4. MAINTENANCE

To ensure the longevity and cleanliness of your LEGO Technic model:

- **Cleaning:** Use a soft brush or a damp cloth with mild soap to clean dust and dirt from the bricks. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration and material degradation.
- **Handling:** Handle the model with care, especially when engaging the pull-back mechanism, to prevent damage to the internal components.

5. TROUBLESHOOTING

If you encounter any issues with your LEGO Technic Monster Jam Grave Digger Fire and Ice (42219) set, consider the following:

- **Missing Pieces:** If you find any pieces missing during assembly, please contact LEGO Customer

Service for replacements.

- **Assembly Difficulties:** Double-check the building instructions or refer to the LEGO Builder app to ensure all steps are followed correctly. Sometimes a small misplacement can affect subsequent steps.
- **Pull-Back Mechanism Not Working:** Ensure that the pull-back motor is correctly installed and that no bricks are obstructing its movement. Verify that the wheels are securely attached and can rotate freely.
- **Loose Connections:** If parts feel loose, gently press them together to ensure a secure fit. Technic models rely on strong connections for stability.
