1. INTRODUCTION

Welcome to the world of creative building with the LEGO DUPLO My First 3 in 1 Creative Cute Pets set (Model 10477). This set is designed to inspire imagination and develop fine motor skills in toddlers aged 18 months and up. With 24 easy-to-handle bricks, children can construct a variety of adorable animal figures, encouraging color recognition and problem-solving through play.

This manual provides instructions for assembly, care, and general information about your new LEGO DUPLO set.

2. SETUP

2.1 Unpacking the Set

Carefully open the packaging and remove all LEGO DUPLO bricks and the instruction leaflet. Ensure all 24 pieces are present before beginning assembly. Dispose of packaging materials responsibly.

3. OPERATING INSTRUCTIONS

3.1 Building Animal Figures

The LEGO DUPLO My First 3 in 1 Creative Cute Pets set allows for the construction of 8 different animal figures. Follow the visual instructions provided in the included leaflet or use your creativity to build your own unique creatures.

- **Dog:** Use yellow bricks for the body and ears, and a brick with a dog face.
- **Cat:** Use blue bricks for the body and ears, and a brick with a cat face.
- **Bird:** Use green bricks for the body and wings, and a brick with a bird face.
- **Rabbit:** Combine blue and yellow bricks with rabbit face elements.
- **Mouse:** Combine yellow and red bricks with mouse face elements.
- **Fish:** Use red and white bricks for the body and tail, and a brick with a fish face.

3.2 Encouraging Creative Play

The 3-in-1 design encourages children to experiment and combine bricks in different ways. This promotes creativity, problem-solving, and perseverance. Encourage toddlers to mix and match colors and animal parts to invent their own unique pets.

Bricks are color coded for easy-to-make builds

3.3 Educational Benefits

This set aids in developing several key skills:

- **Fine Motor Skills:** Handling and connecting the large bricks strengthens hand-eye coordination and dexterity.
- **Color Recognition:** The distinct colors of the bricks help children learn and identify different colors.
- **Problem-Solving:** Experimenting with different combinations to create animals fosters early problem-solving abilities.
- **Creativity:** The open-ended nature of the toy encourages imaginative play and self-expression.

4. MAINTENANCE

4.1 Cleaning Instructions

To clean your LEGO DUPLO bricks, wipe them with a damp cloth using mild soap if necessary. Rinse thoroughly with clean water and air dry. Do not use harsh chemicals or abrasive materials, as these can

damage the plastic.

4.2 Storage

Store the bricks in a clean, dry place away from direct sunlight and extreme temperatures to prevent warping or fading. The original box can be used for convenient storage.

5. TROUBLESHOOTING

5.1 Common Issues and Solutions

Issue	Possible Cause	Solution
Bricks not connecting easily	Dust or debris on studs/tubes; incorrect alignment	Clean bricks thoroughly; ensure proper alignment before pressing together.
Missing pieces	Pieces may have been misplaced during unpacking or play.	Carefully check the play area and packaging. Contact LEGO customer support if pieces are genuinely missing from a new set.
Faded colors	Prolonged exposure to direct sunlight.	Store bricks away from direct sunlight. Fading is generally irreversible.
