MAINTENANCE

Cleaning the Device

- Use a soft, lint-free cloth to clean the screen and body of the device.
- Do not use abrasive cleaners, alcohol, or chemical solvents, as these can damage the screen or finish.
- Avoid spraying cleaners directly onto the screen. Apply to the cloth first.

Storage

- Store the device in a cool, dry place, away from direct sunlight and extreme temperatures.
- When not in use for extended periods, ensure the device is charged to about 50% to preserve battery health.

Software Updates

Periodically check for software updates to ensure optimal performance and access to new features. Updates can usually be found in the device's settings menu under "System Update" or "About Device".
