# HAPINARY Portable Stainless Steel Foot Scrubber Instruction Manual

Model: H44MG4BOFT23F19HSEZE

## 1. INTRODUCTION

---

This manual provides detailed instructions for the safe and effective use of your HAPINARY Portable Stainless Steel Foot Scrubber. Please read this manual thoroughly before first use and retain it for future reference.

The HAPINARY Foot Scrubber is designed to gently and effectively remove dead skin and calluses from your feet, promoting smoother skin and relaxation.

## 2. SAFETY INFORMATION

---

- Do not use on broken, irritated, or infected skin.
- Consult a healthcare professional if you have diabetes, poor circulation, or any other foot conditions before using this product.
- Keep out of reach of children.
- Do not apply excessive pressure, as this may cause skin irritation or injury.
- Clean the device after each use to maintain hygiene.
- This product is for personal use only. Do not share with others.

## 3. PACKAGE CONTENTS

---

Verify that all items are present in the package:

- 1 x HAPINARY Portable Stainless Steel Foot Scrubber

## 4. PRODUCT FEATURES

---

- **Material:** Constructed from durable ABS plastic and high-quality stainless steel for effective and long-lasting use.
- **Ergonomic Design:** Features an ABS handle designed for a comfortable and secure grip, making it easy to maneuver.
- **Effective Exfoliation:** The stainless steel abrasive surface is engineered for efficient removal of dead skin and calluses.
- **Portable and Compact:** Lightweight and easy to carry, suitable for home use or travel.
- **Foot Plate Design:** Specifically targets points on the soles of the feet, aiding in fatigue relief and relaxation.

## 5. SETUP AND PREPARATION

---

1. **Inspect the Device:** Before each use, check the foot scrubber for any signs of damage or wear. Do not use if damaged.
2. **Prepare Your Feet:** For best results, soak your feet in warm water for 5-10 minutes to soften the skin. This makes callus removal easier and more comfortable.
3. **Ensure Cleanliness:** Make sure both the foot scrubber and your feet are clean before use.

## 6. OPERATING INSTRUCTIONS

---

1. **Hold Firmly:** Grip the ABS handle of the foot scrubber firmly and comfortably.
2. **Gentle Application:** Gently glide the stainless steel abrasive surface over areas of dry, callused, or dead skin on your feet. Use light, even pressure.
3. **Circular or Back-and-Forth Motion:** You can use either a circular motion or a back-and-forth motion, depending on your preference and the area being treated.
4. **Avoid Over-Exfoliation:** Do not scrub one area for too long or apply excessive force. Stop if you feel any discomfort or pain.
5. **Check Progress:** Periodically check your skin to ensure you are not removing too much. The goal is to achieve smoother skin, not to remove all calluses in one session.
6. **Rinse Feet:** After exfoliating, rinse your feet with warm water to remove any loosened skin particles.
7. **Moisturize:** Apply a foot cream or moisturizer to your feet to keep them hydrated and soft.

*Image 2: Proper usage of the foot scrubber on the heel. This image demonstrates a hand holding the pink foot scrubber and gently applying it to the heel area of a foot to remove dead skin.*

## 7. MAINTENANCE AND CARE

---

1. **Cleaning After Use:** After each use, rinse the foot scrubber under running water to remove any skin debris. You can use a small brush (not included) to dislodge stubborn particles from the stainless steel surface.
2. **Drying:** Allow the foot scrubber to air dry completely before storing it. Ensure no water remains trapped in the handle or around the metal.
3. **Storage:** Store the foot scrubber in a clean, dry place, away from direct sunlight and extreme temperatures.
4. **Disinfection (Optional):** For enhanced hygiene, you may periodically disinfect the stainless steel surface with an appropriate disinfectant solution, following the disinfectant's instructions.

## 8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Ineffective callus removal	Feet not sufficiently softened; insufficient pressure; device clogged.	Soak feet longer before use. Apply gentle, consistent pressure. Clean the scrubber thoroughly.
Skin irritation after use	Excessive pressure applied; scrubbing too long in one area; skin too sensitive.	Reduce pressure and duration of scrubbing. Ensure feet are well-moisturized. Discontinue use if irritation persists.
Device appears dull or less effective	Accumulation of dead skin; general wear over time.	Clean thoroughly after each use. While durable, all abrasive tools have a lifespan; consider replacement if effectiveness significantly diminishes.

## 9. SPECIFICATIONS

Attribute	Detail
Model Number	H44MG4BOFT23F19HSEZE
Brand	HAPINARY
Material	Acrylonitrile Butadiene Styrene (ABS), Stainless Steel
Color	Pink
Dimensions (L x W x H)	8.86 x 2.56 x 0.91 inches (22.5 x 6.5 x 2.3 cm)
Item Weight	2.72 ounces (0.17 lbs)

Image 4: Dimensions of the HAPINARY Foot Scrubber. This image illustrates the length (22.5cm/8.84in), width (6.5cm/2.55in), and thickness (2.3cm/0.90in) of the foot scrubber.
