-rich clarity (LDAC supported on compatible Android devices).

Born to inspire

Baseus Inspire XC1 Open-Ear Earbuds

SOUND BY BOSE **Dolby AUDIO** **knowles** **Hi-Res AUDIO WIRELESS** **LDAC**

High-Fidelity Sound, Tuned by Experts Hybrid 2-Way Sound Engine Zero-Sense Air Cushion 4-Mic ENC AI-boosted clear calls **40 hr¹** Day-and-Night Playtime **IP66** Splashproof & Water-Resistant²

Note:

1. Battery playtime is based on continuous audio playback tests conducted by Baseus Lab at 50% volume with Bass Boost and Dolby Audio turned off.

2. The IP66-rated protection applies to earbuds only, while the charging case features standard protection.

3. LDAC transmits high-quality audio at up to 990 kbps, delivering 3X the audio detail compared to the SBC codec at 328 kbps. Enable LDAC mode in the Baseus app. LDAC is compatible with Android devices only.

4. All the data is sourced from the Baseus Lab; results may vary from actual use.

Call Quality

Enjoy crystal-clear calls even in challenging environments:

- **4-Mic AI Clear Calls:** A 4-microphone array with AI voice pickup.
- **Wind-Noise Reduction:** Keeps your voice clearly heard through traffic, crowds, or cycling at speeds up to 5m/s.

Image: Diagram illustrating the 4-Mic AI voice pickup and wind noise shield technology for clear calls.

Comfort

Designed for all-day wear without fatigue:

- **Zero-Sense Air Cushions:** Provide a curved, adaptive fit with a barely-there feel.
- **Flexible Ring Joints:** Tested to 10,000 bends for durability and adaptability.
- **Soft Liquid Silicone:** Non-irritating material for extended comfort.

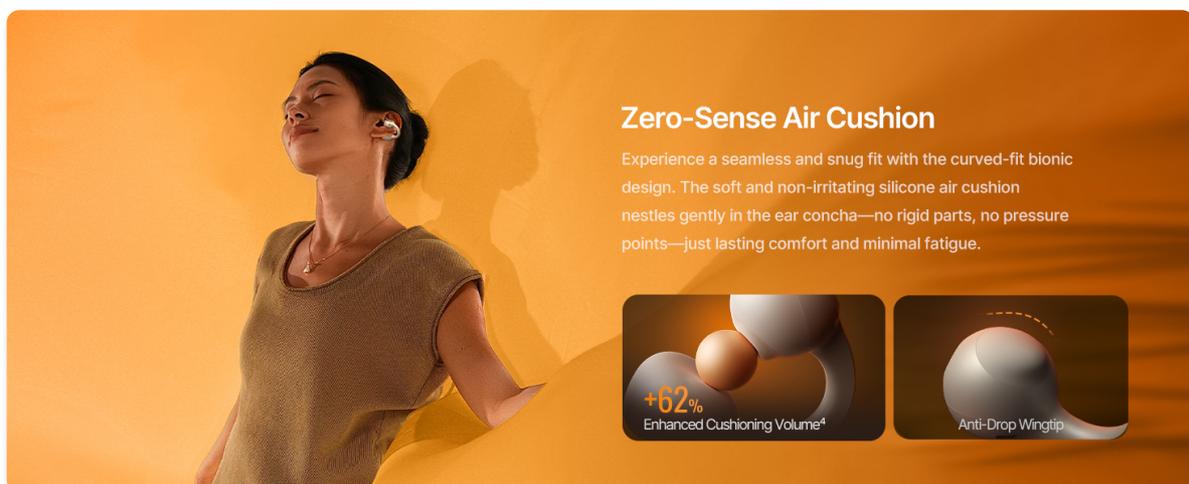

Image: Close-up of the Zero-Sense Air Cushion design for enhanced comfort.

Durability

Built to withstand various conditions:

- **IP66 Waterproof:** Resistant to sweat, rain, dust, and splashes, making them ideal for workouts and outdoor activities.

Splashproof & Water-Resistant

Stands up to sweat, rain, and splashes. Ready for fearless adventures on the water—without missing a beat.²

Image: Visual representation of the IP66 splashproof and water-resistant features of the earbuds.

Battery Life

Extended playtime for continuous enjoyment:

- **Up to 8 hours per charge:** Long-lasting power for individual listening sessions.
- **Up to 40 hours with the case:** Total playtime with multiple charges from the portable case.
- **Quick Charge:** A 10-minute charge provides 2.5 hours of playtime.

Smart App Control

Take full control of your listening experience with the dedicated app. A truly personalized experience is tailored by you.

Note: In guest mode, no account creation or permissions are required to customize features, but GPS access is needed to locate lost earbuds.

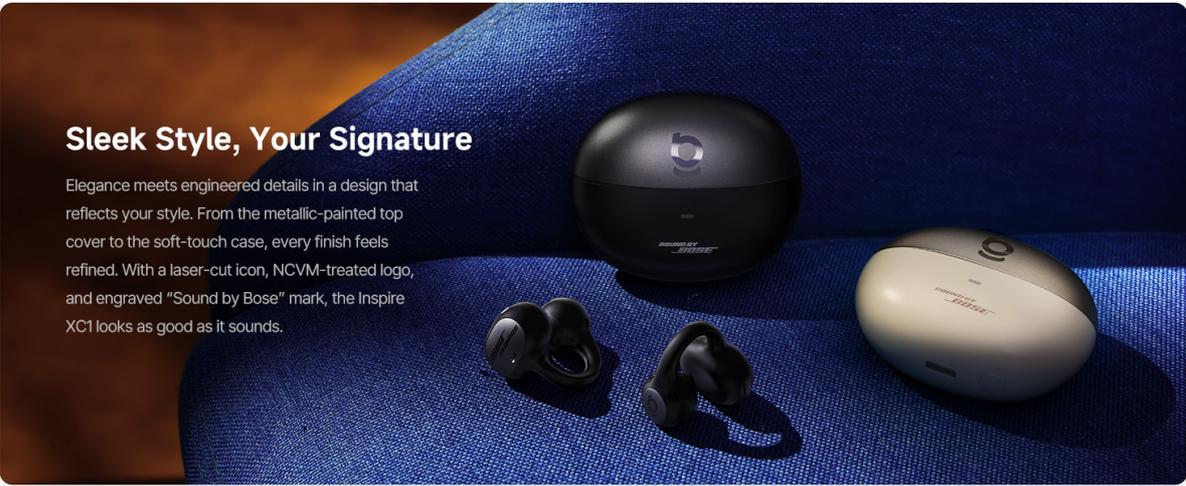

Image: Illustration of the 40-hour total battery life with the charging case and quick charge capability.

Multipoint Connection

Seamless switching between devices:

- **Bluetooth 6.1:** Utilizes the latest Bluetooth technology for stable and efficient connections.
- **Dual Device Connection:** Connect to two devices simultaneously and switch audio playback without re-pairing.

Sleek Style, Your Signature

Elegance meets engineered details in a design that reflects your style. From the metallic-painted top cover to the soft-touch case, every finish feels refined. With a laser-cut icon, NCVM-treated logo, and engraved "Sound by Bose" mark, the Inspire XC1 looks as good as it sounds.

Image: Visual demonstrating the multipoint connection feature, allowing seamless switching between a laptop and a smartphone.

Maintenance

- Regularly clean the earbuds and charging case with a soft, dry cloth.
- Avoid exposing the earbuds to extreme temperatures or direct sunlight for prolonged periods.
- Store the earbuds in their charging case when not in use to protect them and maintain battery charge.

Troubleshooting

- **No Sound:** Ensure earbuds are charged and properly paired. Check device volume.
- **Connection Issues:** Reset Bluetooth connection on your device. Place earbuds back in case, close, then reopen to re-enter pairing mode.
- **App Not Connecting:** Ensure earbuds are connected via Bluetooth. Update the Baseus App to the latest version.
