# Camel Premium Holi Gulal Cylinder 2KG Instruction Manual

Model: 2419129 349118-B

## 1. INTRODUCTION

This instruction manual provides essential information for the safe and effective use of the Camel Premium Holi Gulal Cylinder. Designed for vibrant celebrations, this 2KG cylinder contains skin-friendly, non-toxic, and herbal Holi colour. Please read this manual thoroughly before use to ensure a joyful and safe experience.

### Key Features:

- Skin-Safe & Herbal:** Formulated with gentle, non-toxic ingredients suitable for various skin types.
- Rich, Vibrant Colors:** Delivers bright and joyful hues for festive moments.
- Eco-Friendly:** Sustainable formulation designed to be kind to both skin and nature.
- 2KG Value Pack:** Ideal for large gatherings, group events, and gifting purposes.
- Made in India:** Proudly crafted in Hathras, a renowned hub for Holi colours.

## 2. SAFETY INFORMATION

### WARNING: Only for external use.

- Avoid direct contact with eyes. In case of contact, rinse immediately with plenty of water.
- Do not inhale the powder directly. Use in well-ventilated areas.
- Keep out of reach of small children and pets.
- If skin irritation occurs, discontinue use and wash the affected area with soap and water. Consult a physician if irritation persists.
- Do not ingest the product.
- Store in a cool, dry place, away from direct sunlight and moisture.

## 3. SETUP

- Unpack the Cylinder:** Carefully remove the Holi Gulal Cylinder from its packaging.

- 2. Inspect the Cylinder:** Before use, visually inspect the cylinder for any signs of damage or tampering. Ensure the nozzle and handle mechanism are intact.
- 3. Prepare for Use:** Gently shake the cylinder a few times to loosen the powder inside. This helps ensure an even and consistent spray.

## 4. OPERATING INSTRUCTIONS

The Camel Holi Gulal Cylinder is designed for easy and fun application, similar to a party popper or a small fire extinguisher. Follow these steps for optimal use:

- 1. Hold Firmly:** Grasp the cylinder firmly with one hand, ensuring a secure grip on the body of the cylinder.
- 2. Remove Safety Pin:** Locate the safety pin near the handle. Pull the pin out to unlock the handle mechanism.
- 3. Aim:** Point the nozzle in the desired direction, ensuring it is aimed away from faces, eyes, and sensitive areas.
- 4. Activate Spray:** Squeeze the handle firmly to release the gulal powder. The powder will spray out

in a vibrant cloud.

5. **Control Spray:** You can control the duration of the spray by how long you hold the handle down. Release the handle to stop the spray.

Image 3: A close-up view of the top section of the gulal cylinder, highlighting the nozzle, handle, and a small pressure gauge, which indicates the cylinder's readiness for use.

Image 4: The blue gulal cylinder actively spraying a cloud of blue powder, demonstrating its function and the vibrant output.

## 5. MAINTENANCE AND STORAGE

The Camel Holi Gulal Cylinder is designed for single-use and does not require maintenance after its contents have been fully discharged.

- **Disposal:** Once empty, dispose of the cylinder responsibly according to local waste disposal guidelines.
- **Storage (Unused Product):** Store unused cylinders in their original packaging in a cool, dry place, away from direct sunlight, heat sources, and moisture. Ensure the safety pin remains in place until ready for use.

## 6. TROUBLESHOOTING

- **No Powder Dispenses:**
  - Ensure the safety pin has been completely removed.
  - Verify that the handle is being squeezed firmly and fully.

- **Weak or Inconsistent Spray:**

- Gently shake the cylinder before and during use to ensure the powder is not compacted.
- Ensure the nozzle is not obstructed.
