LEGO Creator 3-in-1 Turtle with Water Lily Flower Building Toy (Model 31377) Instruction Manual

Your guide to building and enjoying your LEGO Creator 3-in-1 animal set.

1. INTRODUCTION

The LEGO Creator 3-in-1 Turtle with Water Lily Flower (Model 31377) building toy allows you to construct three different animal figures from a single set of LEGO bricks. This set is designed for builders aged 7 years and up, offering creative play and display options.

Key Features:

- **3-in-1 Building Options:** Construct a turtle with a water lily flower, a chameleon lizard, or a frog. Only one model can be built at a time.
- **Posable Figures:** The turtle features a posable head and mouth. The chameleon lizard has a nodding head and twisting tail. The frog figure includes a moving mouth.
- **Display Ready:** Each completed animal model can serve as a decorative item for bedrooms, bookshelves, or playrooms.
- **Interactive Instructions:** Utilize the LEGO Builder app for easy-to-follow 3D instructions, allowing tracking of progress and model rotation.

2. WHAT'S IN THE BOX

Your LEGO Creator 3-in-1 set contains:

- 124 LEGO Building Elements
- Instruction Manuals for each of the three models

Please verify all pieces are present before beginning construction. Refer to the back of the instruction manuals for a complete parts list.

3. SETUP AND BUILDING INSTRUCTIONS

This LEGO Creator 3-in-1 set offers instructions for building three distinct models: a turtle with a water lily flower, a chameleon, and a frog. Each model has its own dedicated instruction manual. You can also access interactive 3D building instructions via the official LEGO Builder app.

Building the Turtle with Water Lily Flower:

Follow the step-by-step visual instructions provided in the dedicated manual for the turtle model. Ensure each brick is firmly connected to create a stable structure.

Using the LEGO Builder App:

For an enhanced building experience, download the LEGO Builder app on your smart device. The app provides digital 3D instructions, allowing you to zoom, rotate, and visualize each step of the building process. This can be particularly helpful for complex steps or for builders who prefer digital guidance.

4. OPERATING AND PLAY FEATURES

Once assembled, your LEGO Creator 3-in-1 animal figures offer various interactive features for imaginative play.

Turtle Model Features:

- The turtle's head can be posed to look in different directions.
- The mouth can be opened and closed.
- The water lily flower is a separate accessory that can be placed alongside the turtle.

5. MAINTENANCE AND CARE

To ensure the longevity and cleanliness of your LEGO bricks, follow these simple care instructions:

- **Cleaning:** Clean LEGO bricks by hand using lukewarm water (up to 40°C / 104°F) and a mild detergent. Rinse thoroughly with clear water.
- **Drying:** Air dry bricks at room temperature. Avoid direct sunlight or high heat, as this can deform the plastic.
- **Storage:** Store LEGO bricks in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration and damage.
- **Avoid Harsh Chemicals:** Do not use harsh chemicals, abrasive cleaners, or dishwashers, as these can damage the plastic.

6. TROUBLESHOOTING

If you encounter any issues while building or playing with your LEGO set, consider the following common solutions:

- **Missing Pieces:** Double-check the packaging and surrounding area. If a piece is genuinely missing, contact LEGO Customer Service for replacement parts.
- **Difficulty Connecting Bricks:** Ensure bricks are aligned correctly and apply firm, even pressure. Small or new bricks may require a bit more force.
- **Model Instability:** Review the building steps to ensure all connections are secure and no steps were missed. Sometimes a single loose brick can affect the entire structure.
- **Instructions Unclear:** Refer to the LEGO Builder app for interactive 3D instructions, which can provide a clearer visual guide than printed manuals.
