

Victrola VOS-1000

Victrola Zen Wireless Outdoor Bluetooth Solar Speaker

Model: VOS-1000 | Brand: Victrola

INTRODUCTION

The Victrola Zen Outdoor Solar Speaker is designed to provide immersive sound in outdoor environments. It features a durable, weather-resistant construction, Bluetooth streaming, and Auracast multi-speaker connectivity for an expanded audio experience. The integrated solar panel ensures continuous power, complemented by a long-lasting internal battery. Wireless Wake Mode simplifies activation of multiple paired speakers.

Key Features

- **Modern Design with Powerful Sound:** Blends into outdoor spaces while delivering deep bass and clear highs.
- **Outdoor Bluetooth Speaker:** Wirelessly stream audio from any Bluetooth-enabled device.
- **Multi-Speaker Connection Using Auracast:** Connect an unlimited number of compatible speakers for synchronized audio.
- **Solar Powered & Weather Resistant:** Integrated solar panel, long-lasting battery, and IP65 water and dust resistance.
- **Wireless Wake Mode:** Power on one speaker to automatically activate and connect nearby paired speakers.

WHAT'S IN THE BOX

- Victrola Zen Wireless Outdoor Bluetooth Solar Speaker
- USB-C Charging Cable (for alternative charging)
- User Manual (this document)

SETUP

1. Initial Charging

Before first use, fully charge the speaker. The speaker can be charged via its integrated solar panel or using the provided USB-C cable.

- **Solar Charging:** Place the speaker in direct sunlight. The solar panel on top will begin charging the internal battery.
- **USB-C Charging:** Connect the USB-C cable to the speaker's charging port and plug the other end into a compatible USB power adapter (not included).

Figure 2: The speaker features an integrated solar panel for convenient outdoor charging.

2. Powering On/Off

Press and hold the power button located on the control panel to turn the speaker on or off. An indicator light will confirm the power status.

MODERN DESIGN WITH POWERFUL SOUND

Sleek, minimalist design blends seamlessly into any outdoor space, from gardens and patios to rooftops and poolside, and delivers immersive, yard-filling sound with deep bass and crystal-clear highs.

3. Bluetooth Pairing

1. Turn on the Victrola Zen speaker. The Bluetooth indicator light will flash, indicating it is in pairing mode.
2. On your audio device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "Victrola Zen" from the list of devices.
4. Once connected, the Bluetooth indicator light on the speaker will glow solid.

Figure 4: Bluetooth connectivity allows wireless audio streaming.

OPERATING INSTRUCTIONS

1. Basic Audio Playback

After successfully pairing your device, you can control audio playback (play, pause, volume) directly from your connected device. Ensure the speaker's volume is adjusted to a suitable level.

2. Multi-Speaker Connection (Auracast)

The Victrola Zen speaker supports Auracast technology, allowing you to connect multiple compatible speakers for a synchronized audio experience across a wider area.

1. Ensure all Victrola Zen speakers you wish to connect are powered on and within range.
2. On the primary speaker (the one connected to your audio device via Bluetooth), press the Auracast button. The Auracast indicator light will begin to flash.
3. On each additional speaker, press the Auracast button. They will automatically search for and connect to the primary speaker.
4. Once connected, the Auracast indicator light on all speakers will glow solid, and audio will play simultaneously through all linked speakers.

Figure 5: Auracast multi-speaker streaming allows for an expanded audio setup with unlimited compatible speakers.

3. Wireless Wake Mode

When multiple Victrola Zen speakers are paired via Auracast, activating Wireless Wake Mode allows you to power on one speaker, and all other paired speakers within range will automatically power on and connect.

1. Ensure Wireless Wake Mode is enabled on all speakers (refer to the full product manual for specific settings if available).
2. Power on any one of the previously paired Victrola Zen speakers.
3. Other paired speakers nearby will automatically power on and establish an Auracast connection.

MAINTENANCE

1. Weather Resistance (IP65 Rating)

The Victrola Zen speaker is IP65-rated, meaning it is protected against dust ingress and low-pressure water jets from any direction. This makes it suitable for outdoor use in various weather conditions, including rain and splashes.

- While resistant to water, avoid submerging the speaker in water.
- Ensure the USB-C charging port cover is securely closed when not charging to maintain water resistance.

2. Cleaning

To clean the speaker, use a soft, damp cloth. Avoid using abrasive cleaners or solvents, as these may damage the finish or internal components.

TROUBLESHOOTING

Problem	Possible Solution
Speaker does not power on.	Ensure the battery is charged. Connect the USB-C cable to charge, or place the speaker in direct sunlight.
Cannot pair via Bluetooth.	Ensure the speaker is in pairing mode (flashing Bluetooth light). Check that your device's Bluetooth is enabled and within range. Try restarting both the speaker and your device.
Auracast multi-speaker connection fails.	Ensure all speakers are compatible with Auracast and are within range of the primary speaker. Repeat the Auracast pairing process.
No sound or low volume.	Check the volume levels on both the speaker and your connected audio device. Ensure the speaker is properly connected via Bluetooth or Auracast.

SPECIFICATIONS

- **Brand:** Victrola
- **Model Number:** VOS-1000-STN
- **Speaker Maximum Output Power:** 22 Watts
- **Connectivity Technology:** Bluetooth, Auxiliary
- **Wireless Technology:** Bluetooth
- **Bluetooth Range:** 65 Meters
- **Mounting Type:** Floor Standing
- **Material:** Plastic
- **Enclosure Material:** Plastic
- **Speaker Type:** Outdoor
- **Additional Features:** Bluetooth, Portable, Solar Powered, Weatherproof
- **Color:** Stone
- **Speaker Size:** 10.63 Inches
- **Item Dimensions (D x W x H):** 12.71"D x 12.76"W x 10.63"H
- **Item Weight:** 6.96 Kilograms
- **UPC:** 850063203340
- **Manufacturer:** Innovative Technology
